

IT WILL OPEN UP TO-MORROW.

Sacramento City's First Pure Food Exposition.

Everything Points to Its Being a Very Interesting Affair—Some of Its Features.

The Food Exposition to be held by the Retail Grocers' Union will open to-morrow night at Armory Hall. On the week following it will be open from 2 to 10:30 p. m. daily, except on Sunday. The union has appointed the following Executive Committee to assist General Manager L. W. Buckley and Business Manager C. H. Pease in making the affair a success: A. A. Jost (Chairman), E. Kilgore, C. A. Bessley, O. F. Washburne and S. H. Farley. This committee will wear purple badges, and will have a handsome booth and reception rooms at the lower end of the hall.

Later the following Honorary Advisory Board, comprising business men mostly identified with the grocery and kindred trades, was appointed: Messrs. Bentley, Blair, Black, Griffiths, Metau, Hall, Coleman, Parker, York, Martyn, Barton, Smith and Adams.

A Reception Committee of ten, comprising Messrs. Dierssen, Neubourg, Perkins, Howard, Sermonet, Dolberry, Feldhusen and others was then appointed, and Monday night was selected for retail grocers' and grocery clerks' night.

C. A. Neale was selected to act as musical director, to engage a fine orchestra of the best musicians of the city, and also to secure extra amateur musical talent. How well he succeeded can best be judged from the announcement previously made that the Monday Night Orchestra, the Ladies' Choral Society, Mrs. Moeller director; the "Trebble Clef Ladies' Choral Organization, the Stevers Mandolin Club, etc. were to appear. These and many other special features indicate that the exposition from the point of attractions will surpass expectations.

But the Grocers' Union was not content with this. Most persons would consider that an exposition with fine orchestral music, plenty of singing, fancy dancing, cooking demonstrations in many of the booths, and plenty of fine sample packages of goods given out would be worth paying twenty-five cents to see. Yet these are, after all, but features of this widely advertised exhibition. There will be home-trainer bicycle races, microscope moving pictures, cooking lectures and a few feonoral vaudeville acts of a refined nature.

There will be opportunities whereby a good guesser, one accustomed to using his or her brains, can obtain a fine bedroom set. There will be days when each lady visiting the exposition will receive full packages of goods, and fancy cakes and crackers, and also obtain packages of choice confectionery. Then, in the baby show, fully \$100 worth of prizes will be given out.

If all this does not pack and crowd Armory Hall with people, not only from this city but all points adjacent, then it will be hard to imagine what would do it.

Challenges to race on the home-trainer bicycle machine have been issued on behalf of local riders to the racers of the Terminal City Wheelmen Athletic Club and Road Club, all of Stockton, but the boys are perfectly willing to hear from racing men in any State organization.

Among the San Francisco exhibitors that arrived yesterday in the city were C. J. Haswell of the Johnson-Locke Mercantile Company, John H. Spoon, C. H. Nelson, J. A. Parr, C. L. Sprague, R. A. Revalk and Thomas Barry. Others are expected to-day and to-morrow.

The first Southern Pacific excursion to be brought in for the Food Exposition will be next Tuesday, from Stockton and intermediate points. A rate of one fare and one-third for the round trip should bring many out-of-town visitors to the exposition.

Most of the baby show prizes are decidedly handsome, and many are very valuable. Besides those beautiful ones already named, the management will give a fine loving cup to the handsome baby, whether boy or girl. One pretty prize is the dainty white cap given by The Nonpareil. The two twenty-five-cent boxes of toilet soap were made expressly for this occasion and each cake is stamped with cute little brownies. One of the finest presents is a "Baby's Biography," a beautifully bound book given by W. F. Purnell. There will be bib pins, napkin rings,

cloaks, photographs and other prizes galore.

The Charles P. Nathan Company has given a handsome sweater and W. H. Eckhardt a pair of bicycle shoes as prizes in the bicycle races. A handsome ruby and pearl scarf pin was another contribution for the same purpose. The firms are giving liberally for these events. The management received a pair of road tires as a special prize.

