

SWIMMING BATHS.

They Will Be Erected at Twenty-first and O Streets.

The Board of Directors Determine to Push the Excellent Work Immediately.

The meeting of the Board of Directors of the Sacramento Swimming Bath Association was held last evening, and a great deal of business was transacted. It was decided that sufficient stock had now been subscribed to warrant the directors in purchasing a site and erecting the baths at once.

After a thorough canvass of all the propositions and the advantages of each, the board decided to purchase the lot offered by Jacob Geber, on the corner of Twenty-first and O streets.

Many persons who are interested in different sites will no doubt be disappointed at the selection made, which would have been the case had any other location been decided upon.

The site selected is easily accessible from each of the streets leading to it. The electric run runs within two blocks of it, while Mr. Carey already has one line running directly past the door on O street, and will soon have another line completed through Twenty-first street.

A committee was appointed to at once procure plans and specifications and receive bids for the erection of the baths, and the committee was instructed to use all possible dispatch in these matters, so that the baths can be opened to the public at the earliest date possible.

Most of the stock has already been delivered to the stockholders, some of whom have paid up in full.

The board ordered an assessment of twenty per cent on the stock, and instructed the secretary to collect it at once.

It is now estimated that the baths can be erected and ready for use by the middle of July. They will be a blessing to the city and one which will be greatly appreciated by all classes.

TEMPERANCE CONVENTION.

The W. C. T. U. in Session—Lecture by Major G. A. Hilton.

The County Convention of the Women's Christian Temperance Union met yesterday afternoon at the Sixth-street M. E. Church. It was slily attended.

The afternoon was devoted to a Bible talk, or reading, conducted by Major George A. Hilton, of Washington.

In the evening the gentleman lectured on the subject of "Delusions Demolished" to a small audience, chiefly composed of ladies.

He is an out-and-out prohibitionist; and said that if high license would reduce the four hundred saloons in Sacramento to two hundred he would still oppose it, because it would be necessary to issue licenses to the remaining two hundred.

Major Hilton is a very forceful speaker, and an enthusiast in the cause of temperance and religion—so much so that he can see no good in any plan for the correction of evil that does not conform to his rigid theory of what is right.

At 10 o'clock to-day the convention will open with devotional exercises by Mrs. Carley, to be followed by an address of welcome and response. A discussion of "Our New Law" will conclude the morning session.

At 2 p. m. there will be a Bible reading by Major Hilton, followed by reports of the Local and Superintendents. In the evening Major Hilton will lecture.

FROEBEL JUNIORS

They Give a Charming Entertainment, Which Was Well Attended.

The Froebel Junior Society, whose members number about twenty-five young ladies of this city, arranged for last evening an entertainment and social for the purpose of raising funds with which to assist in free kindergarten work.

Their efforts were crowned with success, and the hall was packed with ladies and gentlemen who were rewarded by witnessing a charming entertainment, the numbers of which have already been published. Those who participated in the programme of the evening were Miss Gertrude Gerrish, J. A. Moyman, George Katzenstein, Miss Theresa Stenger, Charles Phillips, Mrs. Mrs. Hill, G. W. Smith, J. H. DeLeon, Richard Crocker, Miss Mamie Bainbridge, Richard Cohn, H. Evers and M. Meyers.

Rev. J. B. Silcox addressed the audience in a humorous vein, which provoked repeated bursts of laughter.

NEW COMPANIES

Several of Them File Articles of Incorporation.

The following articles of incorporation were filed in the Secretary of State's office yesterday:

Bartlett, A. E. Gray, A. E. Boulton and W. Dunning.

SCHOOL OF INDUSTRY.

Another Branch Opened by the Y. W. C. Association.

The class in dressmaking at the Young Women's Christian Association began operations last night under the direction of a proficient teacher, Madame Swilling, who has kindly donated her services for the next three months.

The ladies of the association feel greatly indebted to her and also to a local sewing machine agency for its donation of a \$65 machine.

It is the object of the association not only to establish a school of instruction in all the practical branches, such as music, cooking, sewing, physical culture, etc., but to make a comfortable and beautiful home, where girls may come at any time from 9 a. m. to 9 p. m., and find the best of literature to read, music to entertain them, and a place in which to work and weary with the cares and business of the day.

Their library is now being fitted up, and books and periodicals are solicited. It is hoped by those who have undertaken this good work that those who have not already been visited upon by the Financial committee will be drawn with kind hearts and open purses in this most worthy cause.

STILL IMPROVING.

Robert Allen Apparently Recovering—His Assaults Now All Sot Escapes.

The latest information received last night as to the condition of Robert Allen was to the effect that he was resting comfortably and was improving. His physician now has little doubt of his pulling through.

There need be little anxiety felt lest the perpetrators of the murderous assault upon him may escape. The Recorder-Union can even now assure the public that the guilty men will soon be brought to justice, and that sooner than the more sanguine hope for.

More than this it does not deem it prudent to say at this time.

Real Estate Transfers.

The following real estate transfers have been recorded since our last report:

Druide's Installation.

James McCaw, D. D. N. G. A., assisted by Past Archdeacon William Avery and Henry Meyers and grand officers, installed the following officers of Capital City Grove No. 66, last evening: N. A. Chas. McKays, V. A., Wm. Taylor, Treas.; J. J. Yagole, Secy.; J. Buckley, Com.; W. J. Kavanagh, I. G.; James McCaw; O. G. Frank Silva.

Representatives chosen to the Grand Grove are James McCaw, Charles McKays and W. J. Kavanagh.

