

With the Alert Boy Scouts of Maui

Do a Good Turn Daily

This is getting to be a familiar saying on Maui, and the commissioner's car is spreading the gospel far and wide.

On Wednesday, May 4th, Miss Leonard of the Girl Scouts, and Scouts John Fernandez and Jacintho Estrella of Troop 6, at Makawao were in the scout car with the commissioner, on their way to visit the scouts at Kula.

On the way up the mountain we found Mrs. F. Baldwin and Mrs. Campbell of Puunene in distress. Their car had become stalled and could not be started. The commissioner and scouts fell down badly when it came to starting the car. Nothing doing. They were not able live up to "Be Prepared" in this instance. When it was found that the car could not be started, Scout Estrella stayed with the stalled machine, and the commissioner took Mrs. Baldwin and Mrs. Campbell to the Baldwin mountain home, where they telephoned for help. Later Scout Estrella was brought to Kula by the Baldwin chauffeur.

After the troop meeting at Kula on the home trip, about half way down the mountain, the "Be Prepared" car found a new gasoline tank with about 10 gallons of gas. The tank was tied on the running board and then began a race to find the car that belonged to the tank. Clear to Makawao and no car with a missing tank. Some car that could make that distance without gas. Whose car was it? Inquiry along the road showed that Ed Walsh of Puunene had passed along just before the scout car. Hence the tank must be his. To shorten the story, it was, but you will have to ask Ed how he ran his car that distance without gas. The commissioner and scouts are still mystified. Thus ends the story of the Good Turns.

The commissioner is a very much disappointed man. Just as he had made up his mind that he was to have an operation on Monday last, he was informed by Doctor Webb of Lahaina that it could not take place until Friday the 13th. He evidently thought that Pop would back down on the Friday 13th proposition. Nothing doing, the operation comes off on that date.

W. H. Hutton, Scout Commissioner B. S. A. Alexander House Settlement, Wailuku, Maui, Hawaii.

My dear Mr. Hutton: Your letter to Mr. Barclay with reference to a Mounted Troop of scouts has been turned over to me for use in connection with Scouting.

Please send me all the details and pictures which you have concerning this troop so that we may make definite use of them in "Boy's Life and Scouting."

Very sincerely yours,
BOY SCOUTS OF AMERICA

Glass, glass, glass, plenty of it these days along the Maui roads. Last week the scout car stopped four times to sweep glass off the roads just below Spreckelsville. Headlights and bottles. Some steps should be taken so that people who have accidents

along the road should see to it that the broken glass is not left on the road. What do you say Auto Club?

That's the stuff, Maui no ka oi. A real genuine mounted troop on Maui. Wait till you see these young dare-devil Bronco Busters at the Territorial Fair. You'll have your eyes opened all right.

Last Sunday was a big day at Makawao. Starting at 10 a. m. the scouts in full uniform, some hiking, some on horses, some in the scout car went to the big pool near Makawao and had a fine plunge in the cool waters. Mendoza of Troop No. 3, Wailuku stumped the Bronco Busters by jumping from one of the high cliffs into the pool. But then the Bronco Busters usually use wings when they go in swimming. They are not at home in the water. A number of photos were taken by Pop for the Boy's Life and then back to the school house. Water-boiling contests followed and then for the scout pace. The following passed in the scout pace.

Scouts, Antone Apo, Jacintho Estrella, John Fernandez, Albert Pacheco, Louis Walwaiole, Joe Paiva, Sam Lono.

Monday night was full of pep and go. After the usual business meeting the troop adjourned to the lawn in front of the school house and practiced the lifts and carries in troop formation. All squads carrying in unison. This was a dandy test and the troop certainly did good work considering it was their first attempt. The Makawao Tom Boys are still hanging round our scout meetings. But then, they are good bunch and are as much interested as the scouts themselves. A number of the parents of the scouts were also present. This is a good sign. Come often mothers and fathers, we want you to see what your sons are doing.

Swimming Teams

Hello scouts, how's those relay teams coming on? Practice day at Puunene tank is Tuesday and Wednesday afternoon and night. No one showed up last Tuesday. Are you in the swim? Get busy scouts. There are plenty of good swimmers in the troops and Lahaina, Paia, Puunene and Wailuku should make a good showing. Say Spreckelsville, can't you get a team in the swim?

Memorial Day

There is to be no set program for Memorial Day, so the scouts of Troop No. 3 at Wailuku will call at the cemeteries in Wailuku and put flowers on the graves. The troop will be in full uniform and meet at the Gym in the forenoon. The scouts will then divide into two or three squads and proceed to the Catholic, Protestant and Japanese cemeteries where they will simply place a few flowers on the graves. The public is asked to assist the scouts by kindly giving them flowers when they request same. Just a scouts simple Good Turn.

