

FROM THE SEAT OF WAR.

Turkish Forces Continue to Hold the Milouna Pass.

Though the Greeks Are Again Advancing for Another Battle.

Greek Brigades Enter Turkish Territory in Different Directions.

Col. Manos, With Twenty-Five Thousand Men, Crosses the Arakphos and Encamps at Epirus.

ELASSONA, April 19.—(Copyrighted 1897, by the Associated Press.)—Headquarters of the Turkish army in Macedonia.—(Evening).—The Turkish forces continue to hold the Milouna Pass, though it is reported that the Greeks are advancing or making ready to advance to re-occupy the positions from which they were dislodged on Sunday. The two block-houses have been strongly fortified, and it would take a powerful body of Greek troops to recapture them. Edhem Pasha has entrenched himself on all the heights from Papalyvada to Mackcho, and strong bodies of troops are stationed in the defiles between these two points.

The inhabitants of Ellassona have left the town en masse, and are pushing northward, many of them going to Salonica. Evidently they fear that the Greeks will defeat the Turks, and actually reach this place. Edhem Pasha, the Turkish Commander-in-Chief, is a marvel of energy and caution. He attends assiduously to his duties more than any member of his staff, receiving reports while on horseback, and attends to trifling details with as much care as to important movements. His manner is grave and imperturbable. It is curious to note how implicitly he is looked upon by his troops.

TURKS DEFEATED AT REVENI. LARISSA, April 19.—5 p. m.—The Greeks have defeated the Turks at Reveni. The two Greek brigades have entered Turkish territory in different directions and penetrated to Damasi, northeast of Zarkos. Another division is trying to flank the Turks, who are retreating in disorder.

Heavy fighting is in progress at Gritzovali. It has been going on since noon. The Greeks are trying to recapture the place.

GREEK STEAMER SUNK. SALONICA, April 19.—A Turkish torpedo boat sank the Greek steamer Athens in the Gulf of Salonica. On board were insurgents and members of various secret societies. A general panic prevails here. All the vessels are prohibited from leaving the gulf. The Turks have seized the Greek steamer Kophalou.

THE DAY FAVORABLE TO GREEKS. ATHENS, April 19.—A telegram received this evening from Arta says the troops have left that point for Janina. The sea off Prevesa is very rough. The firing there to-day was desultory.

While the incidents of the day along the eastern portion of the frontier have not been of notable importance, the situation at the Gulf of Arta and in the vicinity of the Albanian frontier have become favorable for the Greeks. The bombardment of Prevesa was resumed at daybreak, with but feeble replies from the Turkish batteries at Hamidieh and Pantocators. The position of the Turks is untenable, and it is believed the town will fall into the hands of the large Greek force in the vicinity, which is waiting for the demolition of the remaining batteries. The Greek battleship Chelzia has taken the lead in the bombardment.

By an order received at Prevesa from Constantinople at noon to-day the Gulf of Arta was officially closed to all but Turkish ships.

Colonel Manos, with 25,000 men, having crossed the Arakphos under the protection of the Greek artillery batteries, is now in Epirus, where, it is believed, his force is considerably in excess of the Turkish force.

It is reported here that a large body of Albanians, estimated at upwards of 2,000, who had crossed the Greek frontier, with the avowed intention of pushing on to Larissa, have recrossed, and are now ravaging Epirus.

Arta is practically deserted. The Mayor has transferred the public offices and official records to Konipote.

12 midnight.—The Greeks have occupied several strategic positions around Damasi, including Viglia. Three thousand armed peasants have joined the troops. It is alleged that 22,000 Turks attacked Reveni.

It is feared that a massacre has taken place at Prevesa during the bombardment.

GREEKS ADVANCING. A Large Army, Under Colonel Manos, Enters South Albania.

ATHENS, April 19.—At the second sitting of the Legislative Assembly last night the House voted various measures proposed by the Government and

then adjourned sine die. The session lasted until 2 o'clock this morning. Firing commenced this morning between the Greeks and Turks at several points along the frontier. Colonel Manos, at the head of 25,000 Greek troops, has crossed the river Arakphos on the frontier of Epirus, and is now entering that part of South Albania after having driven back the Turkish advance posts.

The bombardment of Prevesa was resumed at daybreak. A dispatch from Greek headquarters this afternoon says three important positions were occupied to-day near Menexa by Greek troops. Prince Nicholas of Greece, the third son of King George, has been ordered to the front in command of a battery of artillery.

Later in the day confirmation was received of the report that a large Greek force had crossed the river Arakphos. The Greek battleship Spetzial has been taking part in the bombardment of Prevesa.

Firing commenced at 5:30 a. m. to-day. A body of 700 Greek "insurgents" landed at Seyrako, Epirus, and is now marching on Filiplada. Numerous bands of Greek "insurgents" have entered Epirus.

Dispatches from Tynnavar, in northwest Larissa, say that the fight in the vicinity of Reveni and Rousang lasted throughout Sunday. The Greeks captured two Turkish posts, one of which was retaken later by the Turks. The fighting was of a desperate character, hand-to-hand, and the Greeks are reported to have advanced into Damazi plain and occupied Viglia, which commands it, after capturing a battery of Turkish artillery. A second engagement occurred at Gritzovali, where the Turks, according to last reports received, were attempting to recapture that post from the Greeks.

