SMITH TALKS AT ARMY-NAVY 'Y'

Fred B. Smith's address at last night's continuation of the dedicatory exercises at the Army and Navy "Y" laid stress on the fact that the club building was not intended as a harbor for men who were too lazy to work, or too indifferent to make any proper use of their time. "On the contrary," said Mr. Smith, "this building is dedicated to the men of the army and navy who will know how to appreciate it. The Y. M. C. A. makes no promise to keep the men who are called to the colors clean, honest and sober, but it does promise, and this building is a monument to that promise, that no soldier or sailor can hereafter walk the streets of this city and say that nobody here has cared for his soul."

Most of the evening was given over to getting acquainted. Several musical selections were given and heartily applauded, among them being some songs by Mrs. G. K. Tackabury. Mr. Kilik of Company C, Fort Shafter, who was formerly director of the Strang Symphony company of Salt Lake City, played several violin numbers.

The guests were the members of the Honolulu Ad club, boards of directors and officers of the two "Y's" and contributors to the purchase fund of the Royal Hawaiian hotel for its present purpose. Refreshments were served.

PLANS PREPARED FOR NEW THEATER BUILDING

The modern playhouse to be built on the site of the old skating rink on Fort street is practically assured by Barton D. Slegman, who is fathering the proposition, and who, having disposed of the majority of the stock to prominent business men, proposes now to make a trip East to perfect his plans for the new building.

At present the plans, which are being prepared by Ripley & Davis, roughly outlined, are for a building having a frontage of 120 feet on Fort street, and running back 200 feet toward Nuuanu. A lane ten feet wide on the Ewa side of the building will provide an exit for the players, and also afford an opening through to Nuuanu avenue. The building will seat about 2200.

The auditorium floor will have on each side a foyer ten feet wide and 100 feet long, connecting with a palm garden in the rear of the building, where refreshments will be served. The old skating rink will be demolished but the improvements now on the ground that will be allowed to remain represent a saving of \$4,000. The new building will cost in the neighborhood of \$150,000.

A cablegram from his sister in Utah yesterday told J. F. Child of the death of his father, A. W. Child, last Sunday. The funeral will be on Wednesday. Mr. Child, Sr., was a resident of Montana.

Following the regular business of St. Andrew's Guild and Auxiliary at the meeting this afternoon in the Guild hall, Miss Martha Chickering, Pacific Coast field secretary for the immigration department of the Y. W. C. A., will address the ladies at 4:30 o'clock.

OPEN NOSTRILS! END A COLD OR CATARRH

How to Get Relief When Head and Nose Are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffing, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.—Adv.
