RELIGIOUS EXERCISES AT THE CAPITOL.—On Saturday, at twelve M., the Massachusetts regiment were called together in the Senate Chamber, for religious exercises.

Their chaplain, Rev. Mr. Babbitt, of Pepperell, Massachusetts, made an impressive and appropriate appeal to the Throuse of Grace in behalf of the men and our country.

DEFENCE OF THE PUBLIC BUILDINGS.—The Massachusetts, Pennsylvania, and a detachment of the District militia, numbering altogether 2,500 troops, are concentrated in the Capitol building.

Company H, second cavalry, Capt. Magruder, 61 men, are on guard in the Treasury building. Company A, Union Regiment, Capt. E. C. Carrington, 120 men, guard the General Post Office Department.

Metropolitan Rifles, Capt. Wm. H. Nalley, 100 men, are on guard in the Patent Office building. Gen. J. H. Lane's Frontier Guards, and 40 men detailed from Company B, Union Regiment, Capt. Kelly, are on guard at the Executive Mansion.

ENROLLMENT OF THE MILITARY.—The enrollment of District volunteers for the Government service was continued at the War Department yesterday.

An additional squad of nine men from the Constitutional Guards, Captain Degges, first made their appearance, and took the oath. The Henderson Guards, Captain Foxwell, next sent up six recruits, who were duly sworn in.

Company D, Union Regiment, Captain McClelland, Lieutenants Tait, Dubant, and Posey, with four sergeants, four corporals, and fifty-four privates, next made their appearance, and, having taken the customary oath, were duly enrolled, and ordered to report to Col. Smith for duty.

Company B, Turner Rifles, Captain Krzyzanski, Lieutenants Galm, Pabst, and Bachor, five sergeants, four corporals, two drummers, and thirty-nine privates, next appeared upon the ground; but owing to the mustering officers having gone to the Capitol to muster in the Massachusetts regiment, they were compelled to return to their armory without being mustered in.

The Zouave Corps, Captain Powell, sent up one lieutenant and ten privates, and the Mechanics' Union Rifles, Captain Rutherford, sent up sixteen men; but on account of the same reason, none of them were enrolled in yesterday.

A meeting for the formation of another company (B) of the Metropolitan Rifles is to be held at Temperance Hall to-night.

The Union Volunteers will be among the companies mustered in at the War Department to-day.

H. B. Masters and lady, of New Kent, Va., arrived at Willards' on Saturday evening. They were obliged to obtain a permit from Governor Letcher before they could leave the State.

There must be over eight thousand troops in arms in this city, of all grades, regular, local, and the volunteers from other States, including the armed citizens temporarily present on business or pleasure. This is a most formidable organization, and will be invincible as a guard to repel any invasion of Washington.

Already has the war spirit affected our market. Flour is going up. Holders will not sell but in small quantities, and consumers will pay \$1.50 per barrel more than was asked for the same article ten days ago.

Orders have been sent through Maryland and Virginia to stop supplies from our market.

General Patterson has been detached by Lieutenant General Scott to take charge of the military district composed of the District of Columbia, Maryland, Delaware, and Pennsylvania. This veteran officer will do his whole duty in the premises.

LEAVING THE COLLEGE.—A number of Southern students left Columbian College on Saturday, and the remainder expect to go on Tuesday or Wednesday.

SENATOR DOUGLAS LEFT TOWN.—Senator Douglas, with his family, left here yesterday afternoon, on his way to Chicago.

LEAVING TOWN.—A number of our citizens are taking their families out of the city, as a matter of precaution. The great mass, however, prefer to remain, believing that should any attempt be made by the secessionists to take the city, they (the latter) would be completely annihilated.

BREACH OF TRUST.—Eugene Lannahan was arrested by officer Ward, on Saturday night, on the charge of stealing a valuable gold watch and a twenty dollar Virginia bank note from Dr. Frazer. From the evidence, it appears that Frazier gave Lannahan the note to get it changed, but he did not return it. Lannahan stated that he took the watch, but he intended to return it when they both got sober. In view of these facts, Justice Donn dismissed the case.

