

DAILY RECORD-UNION

ISSUED BY THE SACRAMENTO PUBLISHING COMPANY. Office, Third Street, between J and K. THE DAILY RECORD-UNION, For one year, \$6 00 For six months, 3 00 For three months, 1 50

THE WEEKLY UNION, Is the cheapest and most desirable Home, News and Literary Journal published on the Pacific Coast.

Entered at the Postoffice at Sacramento as second-class matter.

The RECORD-UNION and WEEKLY UNION are the only papers on the Coast, outside of San Francisco, that receive the full Associated Press dispatches from all parts of the world.

San Francisco Agents. This paper is for sale at the following places: L. P. Fisher's, room 21, Merchants' Exchange, California street; the principal News Stands and Hotels, and at the Market-street Ferry.

Weather Forecast. Official forecast for the twenty-four hours ending at midnight Monday: For Northern California—Light rains, except fair in the extreme southeast portion; southerly winds; warmer, except nearly stationary temperature along the coast.

FORTY YEARS OLD. The WEEKLY UNION has entered upon a new volume. It is now forty years old, and we take justifiable pride in referring to it as eminently the best family paper, business and news weekly published west of the Mississippi River.

Very many of the readers of the RECORD-UNION do not see the WEEKLY UNION. It has a clientele all its own, one as wide and as long in its distribution as the continent, and reaching to many foreign parts.

Now Mr. Leeds must have a reason for refusing to present a rate schedule. Men do not act in such matters of importance without a motive, much less do they decline to act without a reason for such denial.

THE REPUBLICAN STATE CONVENTION to meet in Stockton to-morrow should instruct its delegation to the National Convention to cast the vote of California for the nomination of General Harrison, for six reasons: That the vote of the State delegation may not be carried in any man's pocket and be made the subject of barter or the means of furthering the personal ambition of anyone in California.

On completing so very many years of useful life it is proper to present the claims of the WEEKLY UNION to the reading public and to say to those who desire a first-class California news, family, business and literary journal to forward to their friends, that there is no paper in the land at once so representative, reliable and exhaustive.

THE TRIUMPH IN LOUISIANA. The Louisiana election made demonstration of a most important truth—that a small minority, a comparatively insignificant group, actuated by right purpose and untiring zeal, and laboring for a high and beneficent cause, can become a controlling majority.

THE BRADSTREET Mercantile Agency reports seventeen failures in the Pacific Coast States and Territories for the week ending April 30th, as compared with fourteen for the previous week, and twenty-one for the corresponding week of 1891.

Cannot Spare the Time. Nelson H. Baker, District Attorney of Westchester County, New York, writes: "I have received many letters in reference to my testimonial, lately published, commending ALCOCK'S POROUS PLASTERS."

Sickness Among Children. Especially infants, is prevalent more or less at all times, but is largely avoided by giving proper nourishment and wholesome food.

GOOD NEWS FOR LADIES. A PREVENTIVE—ONE THAT HAS been used by a physician in his private practice for the past 20 years and has never been known to fail; will be sent you, full directions on receipt of \$2. Address: P. O. box 222, St. Croix, Cal.

roic work has been done or such a splendid achievement worked out as has been just placed to the credit of the anti-lottery crusaders of Louisiana. They have driven the hideous gaming monster to withdraw its bribe of two millions of dollars; it has beaten down a political faction that ruled the State and dispensed the coin of the defunct like water in the stream; it has defeated for Governor a man taken from the highest judicial station in the State, nominated by the dominant political party, backed by lottery power, and whose campaign pathway was fairly paved with gold.

In short, the Louisiana campaign has demonstrated that public opinion can be depended upon to come around all right in the long run. It makes take much time to effect it in some cases, but enlightenment, intelligence, the moral sense, can in the end be depended upon.

HE SHOULD SPECIFY RATES. The Traffic Association of San Francisco has been constant in ringing the changes upon the complaint that local freight rates are not just. To every request and demand made upon Manager Leeds to specify wherein injustice lies, he has refused to reply, except to say that he will not specify.

