Claudine Here From The Coast.

HONOLULU, Oct. 25.—Looking as trim and fine as a yacht the steamer Claudine, the rejuvenated vessel of the Inter-Island Company, arrived at 12:30 o'clock today from San Francisco. The vessel returned from receiving a thorough overhauling. She left here July 1 and during practically all of that time has been in the ship yards. She was given new boilers and was rebuilt so far as the superstructure is concerned. Her upper deck is similar to that of the steamer Kinau. The vessel left San Francisco October 17 and, although this was later than any previous boat the mail was not put aboard her. Her time was 7 days, 21 hours and 57 minutes, including an hour's stop to repair a small pipe leading to one of the pumps. She has been fitted with bilge keels.

Captain Bennett who went up with the vessel returned in command of her. The families of a number of the officers of the boat returned on the vessel. The vessel has about 600 tons of freight for this port. She is to go on the Maui run.

Not Fighting For Oahu County.

HONOLULU, Oct. 25.—Governor Carter has written a letter to the Hilo Board of Trade on the income tax proposition. He refers to the case brought by Kauai county, to force collections of income taxes there instead of here, so that Kauai would get half instead of Oahu, and says that the Territorial attorney general did not appear in the case in behalf of the county of Oahu, but to defend the Territorial tax assessor, who was sued. The matter of apportioning the taxes to the different counties is one for the legislature, says the governor, and he concludes his letter as follows:

"Now, rightly or wrongly, Oahu had previously received the bulk of the income tax, and the representatives from Hawaii, Maui and Kauai who could have controlled the matter, so far as I am aware raised no objection to such method of proportioning the revenues. The proportion proposed was agreed upon and carried out, and now it appears that their constituents are dissatisfied.

"This does not surprise me, for not one of the islands would care to have the exactions or contributions taken from its wealth spent for the benefit of any other county. But instead of complaining against the Territory or its attitude of the matter, it would appear only fair that they should blame their own representatives.

"I have always endeavored to the best of my ability to act justly and fairly between the islands, and I hope that perhaps some day this will be realized and appreciated.

"Very sincerely yours,
"G. R. CARTER,
"Governor."

Atkinson's Mission East.

HONOLULU, Oct. 25.—For the purpose of investigating the immigration laws and the desires of immigrants landing at New York from Italy and elsewhere, Secretary of the Territory Atkinson will leave for the mainland next Friday on the S. S. Mongolia. He will go first to Los Angeles and afterwards go direct to Washington, D. C., where he will study the immigration problem at first hand with the government officials who are fully conversant with it.

He will also try and secure the approval of President Roosevelt to the issuance of bonds for a \$750,000 loan—an entirely new issue. This sum was finally decided upon by the Governor, reducing the proposition from \$1,377,000.

It is Secretary Atkinson's purpose to take up the immigration matters first on arrival at Washington and as soon as he has definite information he will cable here, and the Board will then proceed to actively engage in seeking immigrants.
