

Big List Of Horses Insures Fine Sport

Welcome Boy Will Again Race Denervo
—Horses That Will Contest, Interest In Cowboy Sports

Between 25 and 30 horses will take part in the Fourth of July races at Kahului, next Tuesday. When the lists closed last Saturday evening all ten races on the card had been filled with from 3 to 5 entries except the first, and in this Tom Hollinger's Welcome Boy is once more going to try conclusions with Denervo. The race will be the same kind as the various previous ones between these two horses—mile heats, best 3 in 5. The purse for this race is \$250.00, sweepstakes \$100.00 added.

The week has been a busy one on the local track. About all the horses from Honolulu are now here. R. W. Shingle's Umpqua, Mrs. Walter Dillingham's Ononta, and Welcome Boy arriving last Tuesday morning. They are said to have had a bad shaking-up in the rough trip, but appear to have come through without damage.

No Saloon Closing For Fourth This Year

The license board at its meeting yesterday voted down a motion to have saloons in Wailuku and Kahului closed between 9 a. m. and 4 p. m. on the Fourth of July. Case and Lindsay favoring it, Lufkin and Kaee opposing, and Chairman Ben Lyons supporting the negatives. The result will be that contrary to the usual custom, liquor will be sold the same on next Tuesday as on any other day.

Molokai Choir Goes To Defend Banner In Hilo

Between 80 and 90 delegates to the big Hawaiian Evangelical conference in Hilo, left Maui from Lahaina on Wednesday night by the Mauna Kea. They were joined at Lahaina by the delegation of about 40 from Molokai. The conference exercises began on Thursday, and will continue most of next week.

Perhaps the biggest interest of most of the delegates from all parts of the territory centers in the two song contests between choirs of the different islands. For the past 2 years Molokai has held the Kate Atherton banner for putting forward the best choir, and if Molokai can win she will claim the trophy permanently. However, other choruses have been training hard, and the results of the contest can only be guessed at before it is over. Oahu is this year represented by the splendid choir of Kaunakapili church. The big contest takes place next Thursday night. This year the Sunday school association and the Christian Endeavor societies will have another contest by their singers, on Tuesday night. This will be a new feature of the conference.

If you want to see a good selection of household articles, including Hawaiian mats, etc. then do not forget to call at the baseball grounds on July 3rd and 4th during the progress of the Carnival.

Everything Ready For The Big Show

Baseball Grounds Transformed—Big Line Of Wonderful Animals On Hand—Police Asked To Assist

The Big Carnival will open with a bang next Monday afternoon at 4:00 P. M. at the baseball grounds in Wailuku, and will keep up until midnight, and possibly a little later. A street parade of horrors, such as has never been seen on Maui will precede the big event. The Zoo will be opened at about 2 o'clock to allow the animals to roam about Kahului and Wailuku, but the management of the Carnival has given the police assurance that the lion, bears and wild animals will be kept caged up. Maui has never seen so many weird animals together at any time.

The gates at the grounds will be thrown open at four o'clock. The decoration committee, headed by Sheriff Crowell, will leave nothing undone to show the visitors a symphony in color arranged to match the different booths. The "House of Fun" is complete, and a vaudeville extravaganza has been prepared which will be well worth the money. This will be a sort of continuous performance.

There will be bands and music galore, the electric illuminations will be grand, and gay costumes will abound. Some of the best talent on Maui has been engaged for the Splelers' Union, and between this, fireworks and the circus tent, there should not be a dull moment for the affair.

The dance pavilion is already in place. This will be in charge of Miss Mary Hoffman, and her orchestra will furnish music well suited to the occasion. Ice-cream, coffee and lemonade booths will be close by. Charles Lake, chairman of the luau committee, says he will have something unique, particularly attractive to the stranger within our gates. It is not generally known that even in an affair of this kind, sometimes a pawn-shop is a necessity, so it has been arranged that the familiar three-ball sign shall be prominent.

