

ANOTHER VICTIM OF A TRESTLE.

An Unknown Wanderer Killed By a Freight Engine.

He Rose From a Trestle Just as the Train Came Along—The Body Flights Away.

An unknown man was struck and instantly killed by a freight train last night on trestle No. 84, in the vicinity of the Sheep Camp, between Washington and Davisville.

His body fell into the water and was carried away, before the train hands could reach him.

The man was sitting on one of the lower stringers of the trestle, and had removed one of his shoes, presumably to remove some gravel that annoyed him.

Con Ford, the engineer of the train, was unable to see the man until the unfortunate fellow rose from between the ties.

The train was brought to a standstill, and efforts made to recover the body, but as no boat could be obtained it was found to be impossible.

Under the second car from the engine was found the man's blankets, his shoe, and a barley-sack containing a quantity of provisions, clothing, a pair of scissors and a large table-spoon.

The railroad officials have sent men and boats to the scene of the accident to recover the body, if possible, and the Coroner of Yolo County has been notified.

YOUNG MEN CHRISTIANS.

Exercises to Take Place on Washington's Birthday.

The Young Men's Christian Association weekly noon meetings continue to be well attended, and the interest taken in them encouraging.

The meeting for tomorrow afternoon will be led by Evangelist Shepard, who has been doing good work at the Sixth-street Methodist Church during the past few weeks.

The gymnasium room will be used, as a large audience is expected, and the parlor will be insufficient to accommodate them.

Washington's Birthday will be celebrated at the association rooms in a fitting manner. An extensive programme has been prepared, and refreshments will be served by members of the Ladies' Auxiliary.

Secretary Ekina will go to Wheatland to-day to deliver an address at the Baptist Young People's District Convention at that place this evening.

The debating club, in an animated session Wednesday evening. The question debated was: "Resolved, That the reading of the Bible should be discontinued in the public schools."

VIGOROUS arguments were advanced pro and con. The negative of the proposition carried the day.

ANOTHER DEPENDENT.

Harry Richardson of Boston in Care of the Police.

A young man giving the name of Harry Richardson entered the hide house of Blair & Co., on Front street, yesterday, and stated that he was a Government Inspector.

His strange actions led the employes of the place to believe him insane, and the police being notified, Chief Drew placed him under arrest.

The young man claims to have lately come from Boston, and says that his uncle, whose name he gives as "Lewis," is ex-Mayor of the city of Detroit. He is penniless and out of employment, and his troubles seem to have turned his brain.

Y. W. C. A. NOTES.

The Members Now in Their New and Pleasant Quarters.

The new quarters of the Young Women's Christian Association opened very promisingly during the past week at the corner of Eighth and I streets.

The new home is spacious, full of sunshine and good cheer, and the members feel that with it new possibilities and a larger line of usefulness may be successfully undertaken.

The fact that during January alone 1,465 young women were in attendance at the rooms, in the classes, meetings, the noon rest and lunch hour speaks for itself the need of a pleasant, profitable and cheering home for young women.

The first meeting of the new home will be held on Sunday afternoon at 4 o'clock. It is to be a "promise" meeting, and will be held by Miss Biessel.

The Bible class, in the "Acts of the Apostles," will be held to-night at 7:30 o'clock.

Every young woman is cordially invited to go and enjoy the benefits of those meetings.

ALLOWED TO DEPART.

Vagrant George Finley Permitted to Leave the City.

When George Finley, who had been convicted of vagrancy, appeared for sentence in the Police Court yesterday, his counsel made an earnest plea that he be allowed to leave town, promising that if leniency were shown the defendant would take an immediate departure.

City Attorney Brown said he had nothing to say in the matter; that it lay entirely within the discretion of the court. He believed the defendant guilty and that he ought to be punished.

Justice Davis, in rendering his decision, said: "In consideration of the request of the prosecuting officers the defendant's desire to leave town will be granted. I shall impose a sentence of six months in the County Jail, and the commitment will be withheld for twenty-four hours, with the express understanding that he leaves town. But I wish it distinctly understood that in the future no such request will be granted in similar cases. Hereafter, when persons are convicted in this court, as this defendant has been, they will have to serve their sentences in the County Jail."

Time Extended. Superior Judge Johnson has granted the defendant in the suit of Tully P. De Long against the State thirty days additional time from and after to-day in which to prepare and serve its statement and bill of exceptions on motion for new trial in the above entitled action.

To-day the Red House Company will offer a large variety of ladies' and children's trimmed hats of the latest styles, prices ranging from 60c to \$3, that sold but a short time ago for much more money. Ostrich tips, 5c and 10c up to 50c; long aigrettes, 5c. Felt hats in nearly all styles, from 5c to 25c. See show window.
