

GOSSIP OF THE BALL FIELD.

Only Good Games Hereafter at Oak Park.

Results of Yesterday's Games—The Gilt Edges Victorious at Grass Valley.

There has been some very—to use a common expression—"punk" baseball played up the last few weeks...

Manager Morton has taken into his counsel Will H. Young, the well-known baseball scorer, and has placed in Mr. Young's hands the management of that branch of sport to be offered on the Oak Park diamond...

YESTERDAY'S GAMES. The Waterhouse and Lester and Holbrook, Merrill & Stetson nines settled the mooted question as to which was the best club hereafter on the Oak Park diamond...

At no time after the third inning was the game in doubt, and the Waterhouse nines scored thirteen runs and placed the game beyond the reach of their opponents...

The afternoon game was called at 2 o'clock. The High School and Columbian of the Mantle League played a postponed game. The former won by a score of 15 to 12.

The High Schools bunched their hits and ran the bases much better than their opponents, and while on the bases never missed a chance to advance a bag. Then, again, the students were encouraged by the large number of fair throwers in the grand stand...

The Columbian were retired in quick order in the second, but the Students in their half scored five on four singles. Canon's run and two base steals. Score, 6 to 4.

In the third the Columbian scored on two singles and an error. The High Schools in this inning scored six more on two singles, four two-baggers and an error. Score, 12 to 5.

In the fourth each side scored one on misplays, and in the fifth the Columbian scored two on hard hitting, while the Scholars scored a like number on errors. Score, 15 to 8.

Four base hits in the hits in the sixth gave the Broommakers two more, while their opponents were goose-egged. Score, 15 to 10.

In the last inning the Columbian scored two more on hits, but were unable to overcome the lead of their opponents.

Will Newbert's umpiring was a revelation to the audience, and could well be followed by other umpires. His decisions were given with promptness, and were not once questioned, which is something unusual in amateur games.

Table with columns: Team, Runs, Hits, Errors, etc. for various games.

Wolf, New York; A. L. Hubbard, San Jose; Charles O. Beaslaw, Chicago; W. L. Ashe, G. Cosbury, E. R. Manizy, H. C. Reck, San Francisco.

Not Joe Brown. Among the names of several persons arrested by Officer Bagley on Sunday morning for disorderly conduct was that of Joe Brown. Mr. Brown says it was not he but another man who was arrested, and that the latter used his name out of pure meanness and to shield himself.

Camera Club To-Night. At the Athlon Castle this evening the Camera Club will hold its promised exhibition. The lantern slides to be shown are said to be the prettiest yet received by the club. They come chiefly from Canada.

Underwear Way Down. Everything marked to close at The Model, Fifth and J. Underwear this week marked lower than anything else.

Rambler Bicycles Will Stand the Test. Three years of rental use should be a sufficient test on a wheel; the Rambler has stood this test and afterward sold for \$30 and \$35. If you are going to buy a high grade wheel you can save \$20 in buying a '97 Rambler. Frank M. Jones, 725 K street.

Cannot be Beat. With the up-to-date facilities for refrigerating all kinds of meats, we know we can please you. Mohr & Yoerk Packing Co.

Seamless Tan and Black Socks, two pair for 25c. C. W. Haub, 704 K.

OTHER GAMES. Immediately after the High School-Columbian game the Weststock-Lubins and Hale Bros. Clubs played a game, which was won by the former by a score of 19 to 15. The Weststock-Lubins claim to have won three games, and the Hale Bros. suffered defeat. In the Sunday game, they defeated the military ball team.

The Courthouse and Lawyers' nines played at Agricultural Park yesterday morning. It was a very funny game all through, and the on-lookers were greatly amused. The Courthouse team won by a score of 28 to 17.

VICTORS RETURNING. The Gilt Edge baseball boys will return from Grass Valley this morning with two more games to their credit and the \$250 purse hung up by the athletic club of that place.

Sunday's game was won by a score of 20 to 11. Tom Sheehan did the twirling for the Gilt Edges, and with the exception of the sixth inning put up a good game. In the sixth he became a little wild, and eight runs were scored by the Gilt Edges.

Yesterday's game was won by a score of 17 to 5. Hughes and Devine were the battery for the Sacramento team, and although Hughes was suffering from a sore wrist he pitched a good game, and at no time was the result in doubt.

