

HORRIBLE APPROPRIATION.

IT IS MADE CONTINGENT ON THE TIME OF PARADE.

Sidewalk at the Old Postoffice to be Barricaded on the Fourth of July.

The City Board of Trustees met in regular weekly session last night, Trustees McKay, Tolson, Douglas, Paine, Dolan, Bentley, Brown, Devine and Kent being present, and McKay presiding.

Trustee Bentley, who has been absent for some time on a trip to Europe, received an ovation from his fellow members on his appearance in the Trustees' room.

M. Egan of F street, between Thirteenth and Fourteenth, appeared before the board and stated that he had been notified by the City Surveyor that he must construct a sidewalk. His next door neighbor's hedge is out on the sidewalk and he intends to move it back; to do so, he would have to dig under complainant's sidewalk, if constructed. If Mr. Stafford, the neighbor, is compelled to move his hedge back, he (Egan) was ready to construct the sidewalk.

The City Surveyor was instructed to have the hedge moved.

J. D. Moynahan presented the claim of Mrs. Pennish for damage done by sewage to her trees and the matter was referred to the Chairman of the Sewer Committee and the Corporation Counsel.

E. M. Leitch addressed the board in relation to the water from the old gas well, which has been distributed around the city, and complained that he had been ordered by the Chief of Police to take off the words "Anti Typhoid" from the side of the wagon. He wanted to know if he must obliterate the words, and did not think he had infringed the law.

Devine said he had investigated some and had found that a sort of epidemic of typhoid fever exists throughout the State. The children of persons in this town who have boiled the river water have also had typhoid fever. He thought the sign should be taken down, and thought Mr. Leitch would do so, as a matter of public policy.

Trustee Paine moved that it is the sense of the board that Mr. Leitch be requested to remove the sign from his wagon.

Trustee Kent thought that the ordinance gives the Chief of Police authority in the matter and Trustee Tobettins moved to amend that the board sustain the Chief of Police.

Trustee Bentley did not think that the Chief had any such authority.

Trustee Paine's motion was carried, after some discussion.

Mayor Land said that citizens of Reno wish to purchase some of the old lamp posts. The matter was referred to the Street Committee.

Mr. Carey, for the High School Committee, tendered an invitation to the board to attend the class exercises to-night. The invitation was accepted.

MAYOR'S MESSAGE. The following message from the Mayor was read:

To the Board of Trustees: Friday, the 1st of July, will be celebrated as "Old Glory" Day at Oak Park, under the management of the Red Cross Society of this city, and I would respectfully suggest to your honorable board that the afternoon of said day be declared a half-holiday and that the city offices be closed. Very respectfully,

WM. LAND, Mayor. The usual monthly bills were allowed. On motion of Trustee Paine the bill of R. W. Ash as Captain of Police was rejected.

COMMITTEE REPORT. Trustee Tobettins, for the Finance Committee, reported in favor of postponing the matter of appropriation for the Horrible parade. The Horribles have fixed the time for their parade at 2 p. m., the same time as the races that have been held in the city by the Bicycle Club at considerable expense. The members of the club are taxpayers, many of them large ones, and they feel that the Horribles have done them an injustice in making the time for the parade the same as for the races. He would vote against any further appropriation unless they postponed their parade till a later time.

On motion of Paine, the appropriation for the rest of the immigration fund for the Horribles was made contingent on their fixing their parade at 4:30 p. m.

Trustee Brown, for the Levee Committee, reported that the fence along the Y-street levee needs repairs and whitewashing. The matter was referred to the Levee Committee.

MISCELLANEOUS. A. H. Blanchard's petition for a saloon license at 313 K street, the City Hotel, was granted. Brown and McKay not voting.

J. J. Keene was granted a license at 201 I street.

F. F. Capith was granted a license at 119 K street.

The request of City Treasurer A. L. Frost for an extension of his leave of absence from July 1st to August 1st was granted.

The City Surveyor presented a diagram of the sidewalk of G. W. Higgs, on E street, between Thirteenth and Fourteenth, his fence projecting on the sidewalk three and one-half feet, and would have to be moved, in order that the sidewalk may be eight feet wide.

The report was adopted.

A resolution of intention to improve Twenty-second street from H to R, with macadam was adopted.

