## K. CO., 32ND, IS WINNER OF GAME FROM THE GEES

(Special Star-Bulletin Correspondence.)  
**SCHMIDT BARRACKS, July 7.**—Compagnies G and K, 32nd Infantry, hooked up in an interesting diamond battle this afternoon, the Kays defeating the Gees by a score of 8 to 4. The game was played on the Caster diamond and was witnessed by a fair-sized crowd. Company "K" by bunching their hits, was able to run up their big total. This outfit made its big killing in the second frame, when four runners dented the rubber. Holcomb started the frame by doubling to left, Murphy punctured the ozone, Wardell singled through first, Holcomb receding, the former then paroled second, Shelton was safe on Teely's error, Stiney also received a life wage, Manley dropped his easy host to left, Flatt then cleaning the sacks with a routing triple to center. The winning run was scored in the fourth round when Stiney singled, stole second and third, scoring when Teely arched on Hooper's punch towards the keystone basecock. With the exception of Mashaw's home run drive, Gees Company's markers were neglected after Shelton either hit or walked a batter, the necessary punch being there to score the man on the paths.

Stratton started the game for Company G, isboring on the slab for five innings, during which period Kay tribe counted six times and garnered five bingles. Mashaw relieved Stratton and was nixed for two runs and three as lettes. Shelton pitched a good game as far as paucity of base hits is concerned, but his usual control was lacking as is evidenced by the fact that six runners reached the initial station either by being hit or walked. In one inning Shelton either hit or walked the first three batters to face him and but one runner scored due to sock support. At that he might have escaped unscathed had not Stiney anticipated a quick return of a ball lifted back of second and mused up the play, Burns coming. Stiney, Wardell, Holcomb, De Vergies, Hopper and Stiney for Company K, and Boyle, Stratton, Mashaw, McDonald and Butta either started at bat or in the field for their respective teams. The score by innings:

K. Co. K. 0 4 1 1 0 0 2 x-3  
 G. Co. G. 0 0 0 0 1 1 0 1-4  
 Home run, Mashaw; three-base hit, Flatt; two-base hit, Holcomb; stolen bases, Wardell, Stiney 2, Mashaw, Roy; hit by pitcher, Roy 2, Burns; Holcomb; bases on balls, by Shelton 3; by Stratton 5; by Mashaw 1; passed ball, Murphy; Umpires, Sprague and Ford. Time of game, 1:45.

"I had stomach trouble so bad I could eat nothing but toast, fruit and hot water. Everything else soured and turned sour. Dieting did no good. I was miserable until I tried buckhorn bark, sarsaparilla, etc., as mixed in Adler's. ONE SPOONFUL benefited me INSTANTLY." ly ambled. Then Critchfield singled and En Sue walked. Chilly hit a long drive to right center which was good for two bases, but Gollah juggled it and Chilly came all the way home, making a total of five runs for the day.

Critchfield's double and an error, together with En Sue's sacrifice and "pull off" play, gave the Stars another run in the fourth. They scored two more in the sixth on hits by Critchfield, Chilly and En Sue. En Sue and Chilly hit in the eighth, giving them the last run of the day.

A walk to Gollah and a hard hit homer by W. Johnson gave the Wreckers two runs in the second inning. They did not score again until the sixth, when a walk and hits by the two Johnsons gave them two more. Kelly held them safe until the ninth, when they started to break up the game. Morgan was sent in during the second inning, after Jackson had failed to locate the plate. Fagin took Morgan's place after the injury and pitched a good brand of ball for a man who has done little hurling. The statistics compiled are as follows:

## TENNIS COURTS OPENED AT Y. M. ON VINEYARD ST.

Saturday afternoon four good matches fully initiated the new courts of the Nuuanu Y. M. C. A., Fort and Vineyard streets, an event which marks the beginning of the new branch's activities. A group of cosmopolitan players served up a good brand of the racquet game.

The schedule opened with M. Ogawa and J. Tanaka winning two straight games from Dr. S. Rhee and Ross Page. Mr. Ogawa and Mr. Tanaka worked well together and their success was due to team work. Mr. Page performed up to standard with his partner off form.

In a close game Philip C. Wong and Henry Hapai defeated M. Fukumachi and T. Kawasaki. Both teams showed real tennis at times and the sets would likely have gone to deuce but for a six game limit per set.

