

THE J-STREET IMPROVEMENT.

The Work Must All be Finished Next Spring.

Controversy Over the Quality of Cement Used on K Street—Street Poles to be Colored.

At the City Trustees' special meeting yesterday afternoon considerable time was consumed in the discussion of the matter of closing the J-street improvement contract.

Contractor Dennison asked if the new charter would affect his contract.

The Mayor replied that it would not, as the contract was under the present law and binding.

Trustee Conklin objected to raising any question about the new charter. Mr. Dennison had no right to talk about it to the board.

The Mayor said any citizen had a right to address the board and to ask reasonable questions to assure himself of his rights.

Then came a long talk between City Engineer Boyd, Contractor Dennison, Attorney R. T. Devlin and some others and the board about cement to be used on K street for the remaining blocks.

Mr. Dennison said that the cement used on the other blocks was of a quality that he had no objection to, but that the cement proposed to be used on K street was of a different quality.

It was agreed by all that the K-street work thus far has been satisfactory, is good work, and Mr. Dennison was complimented for it by all of the board.

THE J STREET WORK.

Mr. Hatfield presented a paper signed by owners of frontage on J street consenting to the extension of the limit of improvement until May 1st for the completion of the work on that street, including the spreading wider apart of the two tracks.

J. H. Henry said that the asking by Mr. Hatfield for Gallatin & Livermore was just. It was a fact that practically the job means the rebuilding of the tracks on J street.

Mr. Hatfield said that he would not be so sure to begin the work, perhaps, in even January or February. He thought the middle of February would be the earliest.

Mr. Green said work is done all the winter through here.

Mr. Hatfield replied, yes, but men do not invest money on the chances of weather in February.

Mayor Steinhilber and Mr. Green wanted the work to begin at once.

Mr. Conklin moved to make the extension date May 1st.

Mayor Steinhilber asked, "Why not say next October—it is too long. I want to see the work done in my life time."

Mr. Conklin—I want to see a good job, not haste.

Mr. Green—A good job can be done now. Let us have the side work done, curbing, etc. It can go on in winter.

The contract was then read, and Mr. Dennison asked that it be inserted that his company have until May 1st. He would not contract against weather.

Mr. Hatfield said the property owners have signed agreeing to May 1st as a limit. They have to foot the bills.

Mr. Green moved to make the limit March 1st.

Mayor Steinhilber moved to amend to fix it April 1, 1894.

The Mayor asked Mr. Hatfield if his railway company had not rails fit for J street that are laid out for other streets.

Mr. Hatfield replied, yes, if we can get extension of time on the lines.

Mr. Green and the Mayor—We will give you extension on those lines.

day to have been 80° and 51°, with gentle to fresh southerly winds and clear weather prevailing.

There were a few cirro cumulus clouds (fair weather clouds) floating in the air during the middle of the day for several hours.

The barometrical readings at 5 A. M. and 5 P. M. were 29.92 and 29.79 inches, respectively.

The highest and lowest temperatures one year ago yesterday were 92° and 64°, with a trace of rain, and one year ago today 93° and 62°, and no precipitation.

SUPPLEMENTAL REGISTER.

If Not Ordered, Hundreds Will be Disfranchised.

"I hear it reported," said County Clerk Hamilton yesterday, "that there is danger the City Trustees will not order the printing of supplements to the Great Register for the coming election. If so, it is too bad, for in that case there will be several hundred good citizens disfranchised."

"It is not true, as I am told one of the city fathers has remarked, that most of the newly-registered men are hobos," continued Mr. Hamilton. "They are good citizens—chiefly those who have changed their ward residence since the last register was made in 1891."

"Beside, by these reregistrations many errors are being corrected in the register, and it would be a shame to deprive so many of the right to cast their ballots at the city election, as the whole complexion of the election may be changed thereby."

"How many new and reregistrations are there now?" inquired the reporter.

"Well," replied Mr. Hamilton, "there are now some three hundred, and they are coming in so rapidly that the list will be a long one before election day. I can't understand how anyone can favor the disfranchisement of these citizens."

"By the way, I forgot to say that a great many of those now registering are native sons, who have their first ballots to cast, and I tell you they don't like the idea of being disfranchised."

LIQUOR TO INDIANS.

Joe Wing Will Have to Answer to a Charge of Felony.