A communication was read from the Corporation Counsel to the effect that the sidewalk in front of the Old Postoffice can be inclosed on the Fourth of July, in order to prevent accidents from its unsafe condition, if entrance be left for the tenants.

The Corporation Counsel rendered an opinion that the board has power to allow Assistant Chief Montgomery \$50 a month during the time he is disabled by the injuries received in performance of his duty at the Metropolitan Theater fire, or to allow him his full monthly salary, if it so chooses.

An ordinance allowing him \$50 a month was adopted.

A pretty line of Fourth of July hats. Van Alstine's, 607 J.

EGYPTIAN HENNA—A vegetable dye for immediately restoring gray hair to its original color; convenient and effective; no objectionable qualities. For sale by first-class druggists and hair-dressers.

THE GREAT CELEBRATION.

FURTHER ARRANGEMENTS FOR THE FOURTH.

Miss Carrie Romer to be the Soloist—Procession Will Start at 9:30 O'clock.

Everything is moving along encouragingly for the coming celebration of the Fourth of July, and there is no risk in saying that it will be the most elaborate ever witnessed on the coast outside of San Francisco.

The Literary Committee held a meeting last night, at which Chairman V. S. McClatchy presided, and received reports from various sub-committees.

Judge Hart reported that Supreme Justice T. B. McFarland and Rev. J. B. Silcox had cheerfully accepted the invitations extended to them to act as President of the Day and Chaplain, respectively.

It was decided to procure from Grand Marshal Frank Miller at once a list of the various organizations that are to participate in the parade, in order that seats may be assigned to them in the Pavilion.

W. H. Sherburn promised to arrange for an effective fire patrol service during the day and night in the Pavilion.

Mr. Sherburn also stated that he had consulted with Professor Pond of the High School, and the latter promises to secure about twenty-five students of that institution to act as ushers during the exercises. There will be in all about thirty.

Mr. McClatchy reported that Chief of Police Dwyer would have a police patrol of eight men inside the Pavilion during the exercises, and six at the entrance, to preserve order and see that the organizations in the procession are not obstructed in entering the hall. The various bodies will enter in the order they appear in the march, and the ushers will have no trouble in seating them.

The Chairman also stated that it is calculated the exercises will consume but a little over an hour and a half.

It was reported that the Music Committee had secured the services of Miss Carrie Romer of the San Francisco Yvoni Company as soloist. Miss Romer has been heard in Sacramento. She has a powerful voice and will be distinctly heard even in the great building.

She will sing Keller's "American Hymn." Miss Romer is visiting relatives here, and will go to Europe this fall, and the committee considers itself very fortunate in securing her assistance.

Nearly two hundred persons have volunteered for the chorus at the Pavilion on the Fourth, and will attend the rehearsal to-night, which, by the way, will be the only one. But there is room for double that number, and the committee wish all the singers in the city who have not been called on to come.

Invitation, as it has been impossible to wait on them all.

Rhys Thomas will be on hand at the rehearsal to conduct the chorus, accompanied by the band, and it is hoped that all who can sing will attend.

Grand Marshal Miller has completed nearly all the details of the parade, and expects it to be the greatest and best in the history of the city's celebrations.

He suggests that, in view of the fact that the march will be a long one, and there will be several thousand citizens and school children in the procession, should move promptly at 9:30 a. m., so that those who march can reach the Pavilion, where the exercises will be held, before the heat of the sun becomes oppressive.

Mayor Land has added Hugh Casey to the General Committee for the celebration.

HART'S BRIGADE. Its Headquarters and Camp May be Located Here.

Should the expected new call for volunteers be issued by the President, it is quite certain that General Hart's brigade will be accepted, and then recruiting will go on rapidly.

Captain Desborough, who has established Battery A's camp at Agricultural Park, says it is his intention to make Sacramento the headquarters of the brigade until it shall be mustered into service. He regards Sacramento as a much preferable place for a large camp than San Francisco.

Should this be done, it will be quite a help to the city, as the camp would require a large quantity of supplies, much of which would no doubt be purchased here, putting a considerable sum of money into circulation among our merchants.

Captain Desborough requests that persons having good reading matter, such as magazines or periodicals, that they can spare, send them to Camp Bruner, at the park, for the use of the men now there and to come. He feels very grateful to the hundreds of men and women who visited the camp on Sunday and gave such generous encouragement to the recruits.

