

THOMAS W. HUMPHREY. The Sacramento Bar Adopts Resolutions of Respect. Eulogistic References to the Deceased Attorney by Several of His Mourning Colleagues.

The Sacramento Bar gathered in the Superior Court yesterday, and adopted resolutions of respect to the memory of the late Thomas W. Humphrey. Judges Catlin and Van Fleet presided. The resolutions were presented by District Attorney Ryan, on behalf of the committee which drew them up.

sentiments of respect and admiration. Nothing less than his thus early and untimely death could have prevented him from reaching the first rank in citizenship and in the profession of his choice.

Resolved, That in his death this community has lost one of her best and most upright citizens, the bar of Sacramento one of its ablest, most respected and most promising members, and his relatives a loving husband, son and brother.

Resolved, That as a perpetual memorial of our departed brother, these resolutions be recorded at length in the minutes of the proceedings of this court, and that a copy be transmitted to the relatives of the deceased.

WORK FOR THE CORONER. A Young Man Commits Suicide at the City Cemetery.

Peculiar Death in Washington—The Remains of the Young Man Killed Wednesday.

An unknown man died under peculiar circumstances about midnight Thursday night on the Pixley ranch, across the river. The deceased is believed to have been demented. He had been loitering about the Pixley place for several days, and nobody seemed to know him.

Justice of the Peace Kaup of Washington held an inquest yesterday morning and a verdict of death from unknown causes was rendered. The remains were then brought to the morgue in this city.

The deceased was a man apparently about 45 years of age. He was thin-featured and had a full, sandy beard. There was nothing on his person to reveal his identity.

SWALLOWED MORPHINE. James Filka, a young man recently from Santa Cruz County, was found in a dying condition in a secluded spot in the cemetery yesterday afternoon.

It was evident that he was suffering from the effects of poison. Beside him was found a vial labelled "Morphine."

The police department was notified, and as soon as possible an express wagon was sent out for the sufferer. The crying need of an ambulance was once more demonstrated, as the dying man was jolted over the pavements down to the Receiving Hospital.

It is ascertained that the man who was found dead near Brighton Wednesday is still unidentified.

Dr. G. A. White has performed an autopsy, and finds that "death was caused by extravasation of blood upon the brain, the result of the wounds inflicted upon the scalp and skull. From the appearance of the wounds, it is evident that they were not produced by a deadly weapon, but more or less of other weapon of assault; they were such wounds as might be made by being struck by a passing train of cars."

Coroner Clark has received a telegram from Mrs. Sarah E. Hickey of Los Angeles, in reference to deceased, and she asks: "Has he a three-cornered scar in the palm of hand; dark hair; what else in letter?"

Positive information regarding the scar cannot be given, the palm of the right hand was cut off by the car wheels. The Coroner has answered the telegram as fully as possible, however, and something may develop therefrom.

BOYCOTTED BY HIS COMPANY. The Sui Sing Society Virtually Expels Ah Loy.

Ah Loy, the Chinese merchant who is taking such an interest in the prosecution of Ong Ah Fong for his assault on Fong Ah Dep, is exceedingly uneasy over notices which have been posted by the Sui Sing Hong Company in Chinatown, declaring that Loy shall not be entitled to its protection unless he desists in pushing the case.

Loy says he is a member of the Sui Sing Hong Company, and the prisoner also belongs to it. But Fong Ah Dep, the Chinaman who was shot, is a cousin of Loy, and the ties of blood appear to be stronger than the fraternal relations which exist between Loy and the Sui Sing Company.

Loy has espoused the cause of the cousin, and accordingly the society has expelled him as one of its members, and warned him of the fact that hereafter he need not expect any aid from it in time of trouble.

Loy also states that he has learned on good authority that a reward of \$300 has been offered to anybody who will kill him. Accordingly he has prepared himself for any emergency, and there will be a lively fusillade if he is attacked.