In the Police Court yesterday Joe Wing was arraigned for selling liquor to Indians. Officer Franks testified that he saw Peter Jones, an Indian, give Joe a half-dollar and he went and got a two-bottle bottle of whisky at the saloon on Second and J streets, and gave it to Peter. He arrested Joe Wing.

Officer Doie heard the Chinaman say to the Indians: "You give me more money, I get you some more." He and Franks then arrested them.

The Indians corroborated the testimony of the officers and Joe Wing was held to answer to a charge of felony, with bail fixed at \$1,000, and the Indians required to furnish bonds for their appearance as witnesses.

ABOUT TO BOIL.

The Political Caudron Nearly Ready to Bubble.

Meeting of Partisan Committees Last Night—Republican Primaries on Saturday Next.

The political pot is a-sizzling, and ere many days will be at boiling heat. Causes, primaries, conventions and combinations are the chief topics of conversation everywhere in the city these days.

The Republican City Central Committee met last evening, David Falconer presiding. It was resolved that caucuses be held in each of the nine wards under the new charter on Friday evening next at 5 o'clock.

The boundaries of the new wards are as follows: First Ward, north of K and west of Sixth street; Second, south of K and west of Fourth street; Third, south of K, Seventh to Fourth street; Fourth, north of K, Sixth to Tenth street; Fifth, north of K, Tenth to Twelfth street; Sixth, south of K, Seventh to Eleventh street; Seventh, south of K, Eleventh to Nineteenth street; Eighth, north of K, Sixteenth street to east boundary of city; Ninth, south of K, and East Nineteenth street to east boundary of city.

Primaries will be held in each of these wards from 2 to 6 P. M. on Saturday, at the convention will be held on Tuesday next, at 7:30 o'clock, in Pythian Castle. The delegates to the convention will be 161 in number.

THE ORGANIZED DEMOCRACY. The Central Committee of the Reorganized Democrats held a meeting last night for the purpose of discussing a time for holding their convention and appointing a list of delegates thereto. No action was taken, however, and they will meet again on Thursday evening to select delegates and fix a date for the convention.

YOUNG NON-PARTISANS. This evening the Young Men's Non-Partisan Club will hold its nominating convention. There are various rumors about as to the result. Some say the Club will endorse Knox for Mayor, while others believe that another than he has already been selected for that honor.

DEMOCRATS REGULAR. The committee of the regular wing of the Democracy held a conference last evening, but took no definite action, further than to resolve to nominate its own candidates for Trustees in all the wards. The committee will meet again the latter part of the week.

NOT IN THE FIELD. J. M. Morrison, Chairman of the Board of Supervisors, requests the RECORD-UNION to say that all statements to the effect that he was in the field for the Mayorality was without foundation. He says he has not been, is not now, and will not be a candidate for the nomination for Mayor, and that the use of his name in that connection is without warrant.

A. J. Senat, whose name has been used in connection with the Republican nomination for Trustee in the First Ward, talks the same way. He says no one has been authorized to say that he is a candidate, and he would not accept the nomination.

STEVENS ARRESTED AGAIN. This Time on Suspicion of Stealing a Pair of Gloves.

Officer Alter yesterday arrested Tom Stevens, who recently served a term in the County Jail for beating a squaw with whom he lived, and another for escaping from the chaingang, on suspicion of stealing a pair of gloves which he found him trying to sell.

He claimed that Ed. Brady, who is doing six months in jail for battery, gave them to him, but Brady told Alter he did not do so. He told a Deputy Sheriff last night, however, that he gave them to Stevens shortly after his sentence.

Sidewalks Condemned. The City Board of Trustees yesterday condemned the following sidewalks on the report of the Sidewalk Inspector: The west half of lot six, L and M, Eighth and Ninth streets and the north half of lot four, I and J, Fifth and Sixth streets.

Good News to Beer Drinkers. Endowed with the spirit of progressiveness, ever alert to public demands and realizing the fact that customers desire only the best, Jim and Harry, the successful and well-known caterers, located at 1009 Third street, have concluded to abandon inferior qualities of beer, and have perfected arrangements whereby the celebrated Wm. J. Leupp's extra pale lager beer can be found at their favorite resort.

HEART-RENDING OCCURRENCE.

Drowning of Joseph Tash's One-Year-Old Child.