The traveling salesmen are now arranging to appoint committees to take charge of "Salesmen's Night," the 27th. In Los Angeles "Salesmen's Night" was the success of the Exposition. The knights of the grip made all the fun of the week, and those who went as guests of the Exposition were delighted at the entertainment provided. If Secretary Blair will take hold of this event and get up a few unique special entertainment numbers, the programme on that occasion will be one long discussed in local family circles.

The plumbers were busy yesterday placing pipes in Armory Hall from which branches will be brought in to the various booths where cooking and sampling will be undertaken. The stove will be put up to-morrow morning, and by 4 p. m. every booth will have its cooks ready to serve hot cakes, biscuits, mush, etc.

The baby show is merely a part of the regular features of the Exposition, and is to be held from 1 to 5:30 o'clock on Tuesday afternoon, the 23d, and the usual music and demonstrations in booths, and all the usual attractions will be given on that occasion. There will be no extra admission fee on that occasion, and an extra charge to hear the cooking lectures.

The Southern Pacific Passenger department sent a representative yesterday to see Messrs. Buckley and Pease relative to putting in a pretty and tasteful display of pictures, photographs, handsome literature and educational matter to fittingly advertise the great overland routes—the Shasta, the Ogden and the Sunset. This exhibit would wonderfully help out the Exposition.

Ladies should not overlook the important cooking lectures. The object in holding a Food Exposition is to teach the housewives the true art of cooking, and everyone interested in the culinary art should see that the full course of cooking lectures is taken by local housekeepers. The first lecture of the course will be given at the Food Exposition on Monday the 22d at 2:30 p. m. The subject will be "Soup Stocks and Soup Making." Ladies attending should bring individual spoons and napkins so that they may taste the dishes.

Five hundred Sacramento ladies are to be entertained by a gift of 500 half-pound packages of choice macaroni. One of the biggest and best manufacturers of macaroni, Vermeelli and Spagnetti on the coast will have a pretty apple-green and white booth, with a splendid display of goods. The firm is liberal in its ideas, and when Monday the 22d at 2:30 p. m. The subject will be "Soup Stocks and Soup Making." Ladies attending should bring individual spoons and napkins so that they may taste the dishes.

This will be an opening gift on Saturday night, as each package is worth nearly one-half the cost of admission, the receivers can be considered lucky. The purchase of a ticket to the Exposition on Saturday night receives a coupon, entitling him or her to the package of macaroni.

The Weather Bureau reports show the highest and lowest temperatures yesterday to have been 51 and 41 degrees, with brisk to high southerly winds and stormy and rainy weather prevailing.

The highest and lowest temperatures one year ago yesterday were 68 and 47 degrees and one year ago to-day 67 and 47 degrees.

The rainfall yesterday was 38 of an inch, making 3.97 inches for this month and 14 inches for the season, as against 14.39 inches to a corresponding date last year.

The wind traveled from 24 to 36 miles an hour yesterday, accompanied by the lowest barometer that has been recorded this season. The readings at 5 p. m. were 29.47 inches, as against 29.96 inches at the same hour on Wednesday.

AN ENJOYABLE DANCE.

Grace Institute, Y. L. I., Gives a Gold and Silver Party.

Grace Institute No. 17, Y. L. I., gave a very successful "Gold and Silver" party at Turner Hall last night, which was very largely attended.

The hall had been tastefully decorated in gold and silver tinsel cut into the form of banners, shields and almost every other form of decorative string across the hall from the center in every direction.

The same kind of decorations covered the walls, while the orchestra stage was a mass of ferns and foliage. The arc lamps were colored specially for the occasion, and the hall presented a marvellously pretty appearance.

Over 100 couples participated in the dance, all the arrangements being in charge of ladies who understood how to make every one at home, and the gentlemen present were unanimous in stating that they could not possibly have done better, if as good, arrangements.

The officers in charge were Past President Mrs. M. J. Desmond, President Mrs. J. J. Buchanan, First Vice-President Margaret Kearney, Second Vice-President Annie Miller, Recording Secretary Anna Stanfield, Financial Secretary Lillie Humrick, Treasurer Mary Haggerty, Marshal Nellie Fenton, Board of Directors, Mrs. J. T. Hickey, Rose Gaffney, Julia O'Leary, Rose Heisch and Maggie Hallanan. The Committee of Arrangements consisted of Mrs. J. W. Willem, Mrs. T. A. Cody, Mrs. N. M. W. Kinsley, Mrs. E. Kinsley, The Reception Committee was Misses A. Miller, M. Mullenney, M. Devine, M. Heisch and L. Wolf.

