Deep wisdom, swelled head,
Brain fever, he's dead.

Went walking, 'tis said,
Road hit him, he's dead.

Fair one leaves him, hope's fled,
Heart's broken, he's dead.

Starvation, he's dead.

Presbyterian Church

Our church is certainly fortunate, in the accession to its membership on last Sabbath evening, of Mr. Lucas and family, former residents of Caldwell, Kansas, who are good people in every way, and will be an ornament to our town and church. They are living in the old Middleton property for the present. It is expected that our ladies will visit Mrs. Lucas at an early date in her home, because it is perhaps an open secret, that the path of a stranger in a strange land is sometimes a little dark and lonely.

We expect to organize a men's bible class in our school on next Sabbath. We had a goodly attendance of men at the Sabbath school on last Sabbath. We are hoping and expecting that this attendance will increase as soon as the men know that there is a class of them. We trust that the brethren are interested and will exercise not only a negative but positive interest in this matter and will do what they can to induce others to attend.

The subject of the prayer meeting on Wednesday evening will be Jacob. Come with your bibles prepared to give a scripture quotation in reference to the commandments.

Choir practice at the usual time and place.

The usual service will be held on next Sabbath.

Subject for the morning sermon will be, "Facts about church going." Subject for the evening sermon will be "Fancies about church going."

W. T. VANHORN, PASTOR.

Remember the prayer meeting on Wednesday evening.

The Ladies Aid will meet with Mrs. Luallen on Thursday for an all day session, quilting to be done. Bring your dinner. The next social tea of the Ladies Aid will be held on Tuesday afternoon May 3rd, at the home of Mrs. B. S. Kauffman. Everybody invited.

The evening sermon will be "Sabbath observances, how should we spend the Sabbath?"

The Sunday school had a good attendance.

Attention! Farmers of Barber Co.

At the last meeting of the F. E. & C. U. of A. for the state of Kansas, I was commissioned as organizer for Barber county. It is not my intention to canvass the county and make an effort to press farmers into this organization, but if the farmers of any community desire an organization, if they will communicate with me I will gladly arrange with them for an organization. Organization is the watchword of the day and I believe this organization has come to stay and I have no hesitancy in recommending it to my farmer friends. For further information, address the undersigned at Medicine Lodge, Kansas.—Allen E. Herr.