The Gilt Edges have not lost a game this season, nor have they appeared on the home diamond, except in practice, and there are many lovers of the game in this city who are very anxious to see them play.

They go to Grass Valley to meet Sunday to play the first game in the big State tournament, after which it is expected they will be pitted against some of the strong teams from San Francisco. Such a game would be sure to draw a large crowd.

THE WORDEN CASE. Why Governor Budd Refused to Interfere. Governor Budd yesterday sent word from San Francisco that he had decided not to interfere with the judgment of the courts in the case of Salter D. Worden, sentenced to be hanged next Friday for the murder of Engineer Clark and four soldiers in July, 1894.

In rendering his decision the Governor has not deemed it necessary to make any extended comments. He simply notified his office representative to enter on the books the fact that Executive clemency was refused on the ground that there was no reason for his interference.

The basis, he says, of the application for clemency was not innocence, but mental irresponsibility. But this was by no means proven. Worden, he contends, is shown by the evidence to be naturally of a vicious and violent disposition and had been previously convicted of felony.

NEW RECOVERING. A Former Sacramento Lady Undergoes a Severe Operation. Dr. G. M. Dixon returned yesterday from San Francisco, where he was called to attend surgically upon Mrs. Mary O'Neil, daughter of Hon. Grove L. Johnson.

Mrs. O'Neil has been seriously ill for several weeks, and last Saturday a surgical operation was performed which was successful. Her many friends in Sacramento will be pleased to learn that it is thought the crisis is passed and that she will now rapidly recover.

Weather Report. The Weather Bureau reports show the highest and lowest temperatures yesterday as follows: 77 and 59 degrees, with gentle northerly and southerly winds and clear weather prevailing.

The highest and lowest temperatures one year ago yesterday were 80 and 54 degrees, and one year ago to-day 72 and 51 degrees. The average temperature was 64 degrees and the normal 68 degrees, showing yesterday to have been 4 degrees cooler than the 31st of May.

A HEALTHY WIFE Is a Husband's Inspiration.

A sickly, half-dead-and-alive woman, especially when she is the mother of a family, is a damper to all joyousness in the home.

I sometimes marvel at the patience of some husbands. If a woman finds that her energies are flagging and that everything tires her, her sleep is disturbed by horrible dreams, and that she often wakes suddenly in the night with a feeling of suffocation and alarm, she must at once regain her strength.

It matters not where she lives, she can write a letter. Mrs. Pinkham, of Lynn, Mass., will reply promptly and without charge. The following shows the power of Lydia E. Pinkham's Vegetable Compound, accompanied with a letter of advice.

Dear Mrs. Pinkham—I have suffered for over two years with falling, enlargement and ulceration of the womb, and this spring, being in such a weakened condition, caused me to flow for nearly six months. Some time ago, urged by friends, I wrote to you for advice. After using the treatment which you advised for a short time, that terrible flow stopped. I am now gaining strength and flesh and have better health than I have had for the past ten years.

had for the past ten years. I wish to say to all distressed suffering women, do not suffer longer, when there is one so kind and willing to aid you.—Mrs. F. S. BENNETT, West phalia, Kans.

AMUSEMENTS. There was a large and satisfied audience at the Clunie Opera-house last night when the Wilber Company sang Edith's beautiful duet between the Bohemian Girl. It was given well with spirit, feeling and good taste.

Larger companies stronger in soprano and in chorus lines, have sung this charming composition here, but no company has more faithfully and conscientiously essayed the opera, no chorus work was especially good, while in tenor and contralto there was high class art. Miss Southern is less robust, and her voice less in volume than other sopranos who has sung Arline before this public, but no more dainty and charming personality has filled the role, while her sweet soprano, as a soloist, was one of the evening's great volume, was heard to special advantage.

Miss Southern is a musician, thoroughly understanding the work she undertakes, and in sweetness and of tone and grace of hearing makes Arline a lovable character, besides singing in the opera, no other soprano has been so successful. Her many friends in Sacramento will be pleased to learn that it is thought the crisis is passed and that she will now rapidly recover.

We have just received another line of those Men's Vici Kid Lace Shoes, with a medium hand-sewed sole, and made on the Jewel (new coin) toe, that sold so well. The price, too, had something to do in the selling—it is still the same—\$4 00. Boys' sizes in the above, 2 1/2 to 5 1/2. \$3 00. Youths' sizes, 11 to 2. \$2 50.
