

RAILROAD EXTENSION.

New Lines of Travel Through the San Joaquin Valley.

Double Railway Service to Fresno—Branch Lines Being Built by the Southern Pacific.

A change in the passenger service of the Southern Pacific through the San Joaquin Valley will be made on July 1st. By that time the cut-off of fifteen miles from Colton on the Tracy branch to Fresno will be completed and the Los Angeles express, both north and south-bound, will make Nos. 17 and 18, respectively, will take use of it and run via Tracy, Mendota, Colton and Fresno, instead of via Lathrop, Merced and Fresno, as at present. The latter route, however, will be continued to be followed by the New Orleans express, or trains Nos. 19 and 20.

By this change, together with the addition of a new local passenger train between Lathrop and Tulare, the passenger service will be distributed over a wider area in the valley, doing nothing, however, to decrease the service between Lathrop and Fresno, because the new local train above mentioned will take the place of the Los Angeles express on that portion of the main line.

CHANGE OF TIME.

On the date already mentioned the Los Angeles express will leave San Francisco at 5:30 p. m., instead of at 5 p. m., as at present. At Tracy it will connect with train 104, leaving Sacramento at 7 p. m. Fresno will be reached at 12:01 a. m. and Mojave at 6:50 a. m. At the latter place passengers will breakfast and connections be made with the Atlantic and Pacific. Saugus will be reached at 9:55 a. m., connecting with train 41, which arrives at Santa Barbara at 1:30 p. m. Los Angeles will be reached at 4:30 p. m. Train 18, or the Los Angeles express, northbound, will leave Los Angeles at 2 p. m. and arrive at Saugus at 5:55 p. m., where connection will be made with train 42, leaving Santa Barbara at 12:30 p. m. Mojave will be reached at 7:10 p. m., in time for supper and for connection with the Atlantic and Pacific. At 2 a. m. the train will arrive at Fresno and reach Tracy at 6:50 a. m., connecting at the latter place with train 103 for Stockton, Sacramento and eastern points via Ogden. The train will arrive in San Francisco at 8:45 a. m., and at the Oakland pier connection will be made with train 83 for Niles and San Jose.

Both north and southward the Los Angeles express will have a dining-car between Oakland and Tracy, and a sleeping-car service between San Francisco and Fresno.

A NEW LOCAL SERVICE.

The new local passenger train between Lathrop and Tulare will leave the former place at 8 p. m., connecting with train 35 leaving San Francisco at 4 p. m., and with train 101 leaving Sacramento at 7 p. m. It will arrive at Tulare at 2:15 a. m. Returning it will leave Tulare at 7 p. m., and arrive at Lathrop at 11:30 p. m., connecting at the latter place with train 83 for Stockton, Sacramento, Colfax, Oroville and Red Bluff; and with train 84 for San Francisco, which connects at Niles with the train for Santa Cruz, San Jose and Monterey, and arrive at San Francisco at 4:45 p. m.

The Yosemite sleeping-car service is to be handled on train 35, leaving San Francisco at 4 p. m., Lathrop at 8 p. m., and Berkeley at 6:50 a. m., arriving at Raymond at 6:50 a. m.

With the inauguration of this new passenger service the Southern Pacific feels that their system is firmly established and will have the mastery over all competitors in that part of the valley north of Fresno. Having a line from Sacramento and Stockton to Lathrop, and from Lathrop and Tracy into Oakland, a line on the west side of the valley, one through the center and one on the east side down to Merced, about the only thing left to do is to build down from Merced to Sanger, thus completing the east-side branch.

SOUTH OF FRESNO.

In the valley south of Fresno they already have their main line, the east side branch from Fresno to Poso, via Porterville, and the continuation of the Tracy branch from Fresno to Armona, and thence via Hanford to Coalinga, and from Coalinga to Goshen branch. As supplementing this lower valley system, Mr. Huntington is already building out from Bakersfield a distance of fifty miles in a westerly direction to some bituminous rock beds, and he has in contemplation a line from Hanford, on the main line, south to a point on the main line, west from Bakersfield, and at another point on the latter branch a line will be built up to Mendota on the Tracy branch. In addition, it is contemplated to build from Poso on the main line over to San Miguel on the coast division and to continue the Goshen branch from Alameda up to Tres Pinos or Armona, where are points on a branch line of the coast division.

SUPPOSED TRAIN ROBBERS.

