(Continued from page 1) years experience, was also present. Miss Wells comes from California and is visiting the islands on account of ill health.

After a song, which was creditably given by some of Miss M. B. Starbird's pupils, the minutes of the last meeting were read and approved. The following program was rendered:

Mr. Taylor, owing to the unavoidable absence of Mr. Kane, Principal of Kaupo School, read Mr. Kane's paper on "Discipline." This paper—Discipline in Schools, the Army, and Navy,—was followed by an animated discussion.

Miss E. Anderson gave a language lesson to which every one listened with the closest attention.

Another song by the class was followed by Mr. Taylor, Principal at Kipahulu, reading a very able paper on Bribery and Corruption in the U. S. Senate. The object of the paper being to show the influence dishonest men in Congress have upon the young men of America.

Recess was then taken until 1.30 P. M.

The afternoon session was opened by an instrumental duet. Mr. Kaumeheiva and Mr. Ah You taking part.

Mr. Ah You, Principal of Keanae, read a very interesting and well written paper on Chinese Immigration, holding that no restriction whatever should be placed upon the entry of Chinese in this Territory which created considerable discussion. Mr. Taylor and Miss Starbird taking the stand that no aliens that would not blend with the great American people should be admitted to these shores, altho agreeing with Mr. Ah You in regard to the honesty and industry of the Chinese as a race. Mr. Plunkett also took part in the discussion.

Miss Elizabeth Kaea and Mr. S. Kawaiiaea of Kaupo School sang a duet, in Hawaiian which was greatly appreciated by all present.

After this a general discussion took place about the disposition of the money realized from garden products or other industrial pursuits. Miss Starbird read a letter from Superintendent Babbit in regard to this subject. After vocal and instrumental selections in which all took part, the meeting adjourned.

The next meeting is to take place on Saturday June 9th. By order of the chairman.

To Beautify our Driveways.

About two years ago the Wailuku Improvement Association took up the scheme of working out a plan to get trees planted along such roads in the district as were in need of shade. W. J. Coelho was appointed a committee of one to have charge of the matter and after meeting all kinds of disappointments has finally succeeded in getting the County Board of Supervisors to authorize the planting of the same. As soon as this was done he secured over one thousand trees from the government nursery and has interested a number of individuals in the matter to the extent of getting them to plant out the same along the road and agree to care for them. This is the beginning of a work that will mean a transformation in the condition of our roads and will be more to make our island popular with the traveling public than any one thing that could be done.

Mr. Coelho informs us that David Haughs will soon be on Maui for the purpose of ascertaining the kind of trees, from personal inspection, that are best adapted to the needs of Maui.

The letter that came with the trees will be of interest to those who wish to see our roads made more pleasant and beautiful.

MAKAWAO NOTES.

Friday evening, the 4th, the monthly meeting of the Makawao Literary Society took place at the residence of Mr. and Mrs. D. B. Murdock of Paia. The following program was most entertaining:—

1. Piano Solo. Miss Ayres.
2. Vocal Solo. Mr. Bazuta.
3. Duet—"When ye gang awa Jamie" Miss Irene Crook and Mr. James Reed.
4. Piano Solo. Miss Sheffield.
5. Farce—arranged by Miss Steele from a recent novel on the subject of Christian science. Those taking part were Misses Freney, Heusner and Steele and Mr. Murdock.

Miss Crook and Mr. Reed were recalled and sang "No, Sir." The farce was highly amusing and Miss Freney who made her local debut showed much talent for amateur theatricals.

During the 7th the teachers of Makawao district and Sprecklesville met in the government school house at Makawao, seventeen of them being present. The program of the day's events was as follows:—

1. Song. "America."
2. Secretary's Report of last meeting Miss Fleming.
3. "Primary Geography"—Mr. Cockett.
4. "Drawing"—Miss Peck.
5. "Agriculture"—Mr. Wells Noon Intermission.
6. Song—"Columbia."
7. "Advanced Physiology"—Mr. Hardy.
8. "Fractions"—Mr. Crook.
9. Tardiness—Discussion.

The subject of agriculture seemed to awaken much interest. It was voted to recommend that the Atkinson souvenir fund which has never been made use of, be devoted to the purchase of a circulating library for Maui schools to be known as the Atkinson School Library and to be under the direction of the Maui Inspector of Schools. This resolution referred to the \$70. contributed by Maui teachers toward the total amount of \$300. It was decided that the next meeting which will occur in September be held at the Paia school and that the Wailuku district pedagogues be invited to attend.

