Mrs. Governor Budd was to take charge of a fancy table, but finds it impossible to be present. She has, however, donated some very handsome articles, which will sell readily.

Youths' Pants at Reduced Prices.

A careful overhauling of our stock of separate pants for youths shows several lines that have been partly sold out, thus leaving a few patterns in this line and that line—but not enough in any one lot to warrant us keeping them in stock.

- Lot 1 50c ea. In this lot we have grouped our strong leans and fancy striped pants that we have been selling for 75c, 85c and 91c per pair; they are strongly made and give excellent service. Commencing Thursday, 50c pair.
Lot 2 \$1.00. These are of desirable patterns—left over from this season's selling—light and dark colorings; these pants have been selling regularly at \$1.50 the pair; we have 51 sizes for youths 10 to 15 years of age. Commencing Thursday, \$1.
Lot 3 \$1.50. This lot is made up of our regular \$2 lines in chevots and cassimers; for youths 12 to 15 years, an inspection of this line will show its great value. Commencing Thursday, \$1.50.
Lot 4 \$2.00. A fine lot of chevots, worsteds and cassimers, medium and heavy weights, dark and light colorings. Many items in this lot would be considered cheap at \$2.50 and \$3. Commencing Thursday, \$2.
Lot 5 \$2.50. A small but select lot, made up of several lines of black and fancy worsteds; the run of sizes is somewhat broken, but if you can find your fit an unusually good value is yours, as these goods have been selling regularly from \$3 to \$4 pair.
Lot 6 \$3.50. There's high quality in this lot for your choosing—fine fancy worsteds—several of our \$4.50 lines being represented. We want to close them out, so they go on sale, commencing Thursday, at \$3.50.
