DIED

POGUE--At Spreckelsville, (Camp 1) Maui, November 2, 1903, Edmond S., eldest son of Mr. and Mrs. W. F. Pogue, aged 22 years and 3 months.

The many friends of Mr. and Mrs. Pogue grieve with them over the loss of Eddie who was a bright and attractive young man, universally loved and esteemed by every one who knew him. Eddie has chosen his life work and was steadily pursuing it in San Francisco, when overwork and fatigue were followed by a severe cold which developed into consumption. He returned to Maui as soon as able, and made his home in Kula, where for a while it seemed that he would live down his trouble and regain his health. But the disease had gained too sure a hold on him, and for some time past his friends had realized that it was only a question of time until he would be taken from them.