Why the Traffic Association or its manager declines to present a rate that it would consider just has not been stated, and every appeal has been met by stubborn refusal. There have been thrown out some unsubstantial suggestions about horizontal leveling, and a uniform mile rate, which, as well as every sensible man knows, is trifling and not legitimate specification upon the basis of which any correction could be made of any possible inequity.

Now Mr. Leeds must have a reason for refusing to present a rate schedule. Men do not act in such matters of importance without a motive, much less do they decline to act without a reason for such denial.

THE REPUBLICAN STATE CONVENTION to meet in Stockton to-morrow should instruct its delegation to the National Convention to cast the vote of California for the nomination of General Harrison, for six reasons: That the vote of the State delegation may not be carried in any man's pocket and be made the subject of barter or the means of furthering the personal ambition of anyone in California.

GAUDY UNIFORMS

How Warden Aull Brands Unruly Convicts. The Folsom Telegraph says: Warden Aull has adopted a novel method of keeping track of such convicts as are continually planning to escape. On Thursday morning he surprised three of the most incorrigible by dressing them up with a flaming red flannel blouse and cap. Across the back of the blouse, in plain view, is a broad, white strip of canvas, marked in large, plain letters, "Convict No. —."

The Warden says that these three have kept the officers and guards busy for some time trying to keep track of them. With these suits on they can be easily watched from the various posts, and their every movement noted.

MUST STAND TOGETHER. What the Traffic Association Does Intend to Do.

The Oakland Enterprise says: Stockton, Sacramento and other interior papers are fighting the Traffic Association of San Francisco on the theory that its plans, if carried out, would injure San Francisco, and injure the interior. Those papers ought to be able to see that the ultimate end of the San Francisco agitation will be the building of another transcontinental railroad and exciting competition which will benefit the interior and San Francisco both together.

There has not only been nothing done, but nothing suggested, made by the Traffic Association, its agents or its advocates, that gives the slightest reason for believing that its ultimate end will be the building of another transcontinental railroad.

The Traffic Association has done no more than ask for a revision of freight rates on existing routes, in the interests of San Francisco, and it has not even accompanied these requests with any definite statement of what the association complains of. In the absence of any clear and explicit statement of what it intends to do, and in the presence of the continued evasion of all requests for sworn complaints, the interior points are naturally on their guard against the association.

It is its ultimate object is the construction of a competing line it should say so in plain terms, and line it should say so in plain terms, and line it should say so in plain terms, and line it should say so in plain terms.

One day last week, says the Folsom Telegraph, the little son of Frank Perry strayed away from his parents in order to pick flowers, and in some way he fell over a bank of sand, and was naturally supposed he would be picked up dead.

"I BEGAN in February to take Hood's Sarsaparilla," says Mr. Sloan of Milton, Mass., "and as a result I have enjoyed health the whole year." Reader, do likewise this year.

C. C. LINIMENT.

TESTIMONIALS.

J. C. TRAYER, Proprietor Bodine Stables, Mission street, says of the C. C. Liniment: A most excellent Liniment; consider it the best on the market. You have not said half enough in its favor.

THE C. C. LINIMENT CO.—Gents: I have used C. C. Liniment in my family, and can give it my unqualified indorsement as an article of the highest merit and efficacy. A. G. SHEAHAN, 863 Market street, San Francisco.

THE C. C. LINIMENT CO., S. F.—Gents: I have used your C. C. Liniment in my family, and consider it an article of the highest merit. I most cheerfully recommend it as a household remedy. W. D. GARLAND, Equitable Life Ins. Co., 405 Montgomery street, S. F.

THE C. C. LINIMENT CO.—Gents: After using all other remedies for Rheumatism without effect, my mother was cured by the use of one bottle of your C. C. Liniment. It is a truly wonderful medicine. I am, very truly yours, ZENO MAUVAIS, Music Dealer, 769 Market street, S. F.

THE C. C. LINIMENT CO., S. F.—Gents: The udder of one of my cows became inflamed and badly swollen. I used all ordinary remedies without doing any good. I then applied C. C. Liniment, the inflammation began to subside at once, and in twenty-four hours the cow was entirely well. The C. C. Liniment has my indorsement as a valuable Liniment for dairymen and farmers. Yours truly, CHAS. ELLIS, Highland Park.

