AMERICANS STRIPPED AND BEATEN TO DEATH BY GERMANS AND TURKS. (By Associated Press) ALEXANDRIA, Egypt. -Refugees from Palestine report that the Turks, in cooperation with the Germans, are committing the most fearful atrocities on the Jewish colonies in Palestine. Last month all the leading men of the Jewish colony at Jaffa were accused of espionage and on false evidence or on confessions extorted by torture were convicted by a German court-martial and hanged with many members of their families, refugees declare. In order to extort confessions, it is added, many men and women, including some American citizens have been stripped and beaten in public, some so severely as to cause death. Workers at the Armstrong Cork Co. plant at Lancaster, Pa., tried to hang the foreman, Albert Sizenhauer, when he told them not to help in the work, as it was a war contract.

C.—Ignace Jan Paderewski is developing qualities as a military man that may give him greater fame than his music, in the opinion of officials of the war department with whom he conferred again concerning his Polish legion for the war upon Germany. The legion, formally approved by the government, already has taken substantial form and is now encamped on the Canadian side of the river at Niagara Falls to the number of 6000 well armed and equipped men. The force is being put through a course of intensive training by 200 young officers who have been given a primary military education in the United States and have received finishing training in Canada under veteran British and Canadian instructors. Paderewski is anxious to secure for his legion some of the highly trained and experienced Polish officers who have been serving with the Russian army. He saw Counselor Polk at the state department, and is understood to have sought aid from the state department in obtaining the services of these officers.