At a meeting of the Anderson Guards, last Saturday night, the following officers were elected: 2d lieutenant, John Wiley; 3d lieutenant, W. J. McCormick; 2d sergeant, W. Weis; 3d sergeant, William Meege; 4th sergeant, L. Lasselle; 1st corporal, Thomas Driscoll; 2d corporal, W. H. Dean; 3d corporal, J. B. Clementson; 4th corporal, J. B. Scott.

The company then adjourned until Monday evening at 7 o'clock, to meet at the Steuben House.

NEW COMPANIES FORMING.—A new company, called the Union Flag Guards, was organized at the old Trinity Church on Friday, when the following officers were elected: W. R. Stratton, captain; T. D. Beneroff, first lieutenant; Thos. J. Gardner, second lieutenant; and S. Garrett, third lieutenant. About 35 members were enrolled. A second meeting was held Saturday evening, when a number of additional names were enrolled. The company has another meeting to-night, when the organization will be completed.

An informal meeting of a large number of "exempts" was held at the City Hall on Saturday evening, to take into consideration the propriety of forming a military company. After a full and free discussion of the subject, it was agreed

to co-operate with a similar meeting of "exempts" to be held at the old Trinity church Monday evening.

PATROL CORPS.—Cassius M. Clay and other influential gentlemen have organized a company of two or three hundred citizens and sojourners in the city, to act as a patrol in connection with our police force. Their services will be valuable. Col. Millard, of Pennsylvania, is a lieutenant in this company. They are armed with rifle carbines.

THE WOUNDED.—The following is a correct list of the members of the Massachusetts regiment wounded at Baltimore, and now under treatment at the Infirmary in this city: J. T. Rowe, S. L. Colley, Daniel Brown, George Lovrien, H. Gardner, W. D. Gourley, G. Reed, G. Congan, Maurice Meade, W. H. Young, William G. Whittington, Alonso Joy, Henry G. Warren, Warren Holden, William Butterfield, C. L. Gill, George Alexander, Charles Stinson, John F. Swift, John Fortier, Joseph W. Pennell, Stephen Flanders, John Kempton, Henry Dike, and W. H. Lamson.

DR. SMITH'S SERMON.—We intend publishing, to-morrow, a very full synopsis of the eloquent discourse, relative to the present crisis, delivered by the pastor of the Fourth Presbyterian Church, yesterday morning.

ACTION IN REGARD TO GOVERNMENT OFFICIALS.—The employees of the General Post Office Department assembled, by direction of the Postmaster General, at that building, Saturday afternoon, when they were instructed to hold themselves in readiness to repair to the Department, where arms would be furnished them at a moment's warning.

The clerks of the Interior Department, we understand, are to have an oath administered to them this morning, similar to that usually taken by them on assuming their official position.

The Watson Guards, which met at the old Medical College, at the corner of Tenth and E streets, have elected J. N. Callan captain, in the place of James E. Stewart resigned; S. Bevers, 3d lieutenant, in place of R. Kelly, who has accepted an appointment under the Government; and John Hammond, orderly sergeant.

The company will be mustered into service at one o'clock to-day.

THE FIRING OF THE GUNS.—About seven o'clock last evening, the people of this city were somewhat startled at the report of cannons firing, apparently a few miles down the Potomac. We have ascertained that the firing took place on the Virginia side, some distance below Alexandria; but the exact distance, or the cause thereof, cannot be ascertained.

No TIDINGS.—Up to two o'clock this morning, no tidings had been received of the troops now on their way to the city by steam or land. It is reported that the seventh regiment and the Philadelphia brigade reached Annapolis yesterday morning, and would take the cars at the Junction. The steamers containing the Rhode Island, Massachusetts, and other troops, were reported to be near the White House, but were detained by a battery on the Virginia side.

TELEGRAPH TO THE PRESIDENT'S HOUSE.—A telegraphic wire has been carried into the Executive mansion, connecting with the main lines to the various sections of the country.

THE POWHATAN TAKEN TO THE NAVY YARD. The steamer Powhatan, seized upon by the Government, on Friday last, was taken around to the Navy Yard yesterday afternoon. The other steamers will be moved around in the course of to-day.