Luau

At the big luau to take place at the Fair Grounds on June 11 the scouts will participate. They will have a surprise for the public. Watch for it. They will also do their Good Turn by assisting in every way possible to make the affair a success. Help the unfortunate homeless orphans of Maui.

Paia Meets

The Paia Boy Scouts had their regular business Scout meeting in the Paia kindergarten. Mr. Lee, our scoutmaster, drilled us for a few minutes. Mr. Hutton came to the meeting and taught us some things in the second class line. We had lots of fun in the things he taught us, and we were interested in them, too. Mr. Hutton then gave us an idea about motion picture acting by showing us five different characters with masks. We enjoyed the meeting very much.
JOHN ANDRADE, Scribe.

Troop No. 6

The Makawao Boy Scouts are doing very well. Sunday we had the water-boiling test. Albert Pacheco made it in 3.45. Mr. and Mrs. T. K. Smith and Mr. and Mrs. H. A. Baldwin came to see the Makawao Boy Scouts. "Pop" taught us how to lift people who cannot walk last Monday. Then we gave the Scout yells and we were dismissed.
From your Scout,
JNO. PAIVA,
Troop No. 6.

West Maui Scout News

This is "First Aid Week" with Troop V of Lahaina. The Scouts are having a contest to see who will explain the first principles of first aid to the largest number of people. The rules are simple, each Scout being required to explain the proper use and placing of a tourniquet and the simpler bandages.

The work is having the hearty support of the doctors of Lahaina and the plantation management, as it is believed that it will help to diminish the serious results of cuts from cane knives and accidents from the machinery in the mill.

The judges in the contest are Dr. George Webb of the Pioneer Hospital, and Scoutmaster Douglas.

At this time the contest seems to be largely a race between George DeMello and George Leong, both pupils of Kamehameha III School, but there are dark horses in the field who may hand everybody a surprise.

Troop 5, Lahaina

Troop was assembled by Senior

With Maui's Girl Scouts

We never did believe in rumors anyway—just to prove how inaccurate they may be, let's check up on some of those we heard last week.

Paia

The amount earned by the Bougainvillea troop, April 30th was \$24.00 instead of \$21.00 and now we know how they did it. The baskets were made in school and in one scout meeting, the growers came from Kula—pansies, sweet peas and other delectable things—and the May baskets were sold in the Paia store and in Kahului by ambitious scouts and a loyal captain and lieutenant.

Puukohli

The American Beauty Rose troop never did go on a hike at all, although they had planned one—a dangerous one down into a steep gulch and they were all going to carry bags to fill with mangoes. But, a more attractive proposition presented itself for that particular Friday—that of going to Lahaina to the May day fete. Sixteen hopped on the huge plantation truck and had a nice outing without mishap, with Mrs. Shaw, their captain as chaperone. This troop is going to have unusually good looking crests because Miss Norgaard, who is expert in embroidering, is teaching them how. They got a good start last week.

Kula

The Calla Lily troop never said they were ready for tenderfoot examinations! They will be, though, in two weeks, if they keep up their present rate of speed. With Miss Ah Sam's help they certainly can conduct an orderly yet peppy meeting and it is a big troop too—25 members at the

Leader at 7:30 p. m., on May 4 at Scout Hall, Lahaina, Armory. "March In." Reception of scout commissioner, scoutmaster, and national colors. Pledge of allegiance to the flag.

Roll-call disclosed 28 present, one on furlough, none absent. At roll-call the scouts reported the number of persons to whom they had explained the uses of the tourniquet and the first lessons in "First aid." Scout George DeMello led with 21 persons and Scout George Leong stood second with 15. The first prize, a scout knife was awarded to Scout DeMello and the second, a scout cup, to Scout Leong. The scout commissioner made the presentation. Minutes of previous meeting approved as read.

Candidate Cano who joined at the meeting of April 28 was assigned to Scout Yamamoto for instruction instead of to Scout Yasahuru.

Scouts Miyazaki and Kobayashi announced that they had candidate present for the approval of the troop. There being no objection, Candidates Fujiwara and Ichimura were accepted on probation.

Patrol leaders then took charge of their patrols and marched them to the main hall and formed them for "First Aid" drill which lasted 15 minutes and was highly praised by the scout commissioner.

Scoutmaster Douglas gave the second class tests in signalling. Owing to shortness of time it was impossible to examine all but there were 19 who passed, most of whom are ready for the first class test in that subject.

Senior Patrol Leader Takatsuka passed test 12 on the first class test. Announcement was made of examination in thrift at the next meeting by Mr. Frank Lufkin of the Lahaina District Council and the meeting adjourned.

