

VOICE OF THE PRESS.

Expressions of Coast Newspapers in Brief, On All Shades of Political Belief and Upon Leading Topics of the Day.

Marysville Appeal: Of the eight Congressmen elected so far this year every one is a staunch Republican.

Los Angeles Herald: Why should the industries of the country be ruined or seriously checked by the success of the Bryan ticket?

FARMER AGAINST LAWYER. Stockton Independent: The "Independent" shows from statistics that the assertion that wheat and silver rise and fall together is not true.

HEREDITARY DEGENERACY. Tulare Register: The newspapers are discussing an investigation made by Professor Peellmann of the University of Bonn, Germany.

AMERICAN SHIPPING. Los Angeles Express: One of the most important planks in the platform adopted at St. Louis by the Republican Convention was that looking to the restoration of the prestige of American shipping.

THE MILL HAS CLOSED DOWN. San Jose Mercury: Owing to its rich resources, California has suffered less, perhaps, from the depression caused by adverse legislation than any State in the Union.

AN APHORISM. Los Angeles Times: Of all trite aphorisms in modern politics, none seems to preserve its freshness and fidelity to truth like General Grant's declaration that "the Democratic party can always be relied upon to do the wrong thing at the right time."

THE MEXICAN PUZZLE. Los Angeles Times: An Eastern newspaper published some time ago a statement which has since come to be known as "The Mexican Puzzle."

FOR CURES SCROFULA, BLOOD POISON, THE CURES CANCER, ECZEMA, TETTER. BLOOD

An American farmer owing \$500 raises one thousand bushels of wheat which he sells for five hundred American dollars, pays his debt and has nothing left.

It has been maintained by several pro-silver newspapers that the argument contained in this statement is unanswerable. It is nothing of the kind.

The explanation, however, of this very "profound" free silver problem is as easy as to say that 2 and 2 do not make 5.

STOP AWHILE. Fresno Republican: Mr. Bryan should stop talking long enough to reply to that Populist apology for having nominated him without his consent.

San Jose Mercury: The Democratic party, as represented by the Chicago Convention and by Mr. Bryan, its nominee, has nothing to say for the shipping interests of America.

WING AND WING. Santa Cruz Sentinel: Bryan is for Sewall, but is opposed to Watson; Watson is for Bryan and against Sewall; Sewall is for Bryan and against Watson; one-third of the Pops are opposed to Bryan and Watson; all the Democrats are the same way.

PLAIN AND VIGOROUS. Tulare Register: At the present day, it is not a violent assumption, this rushing out with guns and banners to "regulate" the courts of our land could easily be justified in the minds of men who stand upon the streets to let their voices seep through their ignorance of the matter by talking of the purchase of verdicts and the shaping of judgments by corrupt means.

A Difficult Question. "Now," said the prudent man, "you have drawn up my will to the best of your ability?"

Makes People Strong Toning and invigorating in its action, it has made hundreds of vigorous men out of as many weak, dependent fellows. It will cure you if you try it.

EVERYBODY'S CANDIDATE. Congressman Grove L. Johnson Has a Walkover.

(From the Marysville Appeal.) As far as a more or less extended personal observation extends we are thoroughly confident that the election of Grove L. Johnson to Congress is a safe conjecture.

There is reason for this discernment of the voters of Sacramento. They know that partisanship aside, Mr. Johnson is far and away the best man proposed to go to Congress from this district.

ON EQUAL TERMS. A Favorite Argument of the 16 to 1 Men.

One of the misleading statements often made by silver stump speakers is that "All we ask for silver is that it should be admitted to the mint on equal terms with gold."

M'KINLEY SHOULD BE ELECTED. Bishop McCabe Says It Would Subserve Church Interests.

LINCOLN (Neb.), Sept. 23.—Bishop J. B. McCabe, who has just concluded the Methodist Conference at Hastings, was asked what effect the political contest was having on the progress of the church, and said:
