Paia Wins Maui Gridiron Title In Hard Battle

Field Goal by Coleman in Last Minutes of Play Is Only Score in exciting Championship Contest.

The Maroon won the right to the title of champions of the Maui Gridiron by defeating the Blue and White on Kahului Field yesterday afternoon by the score of 3 to 0. The victory yesterday over the champions of '21 not only gives the Maroon the championship but brought them through the three game fray undefeated.

Paia took the lead, the only score of the game, in the last quarter when there remained but a few minutes to play when Captain Coleman dropped back to the 15 yard line and booted a beautiful field goal over the posts from a rather difficult angle after the Blue and White had held the Maroon for two downs on its eight yard line without an inch of gain.

A few minutes later after the kickoff, Machado by intercepting a forward pass on the Paia 40 yard line saved the Maroon from what might possibly have been a touchdown. Coleman immediately punted out of danger and before the Blue and White could resume their savage attack the timers whistle whirled.

Score Not Allowed

Empire Paul Low's decision in the third period saved the day for Paia. After Churruand had punted on fourth down to the Maroon's 35 yard line the Maroon advanced the ball three yards by a line plunge and a right end run. On the next play a shift formation was called by quarterback Coleman. Center snapped the ball direct to the back who fumbled the ball. The Blue and White broke through the Maroon line, recovered the ball and dashed the 30 yards distance across to the goal. The side lines and bleachers went in riot over what appeared a certain touchdown for Wailuku, but the ball was returned and put in play on the original line. Referee Rice declared he did not see clearly what had happened and would uphold Empire Low's decision. Low held the play was an incomplete forward pass, although up to the time of the fumble there had been no attempt at pass made.

Strong Defensive

The contest was a better one by far than the local fans had been led to expect. Wailuku played the best game on the defensive that has ever been witnessed on this island. The Maroon's ram, Foster Robinson, hit an absolute stone wall each time he attempted gains through the line. Practically all yardage made in yesterday's game was by intercepted passes, end runs and on few occasions through tackle plays.

Has Chance

The Maroon worked the ball to within striking distance in the second quarter but were thrown back by strong defensive work. After Paia had received the ball on its own 25 yard line, two tackle plays advanced the ball six yards. A forward pass to Coleman gave the Maroon first down on its 42 yard line. Another gain of three yards around left end and the Maroon again worked a pass for first down on the Blue and White 40 yard line. A run around left end made another 8 yards. The next play through tackle made first down. It was then the big chance of the day came. Coleman took the ball around right end to Wailuku's 13 yard line.

Blue and White Hold

Cornered, with their backs against their goal the Blue and White put up a splendid defensive. The first play lost the Maroon a yard. A forward pass was attempted and grounded. Though left tackle advanced the ball three yards but on fourth down a pass was incomplete and Wailuku received the ball on its 20 yard line. Churruand punted out to midfield and when the Paia safety fumbled the Blue and White recovered on the Maroon 47 yard line as the timers whistle blew half time.

During the remainder of the game the ball passed hands often neither team making substantial gains and first downs were rare. A mentionable feature of the contest is the clean playing and good sportsmanship

Saint Louis Will Play Two Games With Local Teams

The St. Louis football squad, reported 35 strong, will visit Maui for two games of football near Christmas Day, is the report made by Chairman J. Garcia of the Sports Committee on his return from Honolulu Saturday.

While the 25 red and blue clad warriors will make the trip, a guaranty was given only for the transportation of 20 men. All over that number that are included in the crew will be at the expense of St. Louis.

It is proposed that the games be played on Saturday, the 23rd, and on Christmas Day. The teams to meet the invaders have not been selected but Manager "Bill" Engle of the Wailuku team has given his assent to playing one of the games.

A meeting will probably be held in the Chamber of Commerce rooms tonight to settle the matter and others that are expected will come before the committee.

shown by both teams. There was but three penalties imposed, all of which were offside offences.

A fair crowd witnessed the contest.

Australia Adopts Rules On Hygiene

SYDNEY, N. S. W.—(By A. P. Mail)—A number of important resolutions on the subject of industrial hygiene, including one providing for systematic medical examination of all workers, were adopted at the recent conference between Commonwealth and State health representatives.

One resolution urged that all persons employed in factories or workshops should be examined medically before employment, until the person had completed his 18th year.

The conference asked that the medical records of the Educational Departments be made available to the authorized medical inspectors in the case of any child seeking employment in a factory in a workshop, and urged that factory medical inspectors be appointed.