The Hawaiian and Portuguese booths will be typical of the nations they represent, while the flower, candy and fancy booth will be tastefully decorated to suit. A zobo band has also been engaged to furnish some of the music, in case the regular music is unable to stand the strain. Augustine Pombio is ring-master of the Circus, and will lead his band of wild animals through the streets.

When the Carnival closes at about midnight Monday, it will do so only temporarily, as the grounds will again be thrown open on Tuesday, July 4th, at 6 P. M., when new vaudeville numbers, etc. will be in order. The object of the carnival is for the improvement of the St. Anthony's Church, and the committee hopes for liberal patronage. The principal stores have consented to close during the progress of the carnival, allowing their employees opportunity to enjoy the fun as well as others.

Memories Awakened By Passing Of Old Church

June 25th was a memorable day at the Malawao Union Church of Paia, because it was the last Sunday during which religious services were to be held previous to the dismantling of the building. The exercises were especially marked by a beautiful solo by Mrs. Jones, and an interesting sermon of a semi-historical nature, entitled—"The Passing of the Old Church," by Rev. A. C. Bowdish.

The first building of the church was a small wooden structure at Makawao on the site now occupied by the cemetery. The change of location was made to the present situation for two reasons, first because of the shifting of the center of the district's population and second because the present position marks the place where the late Mr. H. P. Baldwin nearly lost his life.

The present church was dedicated on Sunday, March 10th, 1889 in the presence of a congregation of one hundred and fifty people; the ceremonies of the day being in charge of the pastor Rev. Thomas Gulick assisted by Rev. S. E. Bishop, Rev. Wm. Oleson, and Rev. Mr. Morris.

Some of the better known ministers of the church have been Rev. Mr. Rouse who was the first pastor in the first church at Makawao; Rev. Thomas Gulick who ministered in both churches and who died of fever in Africa while on a hunting trip with the late Samuel T. Alexander; Rev. Dr. Edward G. Beckwith, Rev. Mr. Turner, and Rev. A. C. Bowdish who has been in charge for the past four years.

During the present week the organ will be removed to its new location in the Kahului Union Church. Then the memorial windows will be carefully taken out and the general demolition of the building will follow. It is thought that divine worship will be continued in the Community House for at least a year before the completion of the new edifice. The new structure will be of lava stone, stone and cement.

Maui Girls Win In Three Great Games

Fastest Basket Ball Ever Played In Local Gym. — Visitors Royally Entertained

The big crowd at the Alexander House Gymnasium last night went wild with excitement and enthusiasm over the third and final game with the Palama basket ball team. When the final basket was thrown by the locals, making the score 21 to 20 in their favor, pandemonium broke loose. It has been a great week for the Wailuku gym, and the winning of three straight and terrifically fought games will be long remembered in the Settlement annals.

The first game, played on Tuesday evening, resulted in a score of 45 to 15, some of this discrepancy doubtless being due to the fact that the visiting team had had a trying time on the Claudine the night before. The game on Wednesday night, however, with its score of 26 to 25, was probably one of the closest played games ever seen in the Islands. From the start the score sawsawed back and forth, and it was anybody's game right up to the last second. At no time was the lead more than 4 points for either side.

The game played last night, which was not required, was one of much the same character. For several years the Honolulu girls have consistently taken all the games that have been played with the Maui team, and consequently the success at this time is especially gratifying.

The visitors' team consists of the following: forwards, Lizzie Ianna, Lizzie Akuna; guards, Mary Luhau, Lillian Biart; centers, Lehu Alunahelo, Hannah Li Kwa; substitute, Elizabeth Spencer; coach, Miss Evelyn Cunningham.

The Alexander House girls lined up as follows: forwards, Mary Hoffman, Tweed Robinson; guards, Mary Hart, Helen Ayau; centers, Mrs. A. Garcia, Ella Bai; substitute, Katie Adams.

Both teams have been having a glorious time with parties, dinners, and auto trips. Following the game last night a very delightful dance was much enjoyed at the Gym. Yesterday the girls were entertained at lunch by D. C. Lindsay, at his home in Paia, and in the evening at dinner by Mr. and Mrs. Mathews of Wailuku. Today they have enjoyed a beach party at Wahee. The Honolulu girls will leave by way of Lahaina for home by the Mauna Kea, tonight.