THE C. C. LINIMENT CO., S. F.—Gents: I cannot sufficiently express my gratitude for the benefits received from the use of your C. C. Liniment. As a Liniment for animals it certainly has no equal on the market. In one instance it saved a very valuable horse for me that pined away for months. The animal's leg was swollen to twice its natural size, and it suffered such agonizing pain that it seemed almost impossible to save its life. The C. C. Liniment gave almost instantaneous relief, and in less than a week the horse was able to work as usual. I also used it for inflamed udder with my cow with the most gratifying success. I heartily recommend it as a valuable remedy for horsemen and dairymen. I would not be without it. W. HENRY.

THE C. C. LINIMENT CO., S. F.—Gents: Last week I got my hands severely burned by tearing off some burning plaster. An application of your C. C. Liniment took the fire out at once. I also used it on a crushed foot with the very best results. I can't recommend it too highly. I have never used anything to equal it. J. B. PIERREPONT, 348 Grove street, S. F.

THE C. C. LINIMENT CO., S. F.—Gents: I have been troubled with soft corns for a great many years, and could find nothing that would help me. I got a bottle of C. C. Liniment, thinking it would afford me some relief. After using it for two weeks the corns came out, roots and all. I can recommend C. C. Liniment as the best remedy for the cure of corns that I have used. I will bravely describe the views by the electric light. Free to all. A silver offering will be made during the evening. F. J. LEASE, Manufacturer of the celebrated "Fanny Aqueduct" Buckles.

THE C. C. LINIMENT CO., S. F.—Gents: I had an attack of rheumatism a short time ago, and one bottle of your C. C. Liniment effected a complete cure. Yours, respectfully, J. CLIFORD, 830 No. street, City.

MR. W. H. BONE, 317 BARTLETT STREET, SAN FRANCISCO—My Dear Sir: We have used your C. C. Liniment for a severe case of rheumatism with the best of results, and would recommend it highly to others. Yours truly, ARNOLD BROS., Cash Grocers, 916 Valencia street.

MRS. J. WOODMAN, 225 1/2 Nineteenth street, between Mission and Capp streets, says: "Your C. C. Liniment is the best I have ever used, and I recommend it as an excellent Liniment to always keep in the house for the relief and cure of pain."

MR. W. H. BONE, 317 Bartlett street, San Francisco—Dear Sir: I have been troubled with rheumatism for six years. Have never used anything that has done me so much good as your C. C. Liniment. I felt relief at once after the first application. Before using it I could not stand erect, was bent over so badly that I had to use a cane to assist me in walking; but in less than two days after I commenced using your C. C. Liniment, I could stand erect without pain, and now after using it a week I get around and do my work without any trouble. I shall recommend it to all as the most valuable remedy I have ever used. I am, very truly yours, F. J. LAUGHLIN, 604 Twenty-first street, between Folsom and Harrison.

MRS. KROLL, 513 Shotwell street, between Twenty second and Twenty-third, says: "Have used your C. C. Liniment and found it a most excellent remedy for pain. I gladly recommend it to others."

MRS. JESSIE McDONALD, 329 Seventeenth street, between Valencia and Mission, says: "Your C. C. Liniment takes effect quicker, and does more good, than anything of the kind that I have ever used."

MR. W. H. BONE, 317 Bartlett street, San Francisco—My Dear Sir: On the afternoon of May 10th, while getting on the cars at Reed's Station, Marin County, I fell over an obstruction and suffered a severe dislocation of my left hip. After it was set I suffered severely for two days, not being able to move my limb, or suffer it to be moved by my nurse without great pain. I then commenced using your C. C. Liniment, which gave me immediate relief and at the expiration of three days I could turn over in bed without assistance and without pain. I can say I cannot say of other liniments. I am improving every day, and send you this testimonial, trusting that it may induce others who may be suffering to use the C. C. Liniment, with the wish that it may help them as much as it has me. I am very truly yours, MRS. A. S. FALLS, No. 135 Fair Oaks street.
