

Baseball Leagues Will Meet To Discuss Plans For Series

Oahu-Service and Pacifics Will Hold Meetings This Afternoon and Evening

There will be two baseball meetings today to discuss the local situation. This afternoon at 5 o'clock the members of the Oahu-Service and Honolulu Leagues will meet at the Star-Bulletin office to discuss the alignment of teams. The committee which met last week will report back to the league. The Pacific League will meet at the T. M. C. A. at 7 o'clock to draft a new schedule.

The Honolulu League teams have asked to be admitted into the Oahu-Service League, and the committee suggested that a 6-team league be organized to play at Mollili field and Athletic park. It was also suggested that seven teams enter a series, and six teams be selected from this number, the weakest team being dropped, or amalgamated with another club.

Six Teams Ready

As it stands now there are four strong teams in the Oahu-Service League, and one fast team in the Honolulu League. Given a little strength the Japanese team would also measure up with the others, and this would make a 6-club league. The 25th Infantry and 32nd Infantry teams

will be ready for play in a few weeks, and with the prospects of a mainland team coming here, the various teams would be ready for play.

Eddie Nell is anxious to hear from the Oahu-Service League managers as to what time they would want the mainlanders to come here, and this will perhaps be discussed this evening at the meeting. It is known that there are a number of good ball players on the coast at present, and it is possible that the mainlanders will come here within a few weeks.

Wants Report

In his last letter Nell said that he would return to San Francisco in the very near future, and would like to have a definite report to make to the baseball men there. It is thought that the necessary expenses could be raised for bringing the team here.

The Pacific League will start the second series with a stronger organization than at the beginning of the first series and a hot race is expected for honors. The St. Louis team is certain to have a hard time keeping in the front rank with the talent which has been gathered in the various organizations.

The league will frame the schedule for the second series at the meeting this evening. Arrangements will also be made for a big campaign for Saturday baseball.

Q. P. TEAM WINS FROM ATKINSON BASEBALL CLUB

A large number of Mrs. Waldron's boys journeyed down to the Oahu prison last Saturday afternoon and crossed bats with the O. P. team. They lost, but they played a fine uphill game all the way and made the O. P. players extend themselves all the time. S. W. Robley had charge of the boys and played for them. His says that next Saturday he is going back and even things up.

The final score was 14 to 8 in favor of the O. P., but at that, the O. P. team got but one more hit than the Atkinson Park boys and had these less errors and better fielding on the part of the Kakaako bunch, a different story may have been told.

Santos behind the bat and Kane at short played an excellent game and surprised everyone by their play. Olivera at first, led the Atkinson Park boys at bat and in this respect divided honors with Nevea, the right fielder of the O. P.'s.

Apau and Roberto did the hurrying for the O. P.'s, while Robley decorated the mound for the Kakaako squad. Fifteen hits were garnered from Robley's delivery while Apau and Roberto were touched up for 14.

Nine of the Robleys hopefuls struck out and 11 of the O. P.'s missed the third one, while four of the last named walked and six of the former were given free passes.

S. W. Robley said today: "About three regular ball players would give the Atkinson team a chance to meet than break even, but they will have to get a couple of fish before they can get anywhere with their ball team."

After the ball game the Chinese team from the Oriental association asayed to play the O. P. volleyball team and they were defeated, which is a nice kind way to put it, in three straight sets, but they got a lot of experience.

TEXAS PITCHER FAILS IN 20TH STRAIGHT GAME

DALLAS, Texas, July 11.—After winning nineteen consecutive games and trying the major league record, "Snipe" Conley, pitcher for the Dallas Texas League club, today met defeat by Waco, 8 to 3. Conley plainly showed the strain under which he was working, and it was two fumbles on bunts in the third inning that paved the way for the Waco lead, which Dallas could not overcome.

AYAU MAY PLAY WITH BILLINGS

Billings, Montana, will take over the Tacoma franchise of the Northwest League, and Great Falls, Montana, Brute and Spokane will continue as a four club league. Vernon Ayau is now with Tacoma and may go to Billings, although there has been talk of objection to Chinese players in Montana.

The Shipbuilding leagues in the Northwest are responsible for the smash in that circuit. They have been spending plenty of money for ball players and the interest in the league has been greater than that of the regularly organized circuit.

"SCHOFIELD DUST"

By FREDERICK FALMER
Sergt. Gauthier, the popular second baseman of C Battery, is slowly but surely recovering from his late operation.

C Battery won another game in the Horse Artillery League today, bringing themselves a few points within reach of the peerless Headquarters outfit. The end of the present week ought to see the finish of the great series.

The front page of the Star-Bulletin bore fine news for enlisted men of Lelehu today—that \$100,000 club for enlisted men to be built by Uncle Sam. Say, is that site on Kalakaua avenue anywhere near the beach? Whee, what fun and frolic!

BOBBY WALLACE GETS JOB WITH CARDINALS
ST. LOUIS, Mo., July 11.—"Bobby" Wallace, veteran shortstop of the St. Louis Americans and recently in the Western League, has been signed by President Rickard of the St. Louis Nationals and will be used as a utility infielder.