The Sad Accident Happened Only a Few Yards From Where the Parents Sat.

As terrible calamity was last evening visited upon the home of Mr. and Mrs. Joseph Tash, a young couple, whose home is near the river, some six miles south of the city, by which they were bereft of their youngest child, just 1-year old, and under the most distressing circumstances.

Along toward dusk they took their three children and sauntered down to the river bank, where the husband and wife sat down to rest and discuss domestic topics. After a little while the children wandered off up the river bank, the two older ones assailing the little toddler.

The children had been out of sight for some time, when the parents walked up the bank to look for them, the shrubbery and weeds being so thick along the narrow path that the little ones could not be seen.

The two older children were soon found, but the youngest was not with them, and they did not know where it was. Fearing the infantile toddler was lost in the brush or drowned, the parents became greatly frightened and they called upon some neighbors to help them in the search for their darling.

The almost distracted parents called aloud piteously in the hope of hearing some response from the infant, but in vain. After searching for some time the little one was seen floating in the water, close to the bank, and was quickly recovered.

Its skirts had caught upon a small branch of a tree resting on the surface of the water, which kept it from sinking, but life was extinct.

The agony of the parents when the lifeless body of their infant was laid upon the bank is said by a neighbor to have been most heart-rending.

Coroner Clark was notified of the distressing occurrence, but did not bring the body to the morgue.

NEGLECT OF DUTY.

Three Local Guardsmen Tried Last Night by a Military Court.

In accordance with the orders issued by Colonel J. W. Guthrie, commanding the Second Infantry Regiment, N. G. C., a regimental court martial (Captain W. W. Greer presiding) was held at the headquarters last night for the trial of three privates of Company A for neglect of duty.

The charges against the offenders were preferred by Lieutenant Lloyd, and the specifications of each charge were absence at drills. The accused pleaded not guilty.

Testimony was introduced showing that the defendants were guilty of the charges preferred against them.

After the trial had closed Captain Greer subjected the negligent soldiers to a severe lecture, pointing out to them the seriousness of the offense with which they were charged.

The cases were taken under advisement, and the result of the trial and the names of the offenders will be announced in regimental orders in the near future.

Reduced Insurance Rates.

For the past five years there has been an independent insurance agency in San Francisco under the management of Mr. E. W. S. Van Slyke, which has stood aloof from all trusts and combines, preferring to write good business at a reduced rate and let the poor business look out for itself.

Pursuing this course during that term Mr. Van Slyke has written \$300,000 in premiums and lost less than \$6,000, most of which was in the Buffalo Brewery fire in this city. As Sacramento has the best insurance record of any city in California Mr. Van Slyke has decided to establish a permanent agency here, and has commissioned Mr. E. Scheppelmann, formerly with A. A. Van Vorhes & Co., to take charge of the business.

Arrangements have been made so that the local insurance agents need lose none of their present business, as they can place the same with this agency at the reduced rates and still be paid a fair commission. Mr. Scheppelmann has opened an office at 628 1/2 street and will be fully equipped for business in a short time.

Notice to Water-Takers.

All persons indebted to City Water Works after October 1, 1893, will be delinquent, and the additional penalty of \$1 to \$10 will be charged for turning off and on.

In the Matter of Reclamation District No. 349.

THE PETITION FOR THE FORMATION of said district having heretofore been approved by this board, and the land-owners of said district having heretofore adopted and recorded their by-laws.

Now, on the application of JAMES S. FOSTER, a land-owner of said district, it is therefore ordered.

That an election be held for the purpose of electing three Trustees of said district on FRIDAY, October 6, 1893, commencing at 10 o'clock A. M. and closing at 4 o'clock P. M. on that day, and that notice thereof be published in the Sacramento DAILY RECORD-UNION, a newspaper of general circulation in said county, for one month, and that the County Clerk sign said notice.

And it is further ordered that said election be held on the ranch of Archibald J. Peck, in a building there existing for that purpose, being situated in the south part of Section 1, Land Survey No. 301 of Yolo County, the same being on Sutter Island, Sacramento County, Cal., and that Henry Cook be and he is hereby appointed Inspector, and Archibald J. Peck and Charles Hustler be and they are hereby appointed Judges of said election.

Witness my hand and the seal of said County, this 27th day of September, 1893.
