

WANT NO COMPROMISE.

Valley Men Determined to Oppose Hydraulic Mining.

They Form an Organization to Suppress the Former Anti-Debris Association.

In accordance with a resolution adopted at the Anti-Debris Convention held in this city on June 10th a number of members of Boards of Supervisors of various counties met in this city yesterday for the purpose of consulting and consolidating their efforts in preventing hydraulic mining. There were a number of other citizens present who had been invited to attend and give their moral support to the object of the meeting.

Although yesterday's meeting had been provided for by the convention of June 10th, as stated, W. S. Green, Chairman of that convention, had also issued a call (as published in the Record-Union a week ago) for the reassembling of the June convention. The result was that yesterday there was a conflict of opinion as to how the meeting should organize.

It was called to order about 11 o'clock by Mr. Green who explained the object and results of the June convention and said the meeting was properly one of the Supervisors of various counties. There were really, then, two bodies here present. The Supervisors would first organize, and the Advisory Committee appointed by him (Green) might organize afterwards. The counties were then called and the following Supervisors were found to be present: Yuba—T. J. Arnold, T. M. Hawley, J. C. Rusby, S. H. Bradley and T. B. Hopkins.

Colusa—W. N. Herd, J. O. Zumwalt and C. C. Felts. Sacramento—Erskine Greer, G. O. Bates, M. Miller and Andrew Black. Sutter—L. P. Farmer, W. H. Smith, P. L. Bunce, W. T. Spilman and H. Summy. Glenn—A. L. Storer, J. E. Pifer.

Mr. Green then announced the appointment of the following Advisory Committee under a resolution of June 10th: Hon. E. R. Dray, Hon. William Johnston, Sacramento; A. H. Wiber, Sutter; Dr. D. P. Durst, Edwards Woodruff, Yuba; Ed. Ross, Glenn; Hon. A. H. Ross, Colusa; Hon. J. W. Snowball, Hon. L. B. Adams, Yolo; W. H. Garnett and Peter Hamm, Solano, and M. D. Curtis of Sutter. Most of these gentlemen were present.

The Supervisors then organized by the selection of E. Greer of Sacramento as Chairman, and Robert Cosner of Colusa as Secretary. The Advisory or Executive Committee organized by electing W. S. Green as its Chairman and Robert Cosner as its Secretary. Mr. Green called attention to the fact that there were persons present who were neither members of the Advisory Committee or Boards of Supervisors, and he would like to hear from them, if they are friends of the cause. He said that the meeting was called for a consultation by friends of the anti-hydraulic mining movement.

HOW TO GET AT IT. J. W. Snowball of Yolo said there were two distinct bodies in session, and he wished to know if they were to be merged in one and work together, or if they were to work separately. Mr. Bates of Sacramento understood the chief object of the meeting of the Supervisors was to consider the financial means to devise means for carrying out the objects of the convention. He thought the meeting should take a recess until 1 p. m., and in the meantime the Supervisors could meet and come to some understanding as to what they should do. The suggestion was accepted, the Supervisors got together, and the others withdrew.

Yolo County having no representative present, Mr. Bates said it seemed very strange to him that Yolo took no interest in a matter in which she is so deeply concerned. Mr. Farmer of Sutter said the other counties could not afford to wait on Yolo. Their duty was to protect themselves, whether Yolo did so or not.

Mr. Bates did not believe Yolo intended doing anything. Supervisor Snider was then in the city, and if he cared anything about the matter would be present. The idea was to raise money to protect the interests of the valley counties. Those present should agree upon some plan, and then when the Advisory Committee came in they would be prepared to act. Chairman Greer said it was not right for a few counties to leave to bear the expense of litigation, and they should pool their issues and put money into a common fund to be used for defensive purposes.

