One of the Japs had his head quite badly cut by a stone. The Reward is \$1,300. Sheriff Officer of Butte County writes to the Record-Union as follows, under date of the 20th: "In the Record-Union of this date, referring to the reward offered by Governor Markham for the arrest and conviction of the person who murdered Mary A. Mudgett, you say that her relatives have offered \$500. We offer \$1,000, which, with the Governor's offer, makes \$1,300. Please make the correction."
