

THE WHEEL PREPARATIONS.

The Bicycle Paths—Fourth of July Parade Details.

No Advertising in Line—The Races—Cycling at the Fair—A Picnic.

The Capital City Wheelmen met last night and had a very busy evening of it. There were many things to attend to, and all of more or less public interest.

The question of disposing of wheelway ribbons was debated and all members were urged to call on all wheelmen to take ribbons in order to keep up the wheelway fund, which benefits all, whether club members or not.

The Committee on the Fourth of July Parade reported, by Mr. Goethe, that the wheelmen would compose an entire division of the procession; that Mrs. Frank Miller, Mrs. H. Weinstein, Mr. Morton and R. D. Stephens had been invited to act as judges and award the prizes; that the awards will take place at Agricultural Park just before the entertainment in the afternoon of the Fourth; that the line of march will be formed in the Pavilion, Fifteenth and M streets, between 9 and 10 a. m. on the Fourth, and there the Board of Judges will examine all wheels entered for premiums.

The committee requested that all club members so far as possible appear in uniform, and that all wear a knot of the club colors in the parade, consisting of black, garnet and gold. The committee stated that every preparation had been made to prevent crowding upon or annoyance of wheelmen and wheelwomen.

The committee said it had sent out postals soliciting pledges to turn out, and that it is receiving gratifying returns. It is now the belief that fully 500

NOT LOST Don't for a moment think of giving up in despair. Your position is certainly a bad one. Yes, you naturally feel blue, and because some one failed to cure you, you believe there is no hope for you.

Don't Despair.

Hudson Medical Institute, Stockton, Market and Ellis Sts. SAN FRANCISCO.

wheels will be in line, and nearly all more or less decorated.

The committee on the great fifty-mile relay race between teams of the Capital City and Terminal Club of Stockton, reported in detail by Frank Dwyer, showing that all possible things have been foreseen to make the races on the Fourth at 2 o'clock successes, and the strongest features ever introduced into a day of public festivity here. The teams are in splendid training and the promise is for the most exciting sport. To cover expenses, which are large, an admission is to be charged of twenty-five cents per head, ten cents for children 6 to 12, and under 6, children accompanied, will be admitted free.

The racing teams for Sacramento are to be provided with new uniforms of garnet with orange trimmings, with the club emblem in gold and black. To prepare for the picnic of the 5th, Messrs. Upson and Atwater were named a committee with power to act. To this picnic all club members and their ladies are to be welcome, but it is not for the public outside of the membership, being in a way a private affair.

The Committee on State Fair Bicycle Events reported, by Mr. Upson, that approval was desired to close with the State Agricultural Society for one day of bicycle events during the fair. The day is to be Monday of the second week, September 7th. The events will be six in number, and the prizes will aggregate \$440. The first event will be 1 mile novice, for amateurs, for medals valued at \$35; second, 1 mile scratch professional, for purses of \$50, \$25 and \$15; third, 1 mile handicap, amateur, for prizes valued at \$75; fourth, 1 mile professional, for four cash prizes aggregating \$90; fifth, 2 mile tandem amateur, three premiums aggregating \$60; sixth, 5-mile lap professional for three cash prizes aggregating \$90. The committee was told to close the agreement and the club voted to accept the management of the Bicycle Day of the fair.

BOARD OF EDUCATION.

Plans Adopted for Additions to Primary Buildings.

An adjourned meeting of the City Board of Education was held last evening at which there were present Directors Davis, Sherburn, Crouch, Dolan, Whitbeck, Perkins, Brown and Driver. The plans for additions to the primary schools were taken up and adopted as follows: Those on South First and Fourth and Q streets building; Mayo, Seventh and G; Ough, Thirteenth and G; Cook, Sixteenth and N; Scharlin, Tenth and Q, and Twenty-fourth and N. The architects were instructed to prepare specifications within ten days, so that bids may be received and the work commenced as soon as the term ends.

Director Crouch said he had received letters from several residents of the vicinity of Sixteenth and J streets requesting that the outbuildings on the north side of the Grammar School square be removed.

The board decided to ask for a tax levy to provide for building new outbuildings, and if it be made the objectionable ones will be removed.

The Furniture and Supplies Committee reported they were not satisfied with the bids for fuel, and the board instructed the committee to readvertise for bids.

Director Perkins offered the following resolutions of respect to the memory of the late T. M. Lindley, a former member of the board, which were unanimously adopted:

"The death of Thomas M. Lindley has removed from among our citizens one who had been prominently identified with the substantial interests and progress of Sacramento City and the State. He was concerned in the mercantile business here since the pioneer days, and while he always took an active interest in public affairs he held but two public offices, and one of these was a member of the Board of Education. In respect for his memory, and in recognition of his worth as a man and a citizen, and for the services he rendered the children of Sacramento by his work on the board and the interest he ever took in their welfare, it is now resolved by the Board of Education of the city of Sacramento that this memorial be adopted in open session, and that it be spread upon our records."

The board adjourned to meet July 21st.

Weather Report.

