Wheat Market at San Francisco a Shade Firmer.

Cold Weather Has a Depressing Effect upon the Fruit and Vegetable Market.

The local produce markets were not very active yesterday, but values were fairly well sustained.

The wheat market is a shade firmer and spot wheat is a fraction higher.

The cold weather has had a very depressing effect on fresh fruits and vegetables, and sales are very slow.

Receipts of produce yesterday were rather heavy and stocks in nearly all lines are in excess of trade requirements.

Among fruit-dealers the auction of five carloads of Oranges announced for to-morrow noon is attracting very attention.

EDWIN K. ALSIP & CO. THE OLDEST AND LEADING Real Estate House

IN CENTRAL CALIFORNIA OFFICES: 1015 Fourth Street, - Sacramento 14 Montgomery St., - San Francisco 17 North First Street, - San Jose

The past year has been in many places outside of Sacramento a most severe one from a financial standpoint.

The few and small failures here demonstrate what the steady growth of a city means: General prosperity and bright prospects for its inhabitants.

Sacramento real estate has not depreciated, large sales and many of them have been made and, while none of the boom fuss has been made of the business done by "we real estate men," the record for 1893 is not to be sneezed at.

The outlook for 1894 is bright in our line. That means good times for everyone. Let all have a good word for Sacramento.

WE HAVE to offer a piece of good property facing the City Plaza that the owner desires to dispose of as soon as possible.

WE also have property to exchange for country property. Money to Loan. Collections of Rent and Interest.

Carefully Done. Insurance in Good Fire Companies. EDWIN K. ALSIP & CO., SACRAMENTO.

W. P. COLEMAN, REAL ESTATE SALESMAN, 326 J STREET. FOR SALE. L STREET.

1015 FOURTH ST., SACRAMENTO. ARARE OPPORTUNITY Good Agricultural Land for \$10 to \$20 per Acre.

The Pacific Improvement Company has recently purchased twelve thousand acres of land in the heart of Tehama County.

The primary object of the purchase of this body of land was the breaking up of a large holding for the purpose of promoting its settlement in smaller quantities and its devolution to diligent husbandry.
