FOREIGN NEWS

Boers Advancing on Cape Colony.

LONDON, Jan. 11.—“Five thousand Boers supposed to be trekking east from Vryburg,” says the Cape Town correspondent of the Daily Mail, “are now making their way into the heart of Cape Colony. The supposition is that they have captured several small garrisons along the way.”

LONDON, Jan. 11, 5 a. m.—The situation in South Africa grows worse rather than better. Lord Kitchener's dispatches are more laconic than those of Lord Roberts and little else of importance is allowed to come through.

The Danish Islands.

LONDON, Jan. 11.—A dispatch from Copenhagen to the Morning Post says the proposal to sell the Danish West Indies to the United States seems to have been definitely abandoned. The ratification of an economic treaty between Denmark and the United States affecting the islands is regarded as imminent.

Chinese Sign Joint Note.

PARIS, Jan. 10.—As a result of inquiries in authoritative quarters, the Associated Press is given the following statement in regard to the Chinese situation: “The Chinese plenipotentiaries signed the joint note yesterday, thus concluding the preliminary stage of the negotiations.”

Chinese Envoy.

LONDON, Jan. 9.—“Dr. Mumm von Schwartzstein, German minister to China, today communicated his wish,” says the Peking correspondent of the Times, wiring yesterday, “that Prince Chun Yu, younger brother of the Emperor Kwang Hsu, should be sent as the imperial envoy to Berlin. The Prince himself is leaving Peking and desires to undertake the mission. He is 17 years old. Prince Su has already assented to proceed to Berlin.”

Emperor May Return.

SHANGHAI, Jan. 9.—A newspaper of this city publishes a letter from Siao Fu announcing that the Emperor has fully determined to return to Peking to administer the reformed government. According to this letter, the Empress Dowager offers no opposition to the Emperor's determination.

Army Canteen Abolished.

WASHINGTON, Jan. 9.—The Senate today, by a decisive vote, concurred in the House provision relating to the abolition of the army canteen. Only 15 votes could be mustered in the Senate in favor of the canteen; 34 were cast against it.

Uncle Sam to Defend Panama.

WASHINGTON, Jan. 8.—There is reason to believe that the United States Government will adopt a vigorous line of action in case the city of Panama is attacked or there is any interruption of the transit facilities of the isthmus. According to a treaty arrangement with Columbia, the United States has been given a certain measure of protection over the peaceful conduct of traffic across the isthmus.