E. YASUHURA,
Troop Scribe.

The names of scouts passing second class in signalling to May 5 are Veichi Kobayashi, George Leong, Takao Miyazaka, Isami Yamada, Soichi Hamai, Saburo Tanoe, Masaru Fujimoto, Mato Minini, Isami Fujukawa, Haru Kato, Kazuo Okito, Masato Onishi, Masumi Manriki, Kikichi Takatsuka, Masaki Miyabara, E. Yasuhara, Saichi Takatsuka, Minoru Tsuda, Tokio Ota.

Passed test 12, of the first class requirements.

Saichi Takatsuka, senior patrol leader.

Scouts passing test in scout's pace, second class to May 10, are Wai Tong Chong, 12.10; Charles Apo, 12.06; Isami Fujukawa, 11.48; Saichi Takatsuka 12.13; Eltaro Yasuhara, 12.04; Shigeo Yamamoto, 11.59; Minoru Tsuda, 11.49; Masaru Fujimoto, 11.59; George De Mello, 11.46.

Troop III.

The meeting was called to order by Scoutmaster Crockett Tuesday evening at 7:30 o'clock. Though the meeting night was Monday, it had been postponed until Tuesday. Attendance of twenty-six scouts was noted. Eight scouts were excused because of not receiving any notice.

Business followed with the election of Scout A. Kaumeheua as Scribe. Scout G. Hotta was elected patrol leader for the Pine Tree Patrol.

Scoutmaster Crockett presented tenderfoot pins to Scouts N. Koito, A. Wilson, K. Sing, B. Do Rego and G. Moura, while the troop stood at attention.

Scout Commissioner Hutton was present and spoke to the scouts about the luau to be held at the Fair Ground on June 11. He presented Scouts A. Kaumeheua and S. Takemoto with second class badges, while the troop gave a rousing scout cheer for the first second-class scouts on Maui.

The scouts went through the drill of lifting an injured person by four methods under the close supervision of the commissioner.

Adjournment was taken at 9:30 o'clock.

present time and for the last three weeks they have had 100 percent attendance.

It's no hardship at all to visit the Calla Lily troop even though it is a hard climb, because one receives such a warm welcome and comes home laden with presents. This week it was a huge bouquet of white violets and a good supply of beans from the school garden.

Kahului

At least one of last week's rumors was well founded—I guess the Narcissus troop always does what it plans to do—a very good reputation to have. A visitor, dropping in at the Kahului beach house Saturday afternoon found the Narcissus troop picking flowers at a great rate. The fire was still smoldering at the corner of the house and a few stubborn potatoes were still in the fire. They had been for a swim and looked very much refreshed, yet they weren't sorry to ride home, for if you remember, Saturday was a hot day.

Advance Information

Spreckelsville

Just to let you in on the inside, the Carnation troop will tell you their plans for this week end. This troop is the first one to be registered so they have been planning on a celebration in honor of the event for some time. Friday afternoon they're going to set out on bicycles and other vehicles for the Kahului beach house to stay until some indefinite hour on Saturday. How eighteen girls are going to sleep in one narrow bed hasn't been decided yet but we'll let you know how it comes out.

Kahului—Roselani Troop

The surprise is coming true but since you'll see this column before Friday at 7 o'clock no more details can be given.

Makawao

The Sweet Pea troop is to have its first outing this Friday afternoon at the Paia beach house. The menu as suggested in Tuesday's meeting sounded most appetizing and we feel sure that the party will be a success.

The Sweet Pea Troop has its meetings on Tuesday at 2 o'clock. At the last meeting we learned how to make two kinds of knots, were told the scout promise, and sang the "Star Spangled Banner." We also drilled and played dodge ball until 4 o'clock when we adjourned.

There is going to be a great opportunity offered to scouts as well as to others, on Monday and Tuesday of next week. Madame Dahl is coming from Honolulu to demonstrate designing and sewing and will be at the Territorial Building in Kahului, Monday at 9 o'clock and 2 o'clock and Tuesday morning at 9. Tuesday afternoon at 2:00, she will be at the Hamakua High School. This is a fine chance for the Roselani and Narcissus troops at Kahului and the Pansy and Chrysanthemum troops at Hamakua and we understood that the Bougainvillea troop of Paia have already planned to go over to Hamakua on the train Tuesday afternoon. Madame Dahl expects to be in Lahaina on Wednesday so the Wild Rose and Star of Bethlehem troops should make their plans accordingly. No admission will be charged for these demonstrations and who knows, we may get all kinds of ideas for money-making in the sewing line, or some very practical information which will be useful in making uniforms, you can't afford to miss it, scouts.

We had some fun tying the knots for some tied a granny instead of a square knot.
