Searchlight, the Young California Pacer, Reduces the Four-Year-Old Record Two Seconds, Going the Mile in a Race in 2:04 1/4—Results on Other Tracks.

CLEVELAND (O.), July 25.—The breaking of two world's records and one season record marked the opening of the grand circuit races at the Glennville track this afternoon. The first event, the 2:16 trot, was the fastest race this season, and in the second race, the 2:10 pace, the world's record for pacing mares was clipped from 2:05 1/4 to 2:05 1/4 in the first mile. In the next mile Searchlight, another member of the California outfit, reduced the mark for four-year-olds to 2:04 1/4, going under the record two seconds. Separately the heats in the trot were not marvelous, but collectively they form the fastest trotting race of the year. Mattie Patterson displayed the speed of the big field, and took first money in straight heats. The time was 2:10 1/4, 2:06 1/4 and 2:09 1/4. EGZEMA FROM BIRTH

Baby's Arms Neck Hands and Face Broken out with Red Pimples. Terribly Inflamed.

Had to Wear Soft Mittens to Keep Her from Scratching. Suffering Was Terrible.

2 Leading Physicians Could Not Even Help Her. Tried CUTICURA. Immediate Cure.

Our little daughter, now fifteen months old, was troubled from her birth with Eczema. Her face, arms, hands, and neck would break out with red pimples, the parts affected would swell and become terribly inflamed, water would ooze out like great beads of perspiration, finally this would dry up and the skin would crack and peel off. She suffered terribly. Had to wear soft mittens on her hands to keep her from scratching. We gave her the best of our leading physicians a good trial, but neither of them helped her in the least. I purchased CUTICURA SOAP, CUTICURA OINTMENT, and CUTICURA RESOLVENT, and commenced using them as follows: After bathing I wiped her with a soft linen cloth, applied CUTICURA OINTMENT freely, and gave her the RESOLVENT regularly, she improved at once, and is now never troubled, although we have used less than one bottle of RESOLVENT, three boxes of SALVE, and of course CUTICURA SOAP. The statements I have made are absolutely true and not exaggerated in any way. Would also say you have my permission to publish this, should you wish. March 1, 1898. ROB. A. LAPHAM, 1117 West Side Square, Springfield, Ill.

CUTICURA REMEDIES will afford instant relief, permit rest and sleep, and point to a permanent, economical cure of the most annoying, disgusting, and humiliating itching, burning, bleeding, scaly, pimply, and crusted skin and scalp humors, with loss of hair, when all else fails.

Send throughout the world. FOTTER, DEBO AND CREM, "COP," Prop., Boston. "All About Baby's Skin," Free.

ALL MEN

Suffer more or less as they grow old. But it is also true that a number of young men are to be found who are old before their time. Some even are said to be old before they are young. What causes this? Disregard of the laws of nature. It is your duty to live your life according to the laws of good reason—to use nature's gifts with common sense, and not to abuse them. The one certain result of excess is weakness. Will power goes; nerves get all unstrung; sleep does not refresh; confidence in your own powers is destroyed and you can do nothing with either satisfaction to yourself or any one else. The joy of vigorous manhood which you once had you can never

FORGET.

Why not feel it again? Never despair. Thousands upon thousands have been cured and made men of whose vitality was wasting away, and from whom hope had almost gone. It is the mission of "Hudson" to bring prompt relief and a permanent cure to all cases of weak and weakened vitality force. "Hudson" makes the very fingers tingle with fresh life, with fresh hope, with buoyant spirits and with the sense of full power. Work is again a pleasure. Ask for free circulars and testimonials showing what wonders it has accomplished. There are cases from every State in the Union and many from abroad. Remember, an article of no expense to you. Medical advice is free, too. Be a man once more. Be full of hope instead of dull

DESPAIR.

BASEBALL

Results of Yesterday's Games on Eastern Diamonds. NEW YORK, July 25.—New York forfeited the game to the Baltimore after half of the fourth inning had been played. The score at that time was 1 to 1. Holmes, when at bat in Baltimore's ninth struck out. A "fan" in the stand yelled: "Oh, ducky, you're a lobster." "Well, I'm glad I'm not crying for a sheeney any more," replied Holmes. The umpire Lynch said something to Holmes, who went to the bench. President Freedman, who was sitting in the grand stand, sent a representative down with the request that Manager Hanlon take Holmes out of the game. Hanlon referred Freedman's request to the umpire, who said he had not heard the remark, and refused to take Holmes out of the left field. Mr. Freedman then came on the grounds and asked for the expulsion of the player, and on being refused, told Joyce not to play ball. Lynch then gave the game to the Baltimore—9 to 0. The spectators, about 3,000, received their money back. President Freedman stated afterward that he would protest the game, and he would report Holmes to the Board of Discipline. He also said that people had been crying for gentlemanly ball playing, and they would get it on the New York grounds at any cost.

