

## Telegraph News of the Week.

### TERRIBLE FIGHTING RESUMED.

LONDON, November 6.—Germany now striking another mighty blow along entire front of Allies battle line in both France and Belgium. German forces being hurled against opponents with greatest violence. Fiercest encounters center about sharp bend in German line forming a triangle whose base is Dixemude and Apex Roulers. Struggle so deadly and forces so vast that only sheer weight of physical contact seems to avail. British and French reports contend that enemy's attacks are weakening, but German bulletins show no basis for such conclusion. Germany is sending forward forty new heavy guns against Arras, which seems main objective point of new attempt to blast way through Allies lines.

### RUSSIANS CLAIM GREATEST VICTORY.

PARIS, November 6.—Grand Duke Nicholas vices General Joffre that Russians have gained in East Prussia greatest victory since war began.

### RUSSIANS PUSHING INTO TURKEY.

PETROGRAD, November 6.—Four Russian army corps have invaded Armenia and claim to have captured several Turkish regiments. England's share in campaign will be largely naval until Turks invade Egypt.

### FRANCE SEES NO CHANGE.

PARIS, November 6.—No material changes taking place anywhere in battle zone. Fighting between Dixemude and river Lys continues but no important developments observable.

### TSINGTAU FALLS AT LAST.

TOKIO, November 7.—Tsingtau has fallen, after stubborn resistance by Germans since September 22. Japanese and British now in possession. Fate of whole city settled when attacking force broke through line of defense at midnight Friday. Entire city is in flames. Aeroplanes assisted in destruction of German line of defenses by dropping bombs. Japanese list of casualties, killed and wounded, 1178.

### ALLIES CLAIM GENERAL PROGRESS.

LONDON, November 7.—Reports from France and Belgium are encouraging. General offensive resumed yesterday, and Germans were put upon defensive along lines Nieuport and Kerdim. Advices from Holland say Germans retreat before Belgians and British.

Conditions on Yser have become general, with Allies advancing south and east of Ypres. French gaining ground. Are working north of Lille. Attacks by Germans show less vigor. Have abandoned attempt to force passage of Yser. Have abandoned positions north of river and are retreating eastward.

Belgians have crossed river and are holding positions.

French have retaken Souper, east of Vaillay.

German attacks in Argonne district continue without results.

### GERMANS MAKE CLAIMS ALSO.

Germans claim to have made some progress, northwest of Ypres. Have gained ground at La Basse, north of Arras, and in Argonne district. Have captured important positions south-east of St. Mihiel.

### GERMAN STEAMER SUNK BY MINE.

COPENHAGEN, November 7.—Submarine mine, supposed to have been placed by Germans, yesterday destroyed large German steamer, south of Danish Island. Number of crew lost.

### PROTEST AGAINST CLOSING SEA.

STOCKHOLM, November 7.—Sweden will protest against closing of North Sea to navigation and commerce, and mining those waters.

### JAPAN SAYS WILL SURRENDER TSINGTAU.

TOKIO, November 7.—Japanese pay unstinted praise to Germans for hard fighting at Tsingtau. While war continues Japanese officials will administer government in Tsingtau. Afterwards Japan will open negotiations with China looking toward turning over Kiauchau and German territory to Chinese government. The actual siege of Tsingtau lasted three weeks.

### FIERCE FIGHTING ALONG SAN.

PETROGRAD, November 7.—Fierce combat has been taking place along river San and south of Przemysl, resulting in general Austrian retreat, beginning November 3. On preceding night Austrians made last effort to break Russian advance.

### THINK GERMANS ARE FALLING BACK.

HAVRE, November 7.—Belgian officials announce today no change along river Yser. Russian successes seem to have resulted in retreat of Germans in Belgium. Thousands of Germans were seen marching from Bruges to Ghent.

### GERMANS CLAIM SUCCESSES.

BERLIN, November 7.—Three divisions of Russian cavalry have crossed Wartje, above Kola, and have been defeated and pushed back. Across river, south of Ypres, attacks have progressed favorably. Have captured 1000 French soldiers and three machine guns.

### MERCHANTMAN ALSO INTERNED.

Steamer Locksun, refugee under guise of merchantman, was declared a naval tender under instructions from Washington, and interned at same time.

### REPORTS VERY CONTRADICTORY.

LONDON, November 9.—Reports of situation in East Prussia, Poland, and Galicia, from Russian, and German and Austrian sources, are utterly at variance. Official announcements from Vienna and Berlin say Russians everywhere defeated or pressed back. Russian official reports indicate continual progress and that German invasion of Poland has ended in defeat. Continuing accounts of routing German invaders in Poland, Petrograd announced yesterday: "Our Cavalry penetrated German territory on left bank of Vistula. Has damaged railway northwest of Calaisz on eastern frontier. Has dislodged Germans in region of Wirballen, pressing them back along line of San River. We have captured 125 officers and 12,000 soldiers." Reports from various places indicate British and Russian attacking Turks in frontier towns, and outposts.

Turkey coming near war with Greece.

### SERVIA BEING OVERWHELMED.

VIENNA, November 9.—Despite Servian resistance, all entrenchments near Kroupani were taken at five o'clock. Position Kostajnik, which enemy believed unconquerable was taken by storm.

### SAY GERMANS LOST HEAVILY.

LONDON, November 9.—Battle both in east and west of France, Germans with their Austrian artillery have fallen back on defenses. Have abandoned for present desperate attack to break through Allies lines, around Ypres, where Germans sacrificed tremendous number of men. On account of heavy fog yesterday, total cessation of fighting in Belgium.

"Number of prisoners in German camps 430,000, among them 192,000 French, 190,000 Russians, remainder Belgians and British, not counting those interned in Holland."

### MANY FIGHTS ON TURKISH BORDER.

LONDON, November 10.—Dispatches from Amsterdam say Constantinople reports officially bombardment of Koslov in Russia. Also that portion of Russian fleet was shelled but vessels made escape.

Berlin reports Turkish fleet bombarded Poti, fortified Russian seaport in Trans-Caucasia, doing great damage.

Turkish troops annihilated British marine detachment which occupied Akabah on Sinai peninsula. Four British cruisers have withdrawn, one remaining. Petrograd reports that two Turkish divisions with field pieces and Turkish artillery, attempted flanking movement towards Hassan Kalah hills. When it became apparent Russian artillery began and maintained a vigorous artillery fire which broke left wing of Turk's army. Whole front followed into rough country.

Turkish treasury is empty. German financial advances exhausted. Employees unpaid several months.

### ASQUITH PREDICTS RESULTS OF WAR.

LONDON, November 10.—At Lord Mayor's banquet last night, Asquith said England would not sheath the sword until Belgium has recovered more than she has lost, France is secure against German menace, and the four nationalities are placed upon an unassailable foundation, and militarism and Prussia destroyed. Intense enthusiasm followed his remarks.

Dispatches received say advance patrols of Belgians have penetrated Ostend and Ypres. Everything had been razed by recent terrific fighting between Dixemude and Lys. French have progressed along major portion of line.

Berlin official announcement says sortie by enemy failed. On Ypres are progressing.

### STEAMER BURNS AND IS BEACHED.
