Who Wants Pennies?

Anyone who wants to save up his pennies can find an excellent chance just now to do so by making a dicker with Secretary of State Brown.

bore the inscription, "\$2 50, gold," but was quite weighty. Investigation proved that it contained 250 pennies, and although they showed no sign of being gold, they may possibly contain a large quantity. Who wants to speculate?

Y. M. C. A. NOTES.

Class in Free-Hand Drawing Organized—Other Branches. Professor Jackson opened the Y. M. C. A. class in freehand drawing on Tuesday night in the Crocker Art Gallery. There were twelve pupils present and the young men were very enthusiastic over the prospect of a course of evening lessons under Professor Jackson.

When it becomes generally known that these classes are in operation, and the cost so trifling, there will doubtless be more than double the number enrolled. On Saturday evening at 7 o'clock in the same place Ernest Hoen will open a class in mechanical drawing.

The free night school is now crowded, showing the great demand for instruction in this line. The Young Men's Christian Association has secured the services of Mr. Hoen and the use of the Art Gallery, and the list of those who wish to take the course is now being made.

Mr. Arnold will instruct the classes in arithmetic and algebra in the rooms of the association on Friday evening, beginning at 7 o'clock.

The committee appointed to arrange a programme for the opening of the Emerson Literary and Debating Club will recommend the study of "City Government," with lectures on important themes interspersed. The club will open the New Year's programme on Thursday evening, the 16th.

The High School gymnasium class will meet as usual on Friday at 3:30 p. m. There is some talk of a basketball game.

The meeting for next Sunday afternoon is to be a symposium on Bible facts, in which a number of young men will take part.

SOCIAL AND PERSONAL.

F. W. Buckley and daughter of Berkeley are at the Golden Eagle.

Mr. and Mrs. C. M. McCullough of San Francisco are registered at the Golden Eagle.

A most delightful party was given on the evening of the 6th inst. at the home of Miss Helen Richter, 1617 J street, in honor of Miss Helen Richardson and Miss Lella G. Reider, both of whom returned to California college yesterday. The evening was spent in music and games, after which a rich repast was served.

Mrs. Jenny T. Loomis of Stockton, Secretary of the San Joaquin Society for the prevention of Cruelty to Animals, spent yesterday in this city, one purpose of her visit being to look into the workings of the Sacramento Humane Society and gather points if possible of value for the Stockton organization.

Mrs. Loomis was accompanied by Miss Minnie Weber of Oakland.

Rev. Father Grace officiated yesterday at the wedding of William F. Comley and Miss Minnie Fogarty, which took place at the Cathedral, John F. Gormley, brother of the groom, attended the latter, and Miss Anna R. Kelly of Napa performed a like service for the bride. The groom is a well-known attache of the State Printing Office, and the bride is a niece of the late Bishop Manogue. On their return from their wedding trip in the southern part of the State they will establish their home here.

BRIEF NOTES.

M. G. Dandridge has been charged with selling liquor without a license.

Merced yesterday settled its first installment of taxes for 1895 with the State, paying in \$54,240 12. This leaves only two more counties to pay up.

On Tuesday evening, at the Maison Faure, Frank T. White and W. I. Wallace, owners of the "Bee" routes, gave a supper to their carriers. The boys "didn't do a thing" to that supper.

The mail from Scotland has brought to J. H. Watkins, stenographer to the Bureau of Highways, his share of his great-grandfather's estate, amounting to \$5. Mr. Watkins will not resign his position because of this financial windfall.

While delivering papers at an early hour yesterday morning the cart in which Tolin Ekstrom was riding ran upon a pile of sand at Tenth and T streets and was upset. He was thrown on his face, but escaped with nothing worse than a few scratches. The horse left the cart at Seventh and S streets and was found quietly eating hay in his stall at 1218 Fourth street.

John Slater, the mind reader and "psychic wonder," gives his last entertainment to-night at Pioneer Hall.

Weather Notes.

The barometrical readings at 5 a. m. and 5 p. m. were 30.28 and 30.34 inches, respectively.

The highest and lowest temperatures one year ago yesterday were 53 and 41 degrees, with .98 of an inch of rain, and one year ago to-day 50 and 44 degrees, with .10 of an inch of rain.

Letter-Day Saints.

Lds. "Record-Union": Your issue of Monday morning contained an article headed "Letter-day Saints. Yesterday's Double Services Held at Pythian Castle." Now, please allow me the privilege of propounding three questions, which I hope you will be kind enough to answer.

1. Who are these people that meet in Pythian Castle? That is, who is the leader of their church?

2. Where is there church headquarters located?

3. Are they connected with the Letter-day Saints who claim the son of Joseph Smith, who was killed, as their leader?

By answering these questions you will oblige. SUBSCRIBER.

(The people referred to who meet at Pythian Castle, as we understand it, are connected with the Church of Jesus Christ of Latter-day Saints of Salt Lake, Utah. Henry Peterson is the local elder. The Reorganized Church of Latter-day Saints, followers of the son of Joseph Smith, have an organization here, of which G. W. Harlow is President.)

Eds. "Record-Union": Please answer the following in your valuable columns: A says there is a law in this State that a hotel-keeper can have a man arrested and fined for non-payment of board bill, even if in a distant city. B says no. Who is right? CONSTANT READER. Sacramento, January 6th.

(Yes, if one obtains accommodation without paying therefor, with intent to defraud the inn-keeper, or if one obtains credit at an inn on false pretense, or who after obtaining credit at the inn absconds or surreptitiously removes his baggage without paying his bill, he is guilty of a misdemeanor and may be arrested within the State.)

King Was Fined. Louis King pleaded guilty to getting drunk and disturbing the peace of A. J. Gardiner. The latter asked that leniency be shown to King, as he did not want him to be severely punished, so Justice Davis only fined him \$10, with the usual alternative.

E. D. W. Muller's Estate. A. B. Guthrie, G. N. Blessing and Charles Traver, appraisers of the estate of E. D. W. Muller, deceased, have, by attorneys Holl & Dunn, filed their report. The estate consists of \$2,628 81 in money, and personal property valued at \$25 10.