The delegates briefly expressed their views on the subject. C. C. Phelps of Colusa favored the appointment of one member of each Board of Supervisors to constitute an association to look after the prosecution of hydraulic miners. Said the reason no more had been accomplished in the past was that the counties interested had not all worked together. Yuba had paid out a great deal of money, and was getting nothing for it. If Yuba and Sutter had expended the money they have paid out to lawyers in building levees, they could have leveled the rivers from the foothills to Sacramento in a way that would have protected them for all time. Mr. Bunz of Sutter said his county had paid out over \$100,000 in protecting herself against the effects of hydraulic mining, and is much better off than Sacramento and Yolo. While Sutter could protect herself, the counties farther down the valley cannot, unless they join with others for the common good. One thing alone on the Feather River would have filled up the Sacramento River to the top of its banks if that mine had not been stopped. It was argued that the attorney would do all the legal work for an organization of Supervisors, and it is to have each county paying out large sums of money to different lawyers. There should be unity and a consolidation of interests. The present system of working in counties was severely criticized by several of the delegates.

VERY LITTLE ACCOMPLISHED. Mr. Rusby said that while he had every confidence in the honesty and ability of the gentlemen managing the Anti-Debris Association, the fact remained that it was expending a great deal of money and accomplishing nothing. That was what he objected to. If Yuba is to continue to pay out money he wanted to see some results therefrom. The Supervisor of that county had paid for the services of watchmen for thirty to thirty-one days in the month, and Mr. Greer had just stated that the Sacramento Supervisors had paid bills for watchmen covering the same period. He wanted to know how these watchmen had been paid twice for the same work. A gentleman from Yuba explained that the watchmen had not charged the Yuba County for the time employed on the American River.

At 12:30 o'clock the meeting took a recess till afternoon.

A DOUBLE-HEADER.

When both bodies convened in the afternoon well-filled, several more persons having come in, increasing the number to about seventy-five. Chairman Greer announced that the Supervisors had arrived at a definite understanding and suggestions were in order. George Ohleyer, manager of the Anti-Debris Association, being called upon, gave a history of the history of anti-debris litigation in this State, the work done by the Anti-Debris Association of the Sacramento Valley, and of the efforts resorted to by hydraulic miners to pursue their calling despite the edicts of the State and Federal courts. He concluded by expressing the hope that the present association would accomplish something definite for the protection of the rivers and lands and homes of the valleys. The members of the Anti-Debris Association were then called upon to relax their efforts until the last nozze of the hydraulic miners had been shut off.

Mr. Ohleyer referred to the bill before Congress relating to hydraulic mining, the proposed construction of restraining dams, etc., and their present status, to all of which propositions he was opposed. In reply to questions asked, Mr. Ohleyer explained a number of things connected with the anti-debris litigation cases which the court had passed upon. The present Attorney-General Miller was opposed to the use of the name of the Anti-Debris Association, and it would be necessary for the people to get up as strong a petition as possible to him. The W. Department is with us, but it has no money to work with and the miners care not for anything in the interest of the people. Let it be shown to the Attorney-General that the people of the counties of the Sacramento Valley had paid out over \$200,000 to prevent the hydraulic miners from violating the decrees of the Federal courts.

MR. SHERWOOD'S SUGGESTION. T. J. Arnold of Yuba offered a resolution, but before it was read T. J. Sherwood of Yuba said the object of the meeting was to organize the people of the counties of the Sacramento Valley had paid out over \$200,000 to prevent the hydraulic miners from violating the decrees of the Federal courts.

After recess the committees appointed were announced as follows: On Permanent Organization—J. W. Hughes, E. M. McGraw, John O'Connor, M. H. Burdette, J. E. Pifer, J. C. Rusby, and J. W. Snowball. On Credentials—R. H. Singleton, W. O. Davis, J. M. Sullivan, John Miller and Timothy Lee. On Platform—R. D. Stephens, James A. Brown, John W. Marsh, Ed. Rego, W. H. Williamson and A. E. Reynolds.

On call to order the report of the Committee on Credentials was unanimously adopted. The report of the Committee on Order of Business provided that the temporary officers be declared permanent, and that the following be the order of business in the convention: First, nomination of a Senator. Second, three assemblies. Third, nomination of county and city officers, and, lastly, the election of a County Central Committee.