County Sheriff's Work.

The County Sheriff of the County of Maui submitted his report to the County Supervisors last week which we herewith give.

Wailuku, County of Maui, Apr. 30, 1906. To the Honorable Board of Supervisors, County of Maui, T. H. Gentlemen:—I beg now to submit my report for the month ending April 30th, 1906. On the 4th inst. two new appointments were made to the force, L. Palea for the Wailuku District and D. K. Napuoa for Kahakuloa and

Honokohau. L. Palea has been used as a special to work on the che fa runners, and his pay roll has been made separate from the rest of the officers on this account, but he is now on regular Police duty.

The conduct of the Police force in general during the month has been good, there being no suspensions from the force for the entire island.

The Deputy Sheriffs have done their utmost toward carrying out and enforcing the law.

On the 18th instant six Chinese laundrymen were arrested for the violation of the regulation of the Board of Health in re Sprinkling of Laundered articles. These men plead guilty to the charge and were each fined in the sum of One Dollar.

As to agents to solicit laborers there is no doubt that these are in existence, but the evidence upon which conviction could be had is hard to obtain. It is generally known that the Japanese will very seldom give evidence against their own countrymen. We shall endeavor however to work up evidence against these people and prosecute the offenders.

During this month we have made twelve arrests of persons charged with being implicated in che fa. So far only three cases have been disposed of the result being that in one case a nolle prosequi was entered, while in the other two the defendants were convicted and sentenced to three months in jail to which the defendants took appeal.

Arrests made are as follows:—April 18th, Young Yuen, Nolle Prosequi; April 19th, Ah Fat, sentenced 3 months imprisonment, appealed; April 23, Ah Nin, sentenced 3 months imprisonment, appealed; April 23 d. Young Yuen, waiting trial; April 25, Lin Yau, Ho Sam, Ah Ho, Fong Wan and Cheng Fong; April 26th, Sing Wing, Ah Puna, and Henry Kahaooka, all waiting trial.

This Department will do its utmost to stop this evil, and beg to compliment Your Honorable Body for the assistance which you have rendered in the shape of the Ordinance which you have last passed. Through this Ordinance, the bars of the building known as the Ah Mi House in Kahului, in which the Paka Pio Bank held fort and now being used as the Che Fa Bank, have been taken down, as well as other barricaded houses in the place. This form of gambling, the native Hawaiians are very much interested in and greatly indulge in the same, and as a result, they will suffer loss of money and other things of value, which they sell just to procure money to play che fa with, therefore as I have above stated, we will do our very best toward stopping this game. Special Officer Luke Chan of Makawao has done great service in connection with the arrests above mentioned and deserves credit.

Wm. Reed and I, who were held for assault with a weapon, were on the 27th inst., both committed to the Jury by the District Court. The reason of the delay of arraignment was due to the detention of the complaining witness Manuel Enos in the Malakani Hospital, and was unable to leave his bed till the date of the trial aforementioned.

Another case of importance being a rape charge against one John Souza, whose case was continued by the Court, for trial, to this day thus causing his detention so long in Jail.

Upon request of Deputy Sheriff Edgar Morton, for telephone to be put in the houses of both Officers Chas. Molteno at Pauwela and Luke Chan at Kamaole, I recommend that they be put in.

Attached here are statements of Expenses of this Office and Coroner's Expenses, etc. during the month.

Report of Expenses of Sheriff's Department for month ending, April 30th, 1906.

Sup. Pris., \$79.00; Incdts., \$102.70; Exam. Insaue, \$40.00; Exp: Mdcl.

Attd., \$20.00; Police, \$1,443.50; Special, \$50.00. No Coroner's Inquest held during this month.

Old Bills sent in during this month:—Sup. Prs., \$10.00; Incdts., \$16.55; Ex. Insaue, \$20.00. Month of March, 1906. Sup. Prs., \$1.50. Month of February, 1906.

Coroner's Inquest field in Puunene, March 24th, 1906. Kinjo Sasada, 5 years, male Japanese, Exps. Jurors, \$12.00.

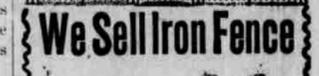

Lahaina bills for April, 1906, have not been received by this Office, therefore cannot be reported upon.

A. T. Bannister, one of the police officers of Moikoi, is sick in Honolulu at the present time, and I would recommend the appointment of one J. H. Napapa as his substitute for the time being.

I would recommend that you appropriate a secret fund for the purpose of the more effectively stamping out the game of che fa.