FREIGHT RATES RESTORED.

End of the Rate War Between Western Roads. CHICAGO, July 25.—All freight rates were restored to normal tariff to-day on the Western roads, bringing to a close a long continued and disastrous rate war. While it was in progress many millions of dollars were recklessly thrown away. For twelve months rates in parts of the territory west of Chicago have been badly demoralized. No section escaped. It is difficult to determine where the ill results will be most severely felt. From St. Paul to the Gulf, and from Chicago to the Pacific Coast, the ravages of the war were experienced. But for it the earnings of the roads would have been phenomenal and unprecedented increases would have occurred, and the stockholders would have been gratified by the enlarged dividend payments.

PANA MINERS' STRIKE.

Revival of Hostilities Between Operators and Union Men. PANA (Ill.), July 25.—To-day there was a revival of hostilities between the coal operators and the union miners. The principal excitement was at the Springside mine, just outside the city limits, where Sheriff Coburn and a force of armed deputies were guarding the shaft. The union miners and their wives congregated in large numbers on the roads leading to the mine. The only men who entered the pit were seven who reside in houses on the Springside Company's property, fifty yards from the shaft, where they are guarded day and night.

A Hotel Company Assigns.

CINCINNATI, July 25.—The Gibson House Company has filed a deed of assignment to J. Hartwell Cabell, attorney. The assets are named at \$100,000, and the liabilities at \$90,000. This assignment was caused by the involuntary assignment of Horace Dunbar, President of the company and manager of the hotel. His assets and liabilities are placed at \$25,000. No cause is mentioned for the failure, and no preferences are given. The Gibson House is among the oldest and largest of the leading hotels of the city.

DRY GOODS HOUSE FAILS.

Assets Will Easily Cover the Indebtedness. CHICAGO, July 25.—David McCosker, one of the leading dry goods merchants of New York City, to-day made an assignment of his Chicago branch establishment to E. W. Cogan, who for years has managed the Chicago branch of the steam firm. The assignment was precipitated by a sudden demand for a settlement made last week upon the New York house by A. Mallory, a former partner in the business. It is said that the entire indebtedness of the firm, including the debt of Mr. Mallory, will not exceed \$150,000, which it is estimated will be easily covered by the assets.

Attempt to Blow Up a Ship.

NEW YORK, July 25.—In a letter written to a prominent official to-day, Captain William C. Bradley of the refrigerating and supply ship Port Victor says that an attempt was made to blow up the ship when she was three days out. He said that a box containing thirty pounds of dynamite and gun cotton was found on the main deck of the steamer. A clock-like mechanism had been arranged by which explosives were to be set off. The box and explosives were thrown into the sea. The Port Victor left New York on July 14th.

Fight Over a Woman.

MARTIN (O.), July 25.—A fight over a woman at a festival last night at Elko, a mining village near here, resulted in five being seriously wounded and many slightly injured. Those seriously hurt are: William Crow, cut on the forehead; Willie Frank Triemer, shot in leg, hand and head; Lewis Teager, thumb cut off; David Anderson, stabbed and struck on head with a slung shot; Lewis Anderson, bruised about the face. Warrants have been issued for the arrest of twenty-five persons who participated in the drunken carousal.

Ship Kenilworth Burned.

BATH (Me.), July 25.—A cablegram was received by Arthur Sewall, that the ship Kenilworth, bound from Hilo, Hawaii, to New York, had been burned. The cable stated that Captain James G. Baker and First Officer Piper and a boy named Hobson had lost their lives. The Kenilworth was laden with sugar.

Four Children Burned to Death.

OMAHA (Nebr.), July 25.—A special to the "Bee" from Beatrice says: Four children of Elmer Wattman, a farmer, were burned to death during the absence of their parents. Their ages range from nine years to an infant. How the fire caught is not known.