The Weather Bureau report shows the highest and lowest temperatures yesterday to have been 79 and 52 degrees, with gentle to fresh southerly winds and clear weather prevailing.

The barometrical readings at 5 a. m. and 5 p. m. yesterday were 29.99 and 29.97 inches, respectively.

The highest and lowest temperatures one year ago yesterday were 77 and 54 degrees, and one year ago to-day 82 and 53 degrees.

The dry thermometer at 5 a. m. was 54 degrees, and the wet (sensible temperature) 52 degrees; wind southeast, twelve miles per hour and weather clear.

The dry thermometer at 5 p. m. was 77 degrees, and the wet (sensible temperature) was 62 degrees; wind southwest, twelve miles per hour and weather clear. During the forenoon the sky was overcast enough to have cloudy weather for a short time, but the clouds soon passed away. Maximum or highest wind velocity was eighteen miles per hour.

The average temperature was 66 degrees and the normal 71 degrees, which shows yesterday to have been 5 degrees cooler than the normal temperature for that day. It will be noticed that deficiency is decreasing, and no doubt within a few days a warm wave will be upon us, say about the 4th.

A Week's Failures.

The Bradstreet Mercantile Agency reports 15 failures for the Pacific Coast States and Territories for the week ending June 29th, as compared with 16 for the previous week, and 12 for the corresponding week of 1895. The failures are divided among the trades as follows: 1 men's furnishing goods, 2 grocers, 1 carpenter, 1 painter, 1 restaurant, 2 dry goods, 1 hardware, 1 bank, 1 saloon, 1 clothing, 1 grocer and commission, 1 general store, 1 plumbing and 4 tinning.

PUMPING PLANT DESTROYED.

That at Eighth and Y Streets Burned Last Night.

What Will the City Trustees Do With the Drainage Water Now?

Last night the drainage pumping plant at Eighth and Y streets was destroyed by fire, and the question is, what can be done with the drainage pending the erection of another pump? Nobody seemed to know just how the fire occurred, but that doesn't matter, perhaps. It is enough to know it has disappeared. Great crowds of people flocked to the scene, all the streets leading south from H, between Third and Tenth, being crowded with old and young, all heading for the fire like a swarm of tulle bugs about an electric light.

The only chance the firemen had to do anything was to take water from the plug at Tenth and Y, two blocks away, but their efforts were of little avail, as the building was nearly gone when they reached there.

Notwithstanding the danger of the bursting of the boiler in the pump-house thousands of people crowded on Y street close up to the burning building. If the boiler had burst scores of people would have been killed. The plant is a total loss.

There seems to be but one way of getting rid of the drainage now, and that is to let it flow down through the canal upon the ranches south of the city. But last winter, when it became necessary to do this it cost the city \$250 a day for the privilege.

It is a shame that a city of nearly 40,000 people should in this age have been left at the mercy of such makeshift as this for disposing of its sewage. But perhaps just such emergencies are necessary to arouse them to a sense of their duty.

Trustee Kent said last night that the plant could be duplicated for not to exceed \$2,500. He thought a temporary pump could be put in at small cost that will do the work until the people of the city determine by their votes whether or not an improved system shall be adopted.

Mr. Kent thought the fire was the work of an incendiary, as the engine was not running last night.

FOURTH OF JULY.

The Fireworks Will be Displayed at Agricultural Park.

The General Fourth of July Committee held a meeting last evening to hear sub-committee reports and make further arrangements.

Major W. A. Anderson stated that the Literary Committee had nearly concluded its business. He reported that he had attended a meeting of the Board of Trustees, and received permission from them for the committee to use the Plaza in which to hold the exercises.

Chairman Lawton reported that he waited upon the manager of the Electric Railway Company and received assurance that no cars would be run to interrupt or interfere with the parade.

Russ D. Stephens, Chairman of the Finance Committee, reported that it had been found that there was not as much money in the treasury as had formerly been reported, and that he had solicited and received \$80 extra subscriptions. As the financial end of celebration was falling behind, he moved that \$15 be withdrawn from the Literary Committee and placed in the general fund. This being satisfactory the motion was carried.

T. H. Wallis, for the committee on Arrangements, reported that he had called on the Secretary of State and obtained permission to have the salutes fired in Capitol Park, provided the gun was set on a line with Thirteenth street. This was satisfactory to the committee, and the salute will accordingly be fired in the Park.

On motion of Mr. Stephens, the sum of \$290.50 was appropriated for the use of the Printing Committee.

It was agreed to have all pyrotechnic displays given in the northeastern portion of the paddock at Agricultural Park, and that the paddock be set aside entirely for the use of pedestrians.

It was further determined to allow teams upon the main track in the Park only, and that the G-street entrance be set aside for the accommodation of pedestrians.

On motion of Mr. Stephens, it was agreed to make no appropriations after the next meeting of the committee.

The committee adjourned to meet in the Trustees' room next Thursday evening.

REAL ESTATE TRANSFERS.

Transactions Recorded Since the Last Report.

Mrs. Celia Steele to Isaac Ralphs—East half of southwest quarter and west half of southeast quarter of section 32, township 6 north, range 8 east and also all interest in estate of Arthur Ralphs, deceased.