THE PLATFORM. The report of the Committee on Platform and Resolutions was read and the National Democratic platform endorsed. The platform was adopted by a unanimous vote. The platform is as follows: Resolved, That the representatives of the Democratic party of Sacramento County in convention assembled hereby endorse the declaration of principles and the platform adopted by the National Convention of the Democratic party at Chicago and the State Convention at Fresno, and pledge ourselves to the earnest support of our standard platform, Governor Cleveland and Adlai E. Stevenson, for President and Vice-President of the United States.

SENATOR AND ASSEMBLYMEN. Nominations for Senator were announced to be in order, and J. W. LaShields was nominated by J. W. LaShields. The nomination was seconded by John Miller and J. W. Hughes, both gentlemen making brief speeches endorsing Mr. Johnson as capable, honest and efficient.

On motion, nominations for Senator were declared closed, and Johnson's nomination made unanimous. Then followed nominations for Assemblymen, and O. S. Flint for the Nineteenth District, W. C. Catlett for the Twentieth District and Gilbert Doty for the Twenty-first District were made by acclamation.

On motion of R. D. Stephens, the nomination for County Clerk was passed, and was referred to the County Central Committee. On motion of J. M. Sullivan the nomination of Sheriff was passed, and was referred to the County Central Committee.

DEMOCRATIC HOSTS.

What They Did in County Convention on Saturday.

A Rather Harmonious Gathering—Three Positions Left to the Central Committee to Fill.

The regular Democratic County Convention was held on Saturday at Turner Hall. It was called to order by W. S. Leake, Chairman of the County Central Committee, who made a brief address stating the business of the convention. In referring to the County Central Committee, he said that upon assuming its duties they found the treasury exhausted and the old committee in debt. They had made a canvass, which resulted in the collection of \$600, and now returned the charge of the committee to the party entirely free from debt.

There were 114 delegates present, and 25 others represented by proxy. Mr. Leake said the first thing in order was the nomination of a Temporary Chairman. J. M. Stevenson of Franklin was placed in nomination, and was elected by acclamation. H. Stevenson acknowledged the honor, and thanked the convention in a few words.

W. S. Leake was nominated for temporary Secretary and elected by acclamation. M. Sweeney and Lafayette Morrison were elected Sergeants-at-Arms. The County Central Committee was organized, and the following committees were appointed: On Credentials—R. H. Singleton, W. O. Davis, J. M. Sullivan, John Miller and Timothy Lee. On Platform—R. D. Stephens, James A. Brown, John W. Marsh, Ed. Rego, W. H. Williamson and A. E. Reynolds.

delegates present fifty cents each. He made the motion that the assessment be made, and the Chairman appointed Mr. Stephens and J. M. Sullivan to collect the assessment. The collection resulted in the accumulation of \$750, which was turned over to the Chairman and Secretary. A recess was again taken to give the district delegates a chance to name nominees for Supervisors.

SUPERVISORS NOMINATED. After recess Supervisors were nominated as follows: Second District—Martin Penning, Jr.; Third District—J. M. Morrison. The nomination of Supervisor from the Fourth District was passed, and the delegates authorized to call a meeting at Hangtown Crossing on September 1st, and select a nominee. This action was opposed by a minority, and quite a wrangle over the matter took place.

JUSTICES OF THE PEACE. Nominations for City Justice met with the same fate and on motion of Sullivan was passed. For Township Justice, W. A. Henry was nominated, when W. A. Wall was nominated by acclamation.

CONSTABLES. Nominations for City Constable were about to be passed and referred to the County Central Committee, when W. A. Wall was nominated by acclamation. COUNTY COMMITTEE. After a brief interval the County Committee, composed of three members from each Supervisor District, was announced as follows: First District—R. H. Singleton, Andrew Black and Ed. McGraw. Second District—John Kelly, P. H. Scully and J. M. Sullivan. Third District—John O'Connor, Henry Dean and H. D. Stephens. Fourth District—John M. Speicher, W. H. Williamson and Emmet McNamee. Fifth District—John Miller, J. E. Givens and J. M. Stephenson.
