

Dr. Matt Hughes Lectures

December 2nd.

Everyone who heard Col. Ham listen! On Dec. 2nd, you will have the privilege of a lecturer who is Col. Ham's equal. Dr. Matt Hughes, one of the greatest orators and lecturers in the west, will deliver his famous lecture on "The American Pessimist." In this lecture you will have to laugh, think and if you are an habitual pessimist get very uneasy because of the way he

handles you. Dr. Hughes is just as hard on the pessimist as Col. Ham was on the snollygoster. A prominent man has said, "I should hate to be a consistent pessimist and collide with the cool, conversational logic of Dr. Hughes. I should be afraid of meeting the fate of the cow on the railroad track."

Much of his success lies in his style and splendid flow of language. "He

steps out to one side of his pulpit and uncorks a flow of language uninterrupted." He has a most splendid voice and a very striking manner. He truly is a worthy man and full able to follow Col. Ham. Do not fail to hear him on Tuesday night, Dec. 2nd. Buy your season tickets at once. Let those who live within ten miles of town buy tickets.

NOTICE TO THE PUBLIC;

Donnan's Studio will Close Dec. 10th

and will remain closed until spring. Hugh Donnan will be here in person from Dec. 1st to 10th. He will bring with him new backgrounds and a finishing outfit, and will do some very fine work which will be finished here and guaranteed to please. Note this: If anyone has had work done at our Studio that was not entirely satisfactory, please return it and have more photos made before we close. Now don't overlook this and kick about us after we are gone. If anyone holds bills against us present them and they will be paid.

During this last ten days we will give a Medallion button with each dozen photos, just the thing for a nice Christmas present. You remember that this is the last chance you will have to get fine photos made in Medicine Lodge this winter. Don't forget that positively our Studio closes Dec. 10th, and that all work will be finished and delivered before we leave the town.

HUGH DONNAN.

Entertainment—Lake City.

On Thanksgiving, the Ideal Trio Concert Company will be at Lake City. This is an excellent attraction and will furnish fine music, great fun and splendid recitations. No one can afford to miss it. See the item about the company in connection with its coming to Medicine Lodge. Do not fail to hear it.

On December 3rd the people of Lake City and community will have the privilege of hearing Dr. Matt S. Hughes, one of the greatest orators and lecturers of the West. He is full of fun and as eloquent as need be. He will simply captivate his people. Hear him by all means.

The Hoy cattle sale did not materialize Saturday as advertised. The parties arrived at a mutual adjustment without selling the stock at public sale.

Notice—Hunters.

No hunting will be permitted to be done on any land owned or controlled by me. All trespassers will be prosecuted to the full extent of the law.

Cards are out announcing the marriage of Mr. Billie Willson of Kiowa and Miss Birdie Singer of New York. The event will occur December 27, 1902 at the home of the bride. We are not acquainted with the bride, but do know Mr. Willson. He is an old cattle man and we thought was cast iron against the fair sex, but it seems he has at last met his Waterloo. After the marriage they will reside in Canada.—Ingersoll Review.

We call it gall—we refer to the sneaking pups who, after resorting to the disgraceful trick of compelling the count of eight votes which were never cast, who now say that an attorney was hired by the Long machine to induce the commissioners to obey the order of Judge Gillett. We insist that if the gang makes this steal stick, they must assume the responsibility and not attempt to libel good men who are at the mercy of the courts.

Dr. Hughes has won a place in the hearts of the Ida Grove people. It is impossible to describe his manner of speaking. He has a wonderful ease of manner, and a deep, rich, melodious voice. He sways his audience at will. His wit and humor are beyond description. People laughed until the tears rolled down their cheeks.—Ida County (Ia.) Pioneer.

Arrangements for a new mill at Kiowa have about been completed. T. V. Brown of that town has organized a stock company and will soon have it in working order. We understand the new mill will not be as large as the one which burned, but it will be large enough to handle the territory tributary to Kiowa.—Ingersoll Review.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Bilio-ness. Doctors were scarce, and they seldom heard of appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic actions of the system, and that is all they took when feeling dull or bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. You can get this reliable remedy at Gem Drug Co.