Important Arrest of Two Men Over in Nevada.

Deputy Sheriff Burnham of El Dorado has made what appears to be two important arrests. He captured at Carson City two men who stole a valuable horse from Harry Wackman's horse farm a couple of weeks ago, whom he had been following ever since the date of the theft.

Detective Hume, who has also been hunting the thieves, states that they are suspected of having been implicated in an Eastern train robbery that occurred some three months ago. The names given by the men are C. J. Gilford and Charles Bowers, and the Galt Gazette says of them:

"C. J. Gilford and Charles Bowers, the Elk Grove horse-thieves, who made away with Harry Wackman's horse Friday last week, were caught Thursday of this week eighteen miles east of Dayton by Sheriff Botsford and Watson Marks of Carson. Sheriff Botsford, who is from El Dorado County was notified that the men had passed through last Tuesday and immediately went in pursuit, chasing on their heels until they were heading toward Carson when Botsford was notified. He found the trail where they had gone around and succeeded in securing the men at the point above mentioned.

"Up to the moment of their arrest the thieves knew nothing of their followers, who approached them from the rear with drawn pistols. Upon seeing their pursuers one of the thieves turned and said: 'You fellows would have some shooting on your hands if we had got the drop on you.' They admitted their guilt and agreed to return without requisition papers. Both are now in jail at Carson, and will be taken back to California with their stolen property."

COUNTY SCHOOLS.

Promotions Approved by the County Board of Education.

At Saturday's meeting of the County Board of Education recommendations for educational diplomas were granted to Miss Mary Donovan, Miss Alice Morgan and Miss Henrietta Androit.

A Recommendation for a Life Diploma was granted to Miss Ada Richardson.

Mrs. Ella Granger Clark was granted a grammar grade certificate on her grammar grade certificate.

The examination of applicants for teachers' certificates will begin June 20th. (Granite District, Folsom, J. E. Blanchard, teacher—Diplomas of graduation were granted as follows: Grace Smith, 10; Daniel Brown, 8; A. P. Finn, 8; Promotions from Seventh to Eighth were: Clara Smith, 9; Charles Spinks, 8; Sarah Rigney, 8; Ned Blanchard, 7; Eddie Plumb, 7; From Sixth to Seventh: Annie Burnham, 8; Alma Miller, 8; Lotta Levy, 9; Annie Lick, 9;

BASEBALL ONCE MORE.

The Valley League Opens Its Series in This City.

An Interesting Game, in Which the Scott & Gilberts Whitewashed the Stocktons.

The Valley Baseball League opened the season yesterday at Agricultural Park under most propitious circumstances. Those who attended the games years ago were reminded of the old Alta-Union games. The management had spared no expense to put the grounds in the finest condition possible. The attendance was much larger than was anticipated, but the seating capacity was ample and the view from the seats much better than could be had from the seats at Snowflake Park.

The Scott & Gilberts and Stockton teams were the opposing sides, and if the sample of ball they put up yesterday is any criterion by which to judge of their future work, it is safe to say the games will be well attended. The home team played an errorless game up to the ninth inning, while the visitors made but few errors.

The pitchers both played great ball. Hapeman allowing but four widely scattered hits, while the same number were made off Chase.

The line-up of Denny and Stafford was unusually good, and the base-running of the former was the feature of the game. Ned Stapleton and Creaner each played a fine game at first base, and the former was well received each time he came to bat.

In the first inning Stapleton reached second on Stapp's sacrifice and scored on a wild pitch. Nethercott was safe in the second inning on Lewis' error, while Denny stole second and scored on Hapeman's single. Hapeman reaching second on the throw-in. He stole third base and scored on Lewis' error.

No more runs were made until the sixth inning, when Nethercott hit safely in right field, took second on Pacho's error and scored on Lewis' drive.

The clubs created a favorable impression when they marched on to the diamond behind the Hasser band, their many uniforms and their accompaniment of brass and string instruments, and their much favorable comment. The impression among the spectators was that the Valley League had come to stay.

There is a possibility that the game scheduled for Stockton next Sunday will be played here between the same clubs, if the Stockton grounds not being yet in condition. Following is the score of yesterday's game:

Table with columns for teams (Scott & Gilberts, Stocktons) and statistics (Runs, Hits, Errors, etc.)

A GAME AT BRIGHTON.

