

WICHITSA RACES

other two came from the wilds of the San Joaquin Valley...

There were no long waits between the acts of Manager Leon's show...

Another, a bald-faced sorrel, bucked his saddle off a half-dozen times before the veterans could get him...

Finally one of the men ran past him, and just then Brown's "huckamore" broke, and the horse took a tumble while going at full speed...

Then Miramonte gave a fine exhibition of horsemanship riding on a roan mustang, which could not buck him off...

So satisfactory was the exhibition that the directors announced that another would be given at 11 o'clock to-day...

The winner is to receive \$40, the second best rider \$30 and the next \$20.

Five Exciting Events—Two Favorites That Were Not In It.

There was a good average attendance at the races in the afternoon, the track being, as usual, in fine condition.

Royal Baking Powder.

Splendid Tribute

THE SAN FRANCISCO BOARD OF HEALTH

URGES THE USE OF THE

Royal Baking Powder.

The magnificent tribute of the San Francisco Board of Health to the great purity and wholesomeness of the Royal Baking Powder greatly disturbs the manufacturers of the lower grade powders.

We, the members of The Board of Health of the City and County of San Francisco, cordially approve and recommend the Royal Baking Powder. It is absolutely pure and healthful, composed of the best ingredients of the highest strength and character.

In our judgment it is impossible to make a purer or stronger Baking Powder than the "Royal."