There Was No Fire.

The prolonged alarm sent in from box 53, at Twentieth and O streets, last evening, caused considerable excitement. A general alarm was sounded, and the fear was aroused that a great fire was in progress.

It was all caused by some young hoodlums breaking open the door of the alarm-box and throwing stones into it. When the thing got to going it returned to stop until the Superintendent reached there.

Mileage Only One Way.

In reference to a question propounded to him by the Supervisors of Merced County, relative to Constables' fees in that county, Attorney-General Hart says: "My opinion is that in Merced County, which is a county of thirty-ninth class, Constables can only charge twenty-five cents per mile for each mile traveled in going only, in the discharge of the duties of his office. That is to say, a Constable is entitled to charge twenty-five cents per mile for one way only."

North Side Hoodlums.

Residents on F and H streets, from Eleventh to Fifteenth, are complaining of the hoodlumish conduct of a crowd of boys who congregated at night and roam through the neighborhood shouting at the tops of their voices and committing depredations whenever an opportunity presents itself. Several of the houses in the vicinity have been entered and robbed of such articles as canned goods, jellies and preserved fruit.

A Commendable Object.

The members of Battery B's Social Club are getting up a party to be given at Y. M. I. Hall this evening for the benefit of a family named Ashby, who reside at 491 L street. They are in very straitened circumstances, and have been subjected to unusual expense by a death in the family. The desire is to relieve their pressing necessities.

Sacramento Brandy in Demand.

Officers in charge of the bonded warehouse in this city are now getting out of bond several hundred casks of brandy, aggregating 18,750 gallons, which is about to be shipped to Bremen, Germany.

This brandy is a portion of the output of the Natoma Vineyard, near Folsom, and constitutes the largest single shipment hence to a foreign port.

San Francisco Local Train.

A dispatch from San Francisco last night says: "A change in time of the Sacramento local train was decided upon to-day, and it is to go into effect on Sunday, May 24th. The train from here to Sacramento, Woodland, Marysville and Oroville, which has hitherto left at 4:30 p. m., will leave at 4 p. m."

Injury to a Farmer.

A farmer named Ah Sing was painfully injured yesterday at Twenty-first and O streets. He had come to town with some horses, and stopped there to water his horses, when they started to run off. He tried to catch them by their heads, but was thrown down and the wagon passed over his shoulders and one arm.

Action to Quiet Title.

August Weber, administrator of the estate of Julius Weber, deceased, has brought suit against Julian, May and R. Kellersberger to quiet title to lot 7 of the Deeken survey of the De Rutte tract, or Tivoli Gardens, containing five acres.

Ah Sing's Doleful Song.

A Chinaman named Ah Sing swore to a complaint yesterday morning charging Frank Weitzel, an employe of Curtis Bros. & Co., with battery. The Chinaman claims that Weitzel struck him in the mouth without any cause.

Sunday School Picnic.

The Union Sunday School picnic will take place at Lee's Grove, near Roseville, to-day. There will be music by the school band, and all manner of amusements for those who attend.

COULDN'T HELP IT.

The San Franciscos Won Because They Were Forced To.

Pitcher Young Crowded Them Upon the Bases, and They Had to Walk Over the Plate.

SAN FRANCISCO, May 14.—San Jose lost today's game the first inning by allowing men to reach bases on errors. Then heavy hitting by the San Franciscos followed, and four runs were scored.

Young pitched for the home team and was very wild in the first inning, filling bases by giving balls and hitting a batter. Then he forced two runs home by giving the next two batters bases on balls. He stood afterward and pitched a fine game. The score was—San Francisco 7, San Jose 6.

SNOWLAKE PARK.

It Will Be the Scene of Games To-Day, To-Morrow and Sunday.

After a long season of privation, admirers of baseball here are again about to have an opportunity of witnessing the game. There will be one in the city to-day between the Sacramento and San Francisco, and others on Saturday and Sunday.

The game to-day will commence at 3 o'clock in the afternoon, and will, it is expected, be umpired by Sheridan. If both teams should be at their best, there will no doubt be an interesting contest. Van Zant will hold down the third corner for the visitors to-day, after Sunday's game. He will leave for the north on that evening, in compliance with orders received from N. E. Young of the National Board of Control.

In regard to the action taken by the Board of Control in the case of Van Zant, who was ordered to return to the Northern League, Manager McCloskey, of the Sacramento, has little to say. "I don't think Manager Harris is any more than justified in wanting to play," said he. "He has not been playing his usual good game, and Harris no doubt thinks Nick Smith can guard the position better than Van Zant. I don't know what will be done with our boys. They don't want to go north, and that's two-thirds of the battle won."

Leitz is not doing as well as was expected in playing at second base for the Rochester team. Bowman, however, is catching in brilliant style, and batting hard.

AMUSEMENTS

Miller Bros. spectacle "Kajanka" was given at the Metropolitan Theater last night and will be repeated this evening. It is, in the main, very attractively mounted. All the scenery belongs to the troupe and with an exception or two is handsome, some of it being brilliant.

Two scenes from the brush of Voegtlin are notably fine—"Electra's Home" and "The Fairy Grotto." The costume is pretty, and in some instances rich and glittering. The people in the spectacle are all well up in their parts, better perfect and perform with precision, earnestness and grace that is refreshing. There are three good solo singers in the piece, Mr. Broderick, the well known baritone, Bessie Fairbairn, soprano, and Nellie Semmet, contralto. They each last night won deserved encores.