Mrs. J. J. Buchanan was floor director, and the following acted as floor managers: M. J. Desmond, J. A. O'Meara, Mrs. J. T. Hickey, Misses M. Haggerty, J. O'Leary, N. Denny, R. Gaffney, L. Long and M. Kearney.

Dancing was kept up till midnight, and a most enjoyable time was had.

SUNDAY'S COURSING.

A Great Contest Between Prize-Winning Crackerjacks.

The drawing of the dogs for the coursing match on Sunday at Agricultural Park took place last evening. The races should be very close and exciting, as nearly every animal entered has been a prize winner.

The sport commences at 10 a. m., and lasts all day. A part of the programme will be a consolation stake for beaten dogs, and the weather whether wet or dry, will not stop the sport.

Edward Canavan will be the judge, T. Farrell will handle the slips and T. Kennedy will be slip steward. Williams & Hainey's Airship against T. Farrell's Leslie Doubt. Downes & Sweeney's Snider against Rainey & William's Edna R.

J. Daugherty's Prince Lili against J. Hastings' Lucky Dog (formerly Isometry). McMann & Mannigan's Pansy against Egan & Hanlon's Well and Strong.

A. Harbenson's Little Hoodoo against J. Heeman's Harry S. Nethercott Bros'. Forest Queen against J. Tevlin's Sacramento Girl. M. Hanrahan's Sister against Egan & Hanlon's Boston.

Sheshan Bros'. Banjo against J. Corcoran's Pride of Arizona. Turf Kennel's Lord Lonsdale against Devine & Lipman's Patience. Nethercott Bros'. Moonlight against James Duffie's Combination. Downes & Sweeney's Wagon-Minute against T. Farrell's Lass of Gleneshie. J. McEhan's Diamond Edge against McMann & Mannigan's Lily of the West.

COMMITTED SUICIDE.

Hattie Day Became Tired of Life Last Night.

Hattie Day, a Polson girl who came down to the city some six months ago, committed suicide last night at the Vendome lodging-house, 315 K street.

She had become addicted to the use of stimulants, and her surroundings had been such that her friends urged her to give up the company into which she had been thrown. She promised to do so on the first of the coming month, and to go to housekeeping with a young man between whom and herself a mutual attachment existed.

About 1:30 yesterday morning Dr. Flessman was called in to prescribe for her heart trouble, aggravated by the stimulants she had been using. Under his care she recovered, and in the afternoon became cheerful and spoke of the happy time coming. At 6 o'clock, for some reason, supposed to be her inability to overcome her craving for liquor, she took three ounces of laudanum, and despite the efforts of the doctors she succumbed to the influence of the drug and died at 9 o'clock.

Her remains were taken to the Marine and her family in Polson were communicated with and will be down this morning to take charge of her remains.

WILL BE GREAT.

The Athletic Club's Masquerade Ball and Entertainment.

The sixth annual masquerade ball of the Sacramento Athletic Club will be held at the Old Pavilion on Wednesday next, the 24th. The club has engaged as special attractions for the entertainment Busch, the "Human Vampire," who does a daring contortion act on the trapeze; little Lizzie Lawrence, dancer and contortionist; Professor Martin and his trained dogs (the Professor is training two of his canines especially for the entertainment, and they will give an exhibition of Fitzsimmons and Corbett in the ring); Gay and Rose, two of the most daring flying trapeze artists in the world, assisted by the club members; Monte Noxbert is billed to appear on his bicycle. Monte is hard to beat as a trick rider, and he intends to surprise those who think Sacramento boys are not in it.

The club is sparing no efforts to make this the grandest ball it has ever given. The committee in charge of the ball reported to the Board of Governors last night that the dance floor would be as smooth as glass, and that the decorations would be new and novel.

From the present outlook the club is assured of having a very large attendance.
