FATALLY WOUNDED. M. E. Dawson shoots himself with suicidal intent. About noon yesterday a man named M. E. Dawson, living on the Harlow ranch, about three miles east of Parkins, shot himself with a 36-caliber Colt's revolver.

Word was sent to the County Hospital and Dr. White sent out the ambulance and had the wounded man taken to the hospital. It was found that the bullet had entered just above the abdomen, passed through the body and lodged near to and just to the left of the spine, whence it was extracted.

Dawson could not be induced to talk about the shooting. As he was, however, once an inmate of an insane asylum, it is supposed the act was committed during aberration of mind. The wound is a very serious one and likely to prove fatal.