SEVERE FIGHTING. ATHENS, April 19.—A dispatch from Arta, filed at 11:30 this morning, announced that fighting continues between the Greeks and Turks at the entrance of the Gulf of Arta and elsewhere in that vicinity. The Turkish batteries at Hamidieh and Pantocators are replying feebly. The crossing of the river Arakphos by Greek armies under Colonel Manos, numbering about 25,000 men, was attended by severe fighting, during which the Greek artillery batteries distinguished themselves. This Greek force is now in Epirus.

The dispatches from the front received here this evening say that Turks in considerable force have been attacking the Greeks and Turks at the entrance of the Gulf of Arta and elsewhere in that vicinity. The Turkish batteries at Hamidieh and Pantocators are replying feebly. The crossing of the river Arakphos by Greek armies under Colonel Manos, numbering about 25,000 men, was attended by severe fighting, during which the Greek artillery batteries distinguished themselves. BRUTAL MURDER IN MERCED COUNTY.

Charred Remains of a Mexican Settler Found in His Burned Hut.

Had Been Killed and the Place Fired to Conceal the Crime.

The Legal Battle Over the Two Pieces of Property Which Mrs. Craven Asserts Senator Fair Conveyed to Her by Pencil Deeds Prior to His Death, Begun in Judge Slack's Court at San Francisco.

HOLLISTER, April 19.—Berdardino Assuro, a Mexican settler on a tract of land claimed by Jose Picanco, a Portuguese, was found murdered in the charred remains of his hut in the Cleveland district, twenty-seven miles from here, just over the line in Merced County, last Saturday, by a lad.

Investigation shows that Assuro was murdered with an ax. There was a large cut on the breast. The body was laid on the bed and the hut fired to conceal the crime. The body was badly burned.

Picanco, who was living on the land at the time, claims that he was home sick in bed when the tragedy occurred. The murder is supposed to have been committed Thursday or Friday. The land was claimed by several parties. Officers are now on the scene.

LOS ANGELES FIESTA.

Every Assurance of a Most Successful Celebration.

LOS ANGELES, April 19.—The streets of Los Angeles are looking brilliantly kaleidoscopic with the orange, red and green decorations which herald La Fiesta of 1897, and when the carnival dressing is completed it will surpass in beauty and splendor any similar festivity in the history of the city.

There is every assurance of a most successful celebration. The efforts of the Fiesta managers to arrange a programme of festivity and display which should eclipse those of former years have met with hearty popular sympathy, and the making of the opening parade of entertainments which will stimulate the pride of the southern metropolis.

The initial feature of the Fiesta will be the grand ball to be given Tuesday evening in Hazard's Pavilion. At this function the majorities, La Reina de La Fiesta, will make her first appearance, attended with all the pomp and stately ceremony that might surround a real monarch on a similar occasion. The queen will then be presented with the crown of the city, a handsome creation in gold and silver. This detail will be succeeded by the knighting of three distinguished citizens of the city.

Wednesday will be observed with a grand street parade. In the evening there will be a grand concert.

Thursday afternoon will be devoted to Indian and Spanish sports and a bicycle tournament. The day will be a series of entertainments which will stimulate the pride of the southern metropolis.

On Friday, what is usually considered the most beautiful of Fiesta features will occur, the floral parade and battle of flowers. Then will be a series of carnival and fireworks at West Lake Park in the evening.

Saturday will be known as children's day, and the carnival will close in the evening with a revelry of maskers on the streets.

FAIR ESTATE CONTEST.

The Legal Battle Over the Property Claimed by Mrs. Craven Begun.

SAN FRANCISCO, April 19.—The trial of the only remaining issue in the Fair will case was begun to-day. Instead of a contest over the whole estate and a struggle for \$200,000, it is a fight for \$1,000,000, the case having narrowed down to a legal battle over the two pieces of real estate which Mrs. Nettie Craven says Senator Fair conveyed to her by pencil deeds a few weeks prior to his death.

The administrators and heirs have for some time been raising the question, and in this action have joined forces against Mrs. Craven, whom they regard as their common enemy.

After considerable discussion by the attorneys to-day, the court announced that the question at issue was the alleged forgery of the deeds. This issue had been raised by the answer of the administrators to Mrs. Craven's complaint, and in so far as the complaint of Miss Virginia Fair raised the same issues, the intervenor would be heard. Several days will probably be occupied in securing an advisory jury for Probate Judge Slack.

ROYAL AND SELECT MASTERS.

The Grand Council Meets in Annual Session.

SAN FRANCISCO, April 19.—The Grand Council of Royal and Select Masters commenced its thirtieth annual session here to-day and elected the following grand officers:

Master, Henry Asher of San Francisco; Robert Ash, San Francisco, Deputy Master; A. Wackerbarth, Los Angeles, Principal Conductor of the Work; F. H. Day, San Francisco, Treasurer; Alexander J. Gardner, Sacramento, Captain of the Guards; J. H. Neff, Auburn, Conductor of the Work; George Pennington, San Francisco, Lecturer; William Scarborough, Los Angeles, Steward; James Oglesby, Sentinel.

LYNCHING TALKED OF.

A Debaucher of Little Girls Arrested at Astoria.

ASTORIA (Or.), April 19.—A. M. Rowe, a man about fifty years of age, was arrested late last night for debauching several little girls. The complaint was made out upon the confession of Alice Johnson, aged 11 years; Mary Pohl, aged about 8 years, and a girl
