COMPARISON OF THE RECORD.

Our esteemed contemporary, the Sutter Independent, displays a feebleness in its powers of inference which it would be well to avoid.

Mr. Johnson to Congress because he is equipped as are the few only by legislative experience, learning, aggressiveness and courage.

AMONG THE MINERS

Hon. Grove L. Johnson's Reception at Forest Hill.

A correspondent of the RECORD-UNION, writing from Forest Hill, Placer County, under date of the 28th, gives the following account of the meeting addressed on Saturday night by Hon. Grove L. Johnson:

"Last evening Grove L. Johnson had a splendid reception in this town. He was met about half a mile from the town by a brass band and a torchlight procession composed of footmen and men on horseback escorted to the hotel, which had been very prettily decorated with flags and draperies.

"Mr. Johnson defined his position on the highly pending bill and the mining question satisfactorily to the people.

"Harold T. Power was President of the meeting, assisted by a large number of Vice-Presidents.

A DANGEROUS ROAD

Yolo Country are Nightly Beset by Footpads.

The highway road from Washington to Woodland is much more safe to travel by daylight than after dark at present.

On Friday night a rancher named Clifford, who sold a load of hay in this city was stopped near Loyd's ranch, above Washington, on his way home, by a negro and a white man, who commanded him to deliver his cash.

"Head and shoulders above any other nominees is Mr. Johnson for ability and aggressive force," says a contemporary.

Notaries Public.

Governor Markham has appointed and commissioned the following Notaries Public: John B. Gilson, Los Angeles; D. T. Smouse, Shandon, San Luis Obispo County; Frank Kunsting, Franklin, Sacramento County; J. H. Howland, Napa; E. B. Smallwood, Los Banos, Merced County; G. W. VanDevanter, Kelseyville, Lake County; William A. Vance, Eureka.

Wants the Town Cleared.

Eds. RECORD-UNION: Isn't it about time that we were ridding up a few of the robbers and cutthroats who are now infesting this city?

I, for one, am willing to be one of a hundred citizens who will form themselves into a committee to administer a just punishment upon the first of this horde of scoundrels caught entering our houses or in any way molesting our citizens.

While I have ever been opposed to lynch law, I think the time has come when it should be called into active operation and we can clear this city of this branch, this crowd of thieves that are now here.

ask, how long is this to continue? We pay taxes for a police force, but, bless your soul, I never saw one near my house, and I have been there nine upon six years.

But there is one remedy, and that is to strip up a few of these fellows to the nearest telegraph pole and give the rest of their partners in crime just six hours to leave town.

Will someone start this committee of Citizens in operation? No time is like the present. In a few weeks the Kelly army will be here for the winter, as they are now on the march and are about to move on the Capital, to be here at the meeting of the Legislature. If something is not done I shall rent my house and move to Millipitas. J. W. AMBLER, Sacramento, October 28, 1894.