Yesterday the Weinstock, Lubin & Co. Baseball Club made a trip to Brighton, and there met the club of that place. The game was called at 12 m., and was hotly contested, it being necessary to play four-and-a-half hours to decide it. Below will be found the score by innings:

Table with columns for teams (Weinstock, Lubin & Co., Brighton) and statistics (Runs, Hits, Errors, etc.)

THE QUARRYMEN.

The Quarrymen Association is to be organized. A delegation from the Federated Trades of Sacramento visited Rocklin yesterday and addressed the quarrymen's association at that place, with the object of inducing the association to affiliate with the Sacramento Federated Trades.

COULDN'T DO IT.

A One-Legged Man Who Met With an Accident at a Dance. A cripple, giving his name as Ray Nichols, was transferred from a car returning from Oak Park at 10 o'clock last night and taken in a cab to the Receiving Hospital.

He had but one leg, the other being amputated at the knee. According to his story he had while setting for the dance, or climbed upon the piano to look on, he was averse to saying. His injury was not serious, although evidently painful. He stated that he had just come in from the country. Captain Bradley looked after his welfare.

FIRST OPEN-AIR CONCERT.

It will Take Place at Capitol Park on Wednesday Evening. The initial open-air concert of the season will be given on Wednesday evening, out of compliment to the Native Daughters of the Golden West. It will be by the First Artillery Band, the choice having been decided by a toss-up between the leaders of that and the Hussar Band.

MILITARY DRILLMEN.

They Will Resume Practice Soon—Yesterday's Scores. The water is off the target ranges, so that by another week all the companies can resume their shooting practice.

Negotiations are pending for a team match of ten men each at the Folsom Prison, between the Folsom Prison guards armed with Winchester, and

Company E, the local champions, armed with Springfield rifles.

Next Sunday will likely be settled upon as the date for the semi-annual shoot, and the staff trophy contest will occur on the following two Sundays.

The scores at Company E's ranges yesterday were: 38 Priv. J. L. Hughes, 42 Capt. Seymour, 38 Priv. O. E. Hughes, 41 Sgt. Johnson, 39 Priv. O. E. Hughes, 41 Sgt. Johnson, 38 Priv. O. E. Hughes, 41 Corporal Adams, 40 Priv. Nethercott, 38 Corporal Adams, 40 Priv. Nethercott, 37

Cool and Cloudy Weather. The Weather Bureau reports show the highest and lowest temperatures on Saturday and yesterday to have been 70° and 59° and 73° and 60°.

The barometer readings at 5 a. m., and 5 p. m., yesterday were 29.92 and 29.75 inches, with brisk southerly winds and a nearly clouded sky.

The barometer fell quite rapidly yesterday, and when coming to land, Lieutenant Finley's forecasts for to-day will be looked for with more than usual interest, especially by the haying men, for rain they do not desire.

The highest and lowest temperatures one year ago on Saturday were 72° and 60°, with 48 of an inch of rain; one year ago yesterday, 73° and 63°, with a trace of rain, and one year ago to-day 72° and 59°, and also a trace of rain.

Unpleasant Picnic.

The children of the Unitarian Sunday-school, with their parents and friends, had a day of true enjoyment at Oak Park on Saturday last. The tables, spread on the commodious platform, were filled with delicacies, of which all partook with true relish.

During the afternoon a class of twelve pupils of Mrs. Clara J. Carson's delighted to play with their parents, and to accompany them on the mandolin, several pleasing songs, emphasizing each with graceful jestures.

No Superhuman Strength, but Natural Vigor.

To attain the muscularity of the individual who snags steel shackles like twigs by simply bending his arm is vouchsafed to few. But to acquire a reasonable amount of physical power and endurance, to sleep and eat, to digest well, to possess an equable and nervous system, is possible to the nervous, enfeebled and dyspeptic invalid who begins and pursues a course of Hostetter's Stomach Bitters. The fruition of his hopes is not remote either. Speedily felt are the tonic effects of the inimitable invigorant, and they are no less permanent than prompt of attainment. The bowels, the liver, the stomach, the kidneys—all co-operate, under the benignant influence of this complete medicine. The insure those stable guarantees of health, harmony, regularity, vigor of action, never was there discovered a medicinal agent better calculated to actuate and keep moving the main springs of healthful vitality. Use it for malaria, rheumatism, indigestion, biliousness, kidney complaint, is grippe.