Saloon Applications To Get New Hearing

The board of license commissioners will grant a re-hearing of the applications of L. Y. Aiona, of Hana, and A. Garcia, of Wailuku, each for second class saloon licenses, on Thursday, July 13, at 10 o'clock, a. m., in the Wailuku Town Hall. This was formally decided upon at a meeting of the board held yesterday morning. Both Aiona and Garcia had their applications refused at the meeting on June 19.

The Hana saloon man has filed a petition under oath alleging that he was unable to be present at the regular hearing, and that some of the parties who filed protests against him were originally signers of his petition for a license. Garcia claims there were no protests against his proposed saloon, and that the failure of his application was due to a misunderstanding. Notices are to be sent of the re-hearing to all of the protestants against both of these licenses at the first hearing.

DITCHMAN KILLED BY FALL.

Moriyama Juzo, a Japanese irrigation ditch tender employed by the Hawaiian Commercial & Sugar Company at the Ah Fong camp, Punene, was almost instantly killed last Saturday when he fell into the ditch as he was carrying a barrel. In the fall his head struck a rock, fracturing the base of the skull. The dead man was 28 years of age, and single.

First High School Class Is Graduated

Pretty Exercises As Five Of Maui's Young Students Receive Diplomas—All To Continue Studies

The Commencement exercises of the first graduating class of the Maui High School were held on Friday night, June 23rd at the Pala Community House, Paia. The exercises began at eight o'clock with the opening chorus, "A Spring Song" by the members of the school. The following essays were given in the order named: "Legends of Hawaii" by Miss Annie Titcomb Walker; "The Twentieth Century Newspaper" by Miss Dorothy Colville Lindsay; "Air Castles", by Rita Iolani Rosecrans.

The school chorus then rendered "Hail, The Glorious Dawn" arranged from Lucia di Lammermoor, and the "Nursery Rhyme Suite". This was followed by an oration by Herbert Sessions Wells on "The Kaiser and his Uebermensch". The "Class History" which was also the prophecy as it pretended to be an account written 15 years hence, was read by Miss Olive Douglas Lindsay.

Rev. A. C. Bowdish then gave a short, interesting address, after which the diplomas were presented by Supervising Principal Wm. McCluskey.

The following received diplomas. College Course—Dorothy Lindsay, Rita Rosecrans, Annie Walker, Herbert Wells. General Course—Olive Lindsay.

Mr. Herbert Wells then brought from his hiding place a beautiful silver loving cup which he presented to the school as a gift from the class. According to the conditions of the gift it was to be engraved each year with the name and class of the pupil of the Maui High School who obtains the highest average in his studies. If any pupil has an average of at least one percent higher than any other the full name was to be engraved, but if the marks of the high rank pupils are so close that only fractions of one percent separate them, the initials of the two highest are to be engraved.

Principal W. S. Beeman accepted the gift for the school and later announced the names of the pupils who had the highest rank in their respective classes, as follows: Seniors, Herbert Wells, 94.5 percent; Juniors, Constance Rose, 92.2 percent; Sophomores, Oishi Crockett, 91.8 percent; Freshmen, Scott Nicoll, 92.5 percent. Therefore the initials of Constance Rose and Scott Nicoll will be the first ones to be engraved on the 1916 Scholarship Cup.

After the closing song, "Ere Forth From These Loved Halls", the graduates were presented with armfuls of flowers by their friends. The hall was very tastefully decorated in the class colors red and white. The ushers were Crayton Sauer, Jack Walker, Sanford Walker and Walter Murdoch. The large audience filled the hall and the speakers received well deserved applause.

All the members of the class are planning to attend higher institutions of learning on the Coast next year. Mr. Wells goes to Stanford University; Miss Rosecrans and Miss Walker enter the University of California; Miss Olive Lindsay is going to Dana Hall and Miss Dorothy Lindsay to Wellesley College, Wellesley Mass.
