INSURANCE FIRMS OF GERMANY QUIT HAWAII BUSINESS

Although the recent decision of Secretary of the Treasury McAdoo requires that under the trading with the enemy law the business of all insurance companies incorporated in Germany is to be suspended, with the exception of life insurance companies, it will have no effect on Hawaii in this regard.

Four companies which had been operating in Hawaii up to the time war was declared with Germany last April, and a from the local field did not renew their licenses. It is a coincidence that the date for renewal came in April, the same month that war was declared.

At the territorial treasurer's office today it was stated that some of these companies which failed to renew their licenses had been operating in the territory since 1913.

Premiums in Hawaii during the year which ended on December 31, 1916, from these four German companies amounted to approximately \$65,000, as follows:

- Allianz-Berlin (marine), \$55,570.10.
- Magdeburg German (fire), \$785.10.
- Prussian National (fire), Stettin, Germany, \$1030.20.
- Hamburg-Bremen (fire), Hamburg, Germany, \$6784.42.

Pineapple Line Links Hawaii to Front In France

(By Associated Press)

SAN FRANCISCO, Nov. 26.—

There is a thin, constantly moving line of pineapples, strawberries, what broken, of course, strawberries from the heart of the Hawaii islands to the fighting men in France, shipping men here declare. The line will be maintained until Hawaii's bumper crop of pineapples has been disposed of.

The line is made up of a string of boats bringing the pineapples here, countless freight trains conveying them across the continent, another string of boats taking them across the submarine-studded Atlantic, and lines of trains and motor conveyances pushing them to the front.

On a recent day here 2,000 cases of canned pineapples were loaded on trains here for shipment east. Piers here are loaded high and shipments are constantly arriving and departing.

On December 6 the following explosives were stored in the Hilo magazine:

CHIROPRACTOR IS UNDER SCRUTINY

On the ground that he is "practising medicine without a license," a local chiropractor is to be investigated this afternoon by the territorial grand jury, according to an announcement made by City Attorney A. M. Brown, who is to present the case.

Several persons have been summoned to appear as witnesses, including Dr. J. S. B. Pratt, president, and other officials of the Board of Health. According to Attorney Brown, the charge against the local chiropractor was preferred by the Board of Health, it being alleged he is "practising medicine" without having taken the examinations required of medical men before they may secure a license to do business in the territory.

A bill providing for the licensing of chiropractors without their having taken the examinations required of medical men was introduced in the house in the last legislature but failed. According to City Attorney Brown this is the only case of its kind which has been called to the attention of the city attorney's office or the grand jury.

TRUSTEES ACT TODAY ON ROEHL RESIGNATION

A special meeting of the trustees of the Queen's hospital is being held this afternoon to consider the resignation of Supt. Werner Roehl, who gave notice of his intention to sever his connection with the institution following the announcement of a special committee of life members that it would recommend an investigation of the "German atmosphere" at the hospital. Roehl's resignation followed closely upon his exoneration by the special committee from charges preferred by Mrs. William Moe, formerly Miss Agnes Collins, who was superintendent of nurses, that the hospital has discriminated against the United States uniform and that it had furnished meals to officers and men from the Geier.

It is reported that Roehl has requested that his resignation be accepted, and a trustee said today that this course will probably be followed. The trustees this afternoon may also consider a successor to Roehl.