OLD GLORY CARNIVAL. Some of the Attractive Features That Will be Found There.

Company G has shown its appreciation of the work of the ladies of the Red Cross, and has agreed to patrol and assist in the parade of the Old Glory Carnival. The bright uniforms of the boys, mingled with the unique costumes of the girls in the booths, will make a pretty sight.

Company G has a good chance to get the beautiful flag which is to be voted on that day to the most popular company.

Another attraction will be the Native Daughters Summer Garden. Peanuts in all styles will be served. By way of entertainment, the Daughters will appear in "Living Pictures," the very mention of which should draw an appreciative audience. At this booth may also be seen some wonderful performances in "Black Art" and a living curiosity—the "Four-legged Girl."

The battleship Maine has been donated to the city and will be on exhibition near the lavender booth. The ship is five feet over all, and will be propelled by water-power in a tank built for the purpose. The mounted guns, torpedo tubes, turrets, etc., make it an especially interesting feature. No admission will be charged to see the wonderful production, but tickets will be sold at 10 cents each by which one may have a chance to own it. Every patriotic boy will want to buy a ticket on what is left of the Maine.

RED CROSS. Big Attendance Desired at the Meeting To-Day.

Attention is again called to the general meeting of the Red Cross League to be held this afternoon at 3 o'clock. Liberty Hall in the Foresters' building will be the place of meeting, the

RED CROSS. Big Attendance Desired at the Meeting To-Day.

Attention is again called to the general meeting of the Red Cross League to be held this afternoon at 3 o'clock. Liberty Hall in the Foresters' building will be the place of meeting, the

same having been generously tendered for the use of the society, together with flags and other decorations.

It is hoped there will be a large attendance, as there will be much of importance to consider at that time. All who are interested in the Old Glory carnival are asked to be present to suggest ways and means of adding to its success, financially and otherwise.

The Red Cross Society was to make the sashes for the children of the Fourth of July parade, but being very busy supplying the soldiers with proper bandages, pillow slips, etc., Mrs. E. R. Hamilton kindly came to their assistance and agreed to relieve them of this work, and the sashes are now ready.

The women of the society were greatly cheered a day or two since by the hearty words of encouragement received from an old soldier. He told them that no other than one who had seen actual service could estimate the amount of comfort that comes to the sick and wounded soldiers through the uniring efforts of this organization.

There seems to be a general impression that there is a regular lunch committee to serve the troops as they come in. Such is not the case, the work is done entirely by volunteers, and all interested in the work are cordially invited to assist.

Credit was given yesterday to the "Leader" for the \$50.50 subscribed by Chinese residents for the Red Cross fund. This was an error. The money was collected by Boule Sam, the well known Chinese interpreter, and he says he will not near through collecting from his countrymen.

Two of the men with whom a reporter talked had lived in this city, and were employed in the railroad shops. The battery is composed of bright, the-same young men, and they are all enthusiastic over the prospect of active service.

MORE SOLDIERS. Arrival of Battery A of the Alger Flying Artillery.

Battery A of the Alger Light Artillery, comprising 125 men, arrived last evening from Cheyenne, Wyo., en route to San Francisco, and eventually to the Philippine Islands. They were met at the depot by a number of the Red Cross ladies, who served the men with lunch. Mrs. Sam Ginsberg, Mrs. George Murray, Mrs. Sol Nathan and Mrs. Thompson contributed liberally.

The battery is in command of Captain S. R. Palmer, the First Lieutenant is Ham Clark, and Second Lieutenant J. Gilmore. The men were given an hour and a half's freedom and they marched up town as far as the State Capitol. When they reached the "Record-Union" office Captain Palmer halted the command and twenty-five boys gave three rousing cheers for the "Record-Union."

LANTERNS ASKED FOR. Bunting Used at the Carnival Will Afterwards be Sold.

The ladies having charge of the decorations at Oak Park on July 1st desire that all who have Chinese lanterns which they are willing to lend for the occasion will send them to the Red Cross rooms or else leave word where the lanterns may be obtained.

The committee wishes to make the carnival as attractive as possible without great expense. A large amount of the aid of a skilled and reliable specialist, when he has an ailment or weakness, is guilty of almost criminal neglect.