R. T. Devlin and E. K. Alsip to Alzima Burnside—Lots 14, 15 and 16, block 8, Oak Park.

George Howson to Mary Howson—Lot 6, I and J, Twenty-second and Twenty-third streets.

Joseph Sanguinette to Sarah Ann Sanguinette—6.14 acres on old Placer-ville road in Americano rancho.

John J. Pike et ux. to Charles E. Wright—East 50 feet of lot 6, P and Q, Seventeenth and Eighteenth streets.

C. E. Wright et ux. to Thomas Kenney—East 50 feet of lot 6, P and Q, Seventeenth and Eighteenth streets.

J. W. Wilson, trustee, to Edward A. Jenkins—South half of lot 1, block 19, Fair Oaks.

E. A. Jenkins to Walter L. Gumm—South half of lot 1, block 19, Fair Oaks.

Eliz. H. Hooker to Mrs. Lois Patton Lot 8, H and I, Twenty-fifth and Twenty-sixth streets.

Lois Patton to O. A. Wilhelm et ux.—Lot 8, H and I, Twenty-fifth and Twenty-sixth streets.

George E. Duden et ux., by Commissioner, to Mrs. Kate Campbell—East half of southwest quarter of section 28, township 8 north, range 5 east, less ten acres; \$2,800.

E. L. Hawk to J. A. Azevedo et ux.—East half of lot 3, O and P, Eighteenth and Nineteenth streets; \$1,725.

C. E. Wright et ux. to C. A. Spicer—Lot 6, C and D, Thirtieth and Thirty-first streets.

Elizabeth Willard, who are both dead, and finally, with the consent of Miss Lottie Robinson, the boy's guardian, the latter's letters were revoked and the petition granted.

Miss Robinson testified as to her management of the boy's estate, which was perfectly satisfactory to the court, to Mrs. Keller and her attorneys, and to H. W. and Albert M. Johnson, but General Hart, her attorney, said they had no objection to urge the change of guardianship, inasmuch as the boy—who is 17 years of age—desired it.

It seems that Mrs. Keller was an adopted daughter of the boy's parents, and they are very much attached to one another. On the other hand, his cousin, Miss Robinson, has not been able to control him in all things, and while she testified that he had received the best possible treatment at her hands she was willing to resign her charge.

Young Willard has several thousand dollars in bank to his credit.

Ah Yung is Guilty.

In the Police Court yesterday morning Ah Yung entered a plea of guilty to having threatened Police Collector Alton with an ax on Sunday morning. Alton, while attempting to collect poll-tax from the keeper of an opium joint on I street, seized a number of opium pipes, among which was one belonging to Ah Yung. To this proceeding the Chinaman objected with an ax, and was promptly arrested. He will receive sentence this morning.

On Habeas Corpus.

On the application of Charles T. Hughes, attorney for Phil. Fitzsimmons, under arrest on a charge of burglary, Judge Catlin has issued a writ of habeas corpus, returnable in his court to-morrow.

Chief of Police Drew is cited to appear and show on what ground the petitioner is held a prisoner.

Will Harry the Girl.

Henry McClain has changed his mind. He has concluded that it would be better all round for him to marry Etta A. Hanson than to stand trial for her betrayal.

This is apparent from the fact that yesterday he went to the County Clerk's office and procured a license that will enable him to marry the young woman.

In a Sealed Car.

Yesterday evening Railroad Watchman Hickey arrested two men, who gave the names of Charles Hanks and Peter Harrigan, whom he located in a sealed car which evidently had not been opened since it left Red Bluff. The men will be given a chance to explain matters to Justice Davis this morning.

Jig and reel dancing at St. Francis' picnic at East Park to-day.

COMMISSIONER'S SALE.

BY VIRTUE OF A DECREE OF FORECLOSURE made and entered in the Superior Court of the county of Sacramento, State of California, on the 27th day of June, A. D. 1896, and an order of sale issued out of said court and directed to the Commissioner on the 28th day of June, 1896, in an action therein pending, wherein S. B. MOORE is plaintiff and LAURA PAYNE, formerly LAURA JONES, A. J. VERNER, MILYA, JR., and others are defendants.

W. D. Lawton was appointed Commissioner and caused and directed to sell the real estate described in said decree, and situate, lying and being in the county of Sacramento, State of California, and known and designated as the lower, and southwest one-half of lot No. one, and the upper or east quarter of lot No. two of the Daylor's part of the Old Chumnes Grant. Said tract being three-eighths of an acre and fronting on the Cosumnes River, and running back to the back boundary of said grant, in township 7 north, range 5 east, and in Diablo base and meridian, containing 470 acres.

Notice is hereby given that on TUESDAY, the 31st day of July, A. D. 1896, at 10 o'clock a. m. of said day, in front of the Courthouse door in the city of Sacramento, county of Sacramento, State of California, I will sell at public auction, to the highest bidder for cash the above described real estate, for the full amount thereof as may be necessary to satisfy said decree.