THEY WANT NOTHING TO DO WITH WASHINGTONIANS.—One of our merchants went to Alexandria on Saturday for the purpose of buying a load of flour; but to his surprise they refused to deal with him. They stated as a reason, that they wanted all the flour to supply a large body of troops which they expected there in a few days. The merchant, after repeated efforts to procure the article, was told that they had no further use for Washingtonians, and was obliged to return without accomplishing his mission.

MOVEMENTS OF THE MARINES.—The steamer Pawnee left the Navy Yard with one hundred marines on board, on Friday afternoon. It is supposed that she is to cruise in the Potomac. Twenty-five marines left in the Anacostia, on Saturday, for an unknown destination.

SEIZURE OF FLOUR.—Yesterday morning, the Carrington Home Guard, Captain Goddard, and Company A, Anderson Rifles, Captain Rodier, seized, by order of the Government, a schooner at the wharf in Georgetown, laden with flour, and which was about to be towed out by the tug which was steaming up for the purpose. A strong guard was then placed over the warehouses on the water side, and the flour was afterwards carried to the Capitol for the use of the troops quartered there. About one hundred carts, wagons, and drays, were employed nearly all last night in transporting it.

ACCIDENT.—About six o'clock last evening, a little son of Mr. Charles F. Freis, residing on Seventh street, near H, was playing in front of the residence of his father, he was run over by one of the omnibuses of the Navy Yard and Seventh street line, resulting in the breaking of his leg in two places. He was immediately picked up by some passers-by, and taken into the residence of his father, and the services of Dr. Duhamel secured, by whom the limb was set. It appears that the driver was making change at the time of the accident, and did not observe the little boy until it was too late to stop the horses, and one of the wheels passed over his leg. He is now, however, somewhat improved.

ANOTHER.—About seven o'clock last evening, as the members of the President's Mounted Guard were starting to their picket posts around the outskirts of the city, Mr. R. H. Lasker's pistol exploded in the holster as he was in the side of his foot, inflicting a painful though not serious wound.

Important from Alexandria. From our Special Reporter.

In consequence of the intense anxiety here to obtain reliable information from Alexandria, we yesterday afternoon dispatched a reporter to that city.

The wilder excitement prevails throughout the city, and no Union man is allowed to express his sentiments. The entire city is guarded, a sentry being placed at the end of almost every street.

For several nights past, the cars here have been bringing troops to a point a little over a mile southwest of Alexandria, where they are encamped. Our reporter could not ascertain exactly what number were encamped there, as no one is allowed to leave the city. From what he is able to learn, however, he estimates the number congregated there at from 1,200 to 1,400 men. They are encamped in a deep ravine, about half a mile off the road, and have their guards extending for several miles in every direction. They are concealed from view by the woods.

The streets are filled with excited persons, who are indulging in the most violent threats. On Saturday, Mr. Bennett, proprietor of a dangerous gallery, in that city, received orders to leave the city in five hours, for merely stating that he was in favor of the Union.

A grocery merchant, whose name could not be ascertained, had the temerity to utter a Union sentiment, when a crowd waited upon him, and told him to leave the city in ten hours. The time was afterwards reconsidered, however, and he was allowed one week in which to take his family and everything belonging to him out of the city.

The Hallowell Seminary and the Episcopal High School have both suspended. The cars between Alexandria and Washington have stopped running, and omnibuses have been substituted. These are closely watched, but our reporter managed to pass through by exhibiting a couple of spurious letters, addressed to prominent gentlemen in that city, and by wearing a large-sized secession badge.

There are only three or four military companies in the city, and the citizens, though they talk big for secession, evince but little desire to join them. Half of the people are evidently for the Union, though they dare not say so.

The George Page started for Aquia Creek, at four o'clock yesterday morning, and the cars were sent from there to Richmond to obtain men and ammunition. She was expected to return last night.

As the Pawnee was passing this city, on her way down, on Friday, a captain of one of the small craft lying there, who had a cannon on board, made every exertion to fire it off, but was prevented from doing so by those around him.

The city was visited, yesterday afternoon, by Dr. Cornelius Boyle, Thomas W. Berry, Martin Latraite, and others, of the National Volunteers of Washington, who were very cordially received.

A young man from Washington, of strong Union proclivities, came down, yesterday afternoon, to call on one of his friends. When it became known that he was a Union man, he was compelled to leave the city.
