

TENTH-STREET PAVEMENT.

A Lengthy Wrangle Before the Board of Trustees.

Dissatisfied Property-Owners Grow About the Concrete Used—A New Test Ordered.

Attorney R. T. Devlin appeared before the Board of Trustees yesterday, and presented a protest from property-owners on Tenth street, from L to N, against the recent asphalt paving job done by Adrian I. Smith on that street.

The petition was signed by Frank Miller, D. D. Whitebeck, Dwight Miller, Dr. G. L. Simmons, H. G. May, A. Cooley, J. W. Marsh, Charles McCreary, Minnie C. Clark, L. A. Nottingham, Mrs. Yule, Mrs. Thompson, Mrs. M. J. Williams, Mrs. M. C. Monke, M. E. Dickman, F. C. Kramer, Mr. C. Lehman, Jennie Conran, John Weil, Mary A. Mier, and Siler Bros.

Mr. Devlin said he represented the petitioners, and was prepared to give the board some evidence.

Trustee Conklin was not sure whether or not this would be the proper method of procedure.

Contractor Smith said he had no objection to the witnesses telling what they knew, or thought they knew.

Contractor George B. Dean, being called upon for his opinion on the bridge, said he did not see how it could be repaired until the water went down.

The matter was finally referred to the Street Commissioner, with power to act.

ASBESTOS.

A Postponement of the Palmer Case Made Necessary.

Counsel for the Defendant Secures a Continuance Until the 17th of the Month.

The case of H. J. Palmer, for the murder of Charles W. Phleger, was called for its second trial before Judge Prewett of the Superior Court.

A. L. Hart, counsel for the defense, asked for a continuance of the case, stating that he was suffering from a bronchial attack and feared he would not be able to go through with the trial.

The court took a recess until 1:30 o'clock, to give the attorneys for the defense an opportunity to make a legal showing as to why the continuance should be granted.

When the court convened in the afternoon, A. J. Bruner read a long affidavit to the effect that B. S. Kaup, Samuel T. Greenwood, Thomas A. Brady, J. M. Richardson and Mr. and Mrs. Harry Ruhl, very important witnesses for the defense, had been subpoenaed, but could not at present be found.

District Attorney Ryan did not see any need of a continuance. He stated that nearly all these witnesses had testified at the former trial, and so far as the prosecution was concerned, he was willing that their evidence should be read and used in this trial.

The defense had produced no evidence that there was any more chance of the delinquent witnesses being found in the future than in the past.

He then continued the case until Tuesday, the 17th, and ordered an attachment issued for E. S. Kaup and Chris Wagner.