Doings on the Baseball Circuit

Ruger Giants established what is thought to be a new record on Sunday afternoon when the Giants made 29 assists. Cummings fanned very few batters. Altogether 24 assists were taken care of by the pitcher, second baseman, shortstop and third sacker.

Judd, of the All-Stars, played a rattling good game against the Ruger Giants at Mollili on Sunday. He secured three bingles out of six centers to the plate and handled three chances without a slip. The little centerfielder tied the score in their last half of the ninth when he slid home safe.

John Hall, a ball tosser of the Advertiser and the Healanis, will depart for the coast at 10 a. m. tomorrow morning. Hall will be a musician on the Matsun boat and intends making great ball for the Advertiser and only one trip and intends making Healanis and says that the first thing he will do when he arrives in San Francisco is take in several of the Pacific Coast league games.

Kauli of the Mutuals believes in timely hits and thinks bingles of this sort bring victory to the team. He displayed this in Sunday morning's contest against the Reach team. The sacks were filled when Kauli advanced to the plate. He then picked out one of Hollinger's shots and drove it over the centerfielder's head for a three bagger. This timely hit clinched the game for the telephone boys, taking the Reach team into camp by the score of 5-2.

The Pacific baseball team defeated the Kailihl Stars in a fast game on Sunday, 5 to 3. The score was tied until the eighth inning, when the Pacific secured three hits and two runs. Frank Martin, Wong and Lopes were the leading hitters.

The lineup of the teams were as follows:

The fans of the entire country are proud of "Hank" Gowdy. He is a manly man and everybody wishes the Texas well. The fans know that "Hank" will carry his part well in the big war.

Gowdy has led a picturesque career in the national game. He came from the Texas League to the Braves, unheralded, unknown. He was just one of the many recruits.

Again in the world's series that fall against the unbeatable Athletics "Hank" proved his real worth. He was far and away the big star of that decisive series won by the Braves.

It was "Hank's" individual batting which won the first game, and again in the third and decisive contest it

was his home run and two doubles that settled the fate of the Athletics.

Now "Hank" is batting for Uncle Sam. One more he is a raw recruit just breaking in, but he will make good. He will still pack the same old punch and the same fighting spirit.

If "Hank" comes back from "over there" it will be with a medal on his coat front. He's that kind. "Hank" will get the medal or there will be one more unmarked grave in "Navy Man's Land."

The wonderful interest in baseball outside of the two big circuits was amply demonstrated in the Delaware County League when more than 4000 spectators watched Upland defeat Chester on Saturday in a sensational 9th inning rally. The roster of players in the Weeks circuit contains enough stars to pick a combination that would compare favorably with the American and National Leagues. Among those drawing pay checks are Charlie Dooin, former manager of the Phils.; Stanley Baumgartner and, until a few days ago, Charles Albert Bender; Brisco Lord, famous with the Mack machine when it won two pennants; Markham and Lai Tin, of the Chinese university team; Howard Lohr, who was with Cincinnati and Cleveland; Ed Lafitte, formerly of the Federal League and Detroit Americans; Joe Knotts, a former Tristate catcher, and Tiny Turner, also of the same league; Spalding, of Olympic soccer games fame; Bill Eichen, a Southern League outfielder; Ted Baldwin, crack West Chester basketball player, and Rubie Cashman and Ally McWilliams, whose names in the baseball world are known wherever the sport is played. Other players in the league are equally well-known.

The Delaware County League is the organization with which "Home-Run" Baker became affiliated when he quit the Athletics, and is the only league in the history of baseball playing on Saturdays and holidays that was ever offered admission into the fold of organized baseball.

Among the fast games at Shafter played during the past week the following contests have been featured: L. Co. defeated E. Co. by a score of 12 to 11. I. Co. downed F. Co. 10 to 7, and K. Co. of the 2nd Infantry defeated K. Co. of the 32nd by a score of 8 to 3. The lineup of the teams follow:

Myrtle Juniors downed the Senators in a hot baseball game on Sunday morning by a score of 6 to 5. The losers will have to treat to the ice cream as a contract was signed before the teams took the field. Bryant and Perry were the leading hitters during the mix-up. Baseball players around the city are sympathetic with J Isaac Arcia, who was injured in an automobile accident on Saturday. Arcia has many friends among the ball players, and is one of the leading fans of the city. It is hoped that no serious injury will result from the effects of the accident.

J. O'DOWDA PASSED PHYSICAL EXAM. AT AVIATION SCHOOL

John O'Dowda, well known in Honolulu as a tennis player, oarsman and football player, has passed the physical examination for entrance into the aeroplane school of the University of California which will be opened up soon. This is the word received from O'Dowda by William A. Noble.

To enter the flying corps of the nation, "Johnny" O'Dowda left Honolulu about two weeks ago. He planned to enter the army if he failed to get admittance to the aeroplane service, but so far it looks as though he will succeed in his first quest.