Wong Brothers Win

In a long match Chas. Wong and Philip C. Wong took the laurels from Rev. H. J. Song and A. E. Larimer. The Wong brothers won out at the finish on superior team work. During the first set, with Rev. Song serving, the count stood deuce 30 times before the receivers captured two consecutive serves.

By superior team work and consistent playing M. Uno and E. S. Ohye won a fast match from Dr. Williams and Dawson. The winners had the advantage of former playing together. Although the Drs. Williams-Dawson team were the older players they were handicapped by not knowing each other's style of play.

During the latter part of the afternoon several matches were enjoyed by a number of coming players.

The score in games:  
 M. Ogawa and J. Tanaka defeated Dr. S. Rhee and Ross Page, 6-3, 6-4.  
 Philip C. Wong and Henry Hapai defeated M. Fukumachi and T. Kawasaki, 6-5, 6-5.  
 Chas. Wong and Philip C. Wong defeated Rev. H. J. Song and A. E. Larimer, 6-2, 3-6, 6-4.  
 M. Uno and E. S. Ohye defeated Dr. R. D. Williams and Dr. Chas. Dawson, 6-2, 3-6, 6-2.

Between matches Dr. R. D. Williams gave a short discussion on the "Value of Tennis." He made a few suggestions to the boys, who will soon be using these excellent courts. He expressed the hope that many young men of Honolulu would take advantage of the opportunities for open air exercise such as the Nuuanu Young Men's Christian Association courts offer.

During the afternoon several games of volleyball were played by the members of the Chinese Young People's Oratorical Association.

### ELSASS LEAVING TOMORROW A. M.

At 8 o'clock tomorrow morning the ex-German merchant steamer Elsass will steam from Pier 6 for San Francisco direct, without calling at Hilo. Her orders were changed over Sunday by the Matson Navigation Company, to which the big freighter is under charter for the voyage to the coast.

The Elsass' master will be Capt. F. Ryer, who came here July 2 on the Sierra to take the Gouverneur Jaeschke to the coast. Capt. Peter Johnson, who was to have taken the Elsass, has been ordered to report for duty at Pearl Harbor to take command of the ex-German naval collier Locksun, now the U. S. S. Gulfport.

Thomas J. Heeney, U. S. Inspector at Hilo, has given the main boilers and engines of the Elsass thorough examinations and trials, and finds them all to have been put in first class condition. The big merchantman is now ready to steam for any port. She flies the American flag and is now the property of the U. S. Shipping Board.

Because of the change in her orders, the Elsass will take only 8000 tons of cargo to San Francisco, instead of the 11,000 which is her capacity. The cargo consists mostly of sugar, together with 1000 tons of canned pineapples.

With the exception of the change in captains, the list of officers will remain as before announced. A. C. Christensen is chief officer and W. I. Worrell, former chief of the light-house tender Columbine here, is chief engineer.

Capt. Ryer expects to return here from San Francisco to take the Gouverneur Jaeschke to the coast. He believes she will not be ready to go before the middle of August, although July 25 is the date the local inspectors of hulls and boilers have set for the completion of repairs.

### MANOA IS THREE DAYS LATE NOW

Three days late, the Matson liner Manoa will not arrive from San Francisco until Friday morning. She left the coast at 4 o'clock Friday afternoon.

Cable advices received this morning by Castle & Cook's shipping department say the Manoa has on board 5424 tons of cargo for Honolulu and 1845 tons for Kahului.

The steamer has been evidently unable to make up the three days' setback she sustained to her schedule by towing the ex-German freighter Pommer to San Francisco for repairs. It is thought here that she will not be able to leave again for San Francisco before July 19, although her schedule calls for her to steam for the coast July 17.

At 10 o'clock Wednesday morning the Matson flagship Maui will steam for San Francisco taking about 100 cabin passengers and a small number of steerage. Her cargo will be capacity, including 4100 tons of sugar, 800 tons of molasses, and 2500 tons of general cargo, including 50,000 cases of canned pines.

## CONTRACT BROKEN; CAPT. HELM SUES

The American-Hawaiian Steamship company was made the defendant yesterday in a suit for \$700,000 filed in the United States district court after the steamer Florida was chartered by the American-Hawaiian company February 25, 1916, by which the Florida was to be delivered to him at a San Francisco dock ready for loading, April 15, 1916.

On March 3, Helm avers, the contract was repudiated and the company refused to place the vessel at his disposal or to permit him to load any part of a cargo