Another resolution urged that the minimum legal working age should be fixed for factories and workshops at not under 14 years for boys and 15 years for girls.

Each state should have in effective operation legislation controlling occupations dangerous to the health of the employees, another resolution said.

Another resolution, which was adopted, read:

"This conference considers that, in view of the importance, as a phase of public health administration, of systematic medical supervision of the health of individual industrial employees, and of the valuable information and results which have been obtained from the introduction by private employers of a medical service for their establishments, that every employer, including government, should be encouraged to provide efficient and regular medical service, which shall keep under view the health of the workers, and shall inquire as to any relation between variation in health and conditions of employment. Moreover, in order to obtain the greatest amount of public benefit from this measure, records of work done should be kept by a standardized method."

It was estimated at the conference that between 18,000 and 19,000 children under the age of 16 years are employed in factories in the Commonwealth.

Britain-France Are At Odds On Action In Ruhr

Conference Breaks Down and Takes Eight Day Recess; United States To Be Asked To Cancel Debt of France.

(ASSOCIATED PRESS)

LONDON, Dec. 11.—An adjournment of the conference of premiers was taken tonight for eight days to avert a rupture between Britain and France over German reparations.

It has been virtually decided that the British will respect the measure for the use of force for the Ruhr district upon which Poincare has insisted. Bonar Law told Poincare that British opinion is opposed to military measures against Germany.

It was announced this evening that the conference has broken down and adjourned to January 2.

It is stated in authoritative American quarters that the British will probably ask the United States if it is willing to cancel France's debt to the United States provided Britain will cancel France's debt to Great Britain and Britain agrees to pay its own debt to the United States.

PARIS, Dec. 11.—A German note delivered at the foreign office says that Germany is complying with the demands of the council of ambassadors for the payment of a million gold marks indemnity. It renews apologies for attacks on inter-allied military control officers at Passau and Goldstadt, Bavaria.

Newspapers Strike; Town Crier Is Heard

(Associated Press Mail Service)

SYDNEY, N. S. W., Oct. 25.—The town bellman of Perth, who had slumbered peacefully for forty years, was revived during the newspaper strike which has just ended after a period of five weeks during which all newspapers had been compelled to close down.

The strike began when the proprietors refused to accede to the demands of the mechanical staff for increased wages. The men walked out and threw a cordon of pickets around each office, which prevented employees from entering the buildings.

The strike brought to the people of Perth forcibly the part a daily newspaper plays in their lives. Sundry public houses and coffee stalls, in order to satisfy the general demand for information, began posting real and imaginary cable and telegraph news and wild rumors of wars, murders, suicides, and general catastrophe. Auctioneers and stores found that few buyers attended their sales without the usual advertising. All business began to suffer and even the lawyers were held up because they were unable to do the advertising demanded by statute.

Motion picture screen advertisement writers began to work overtime, as did the sandwichmen, who returned to being with the bellman.

Japanese Flag Is Down and China's Up In Shantung

Transfer Effected without Disturbance; Bandits Bought Off For \$100,000 and No Violence Expected.

(ASSOCIATED PRESS)

TSINTAO, Dec. 10.—Shantung province was restored to China at noon. Lowering of the Japanese flag and raising of the Chinese emblem signaled relinquishment by Japan of civil and military authority.

In Kiauchow a small group of Japanese officials, before the territory was restored, exchanged formal addresses and drank mutual toasts.

One Chinese gunboat fired a salute as the flag of China was raised.

The Chinese took over the Japanese police headquarters.

A thousand troops arrived before the territory was taken over. No trouble is expected.

BANDITS BOUGHT OFF

PEKING, Dec. 10.—The government announces that the Shantung bandits have been appeased by the paying of \$100,000 to them on condition that they refrain from violence following the withdrawal of the Japanese.

Public Opinion An Aid To Leprosy In Japan, Says Dean

(ASSOCIATED PRESS)

HONOLULU, Dec. 11.—Dr. A. L. Dean of the University of Hawaii, returned to this city after delivering a series of lectures in Japan on the benefits of chaulmoogra oil, said a change in public opinion in Japan toward leprosy was necessary before the treatment could be successful. He said the fact that no segregation is made was one of the chief obstacles to its adoption.

The Japanese regard the disease more of a disgrace than an affliction, which makes them conceal the disease as far as is possible, he added.
