

REPUBLICAN RALLY.

The Sixth Ward Club Had a Great Time Last Night.

That the Sixth Ward Republican Club is in line and intends to stay there until after the November election was evidenced by the great crowd and the unlimited enthusiasm that were present at the smoker and meeting held at headquarters at Smith's Hall, on Seventh street, last night.

The hall was fittingly decorated, the national colors meeting the eye at every turn, and the accommodations and seating capacity were equal to the crowd. Pictures of Washington, McKinley, Dewey, Schley and Sampson occupied prominent places on the speakers' platform, and to the entire was added during the evening a life-size portrait of General Shafter, the present of the First Ward Club of '98.

The smoker was decidedly informal, and while local orators sounded the tocsin of Republicanism refreshments were circulated at the best of good times was had. A brass band was much in evidence, and filled in the intervals between speeches by playing patriotic selections.

The First Ward Club of '98 attended in a body, led by its President, Dr. Tebbets, and its committee, the request of the Sixth Warders, rendered a number of selections in first-class style. The speeches were all along the line of Republican ideas and principles, and met with hearty applause. Among those who addressed the club were City Trustee Tebbets, James H. Devlin, John E. Sullivan, C. T. Jones, C. N. Post, C. M. Bar-

ber, and others. The meeting was a success, and the club is confident of a good showing at the polls.

Save the women and children first! is the distinctive cry of every brave man in a moment of peril, but in the case of every day concerns of life men who are ordinarily brave and most people would forget the kind of trouble and disease that overhang their families. A man engaged with his own affairs seldom realizes how hard his wife is working and how heavy her load is breaking down under the strain, and becoming weak and sickly, incapable of doing the family work of looking after the children.

It is just as much a man's duty to look after the health of his family from day to day as it would be to give them the first thought in a moment of shipwreck or peril.

It does not cost anything more than a few minutes of time to write to Dr. R. W. Pierce, the consulting physician of the Invalids Hotel and Surgical Institute of Buffalo, N. Y., who will give the best medical advice and charge with suggestions for inexpensive home-treatment whereby any of the family who are weak and ill may be put on their feet again well and strong.

For thirty years Dr. Pierce has successfully treated many of the most obstinate and apparently hopeless cases of chronic disease. His medicines are known throughout the whole world for their astonishing efficacy. His "Golden Medical Discovery" is the best remedy for all weak and debilitated conditions of the system. It gives power to the digestive organism to transmute the food into muscular flesh and active energy.

His "Pierce's Kidney and Bladder Pills" is the most successful medicine ever devised for the delicate ailments peculiar to women.

His "Pierce's Kidney and Bladder Pills" is the best and most natural laxative for constipation.

PERAMBULATING PAWN-SHOP.

Enough Goods in a Man's Pockets to Fill a Show Case.

Learning that a stranger was going about yesterday trying to sell or trade a variety of jewelry, Sheriff Johnson and County Detective Max Fisher took him to the Sheriff's office on suspicion. They found in the man to be a veritable walking second hand jewelry store. He wore inside his vest a pouch belt such as early day goldseekers sported when they first set out to the mines. It was filled with watches, etc., and there were one or more in each of his pockets, to say nothing of chains, rings, etc.

Altogether the man's clothing panned out. Six men's gold watches, one silver and one nickel plated, two ladies' watches, one quite small and enameled in blue; ten gold rings, some set with cameos and others with onyx; two plain gold rings; four gold chains (men's) and eight ladies' short job chains, one of the latter with a small alarm in the shape of a blue enamel pitcher with gold base.

One of the men's gold watches, a stem winder, has a screw back and ornamented face with two small dials. Inside it is inscribed, "Tuxedo, U. S. A." The man's gold watch is a straight story and made no effort to conceal any portion of his stock. He said he had a brother in one of the cities down south who is a pawnbroker, and that from him he received frequent consignments of pawned articles to dispose of.

Sheriff Johnson consulted all his files of criminals and lost property, but could find nothing describing any of those on the peddler. He, therefore, released him.

The colored man arrested on suspicion of being one of the thugs who tried to rob the Bannister place, near the city, on Tuesday morning, has been released. Sheriff Johnson convinced himself that the man was elsewhere.

STATE CONVENTIONS.

Subscriptions to Be at Once Collected to Meet Expenses.

There was a meeting at the Golden Eagle Hotel, last night of the Executive Committee of the Citizens' Convention Committee, at which William Beckman presided and Talbot H. Wallis was Secretary.

The Secretary was instructed to immediately begin the work of collecting subscriptions to the convention's funds, and to deposit the same with the Treasurer.

Mayor Land, Chairman of the Finance Committee, will call the members together in a few days and complete the canvass for funds.

There is now a strong hope that both the Democratic and Republican State Conventions will be held in the large Pavilion. The Democrats yesterday decided, at a meeting in San Francisco, to hold their convention on the 16th of August, and at that time, it is believed, the use of the State Pavilion can be had.

A member of the local committee stated last night that there is reason to believe that the Pavilion can also be used by the Republicans on the 23d. It would seem that every effort should be made to do so. The interruption to State Fair work would be slight, and might be overcome by an increase of the working force for a week after the convention adjourns.

SHERMAN ISLAND AFFRAY.

Delia Hughes Said to Have Cut Herman Weidert.

A dispatch from Stockton says: "Meager particulars were received this afternoon by telephone from Antioch of the stabbing of Herman Weidert at Sherman Island last Saturday afternoon. Constable Sweeney of Antioch is holding Joe Durick and Delia Hughes, who were arrested for the stabbing, pending the arrival of the officers from Sacramento, the crime having been committed in that county."

"Weidert did not know the particulars, but he said it was stated that the woman did the stabbing. He declared further that the wounded man was not a quarrelsome person.

"It is believed that the man and the woman attempted to rob Weidert, and that he was stabbed for resisting. The wound is believed to be fatal."

A COSTLY DRUNK.

Barber Reitzke Goes to Jail for Thirty Days.

Charles Reitzke, who was arrested for beating his six-year-old stepdaughter while he was under the influence of liquor, was found guilty in the City Justice's Court yesterday, and was sentenced to serve thirty days in the County Jail.

Mrs. Reitzke told Judge Davis that her husband was all right when sober, but that when drunk he was very violent, and she was afraid he would kill her. The little girl told her father picked her up and threw her against a clothes press, leaving black and blue marks on her head and side.

Reitzke has frequently been in trouble, and the sentence was given as an object lesson of an emphatic kind.

Kilne, who were arrested at the instance of Water Inspector Hamilton for violating the new ordinance which fixes the hours for irrigating with city water between the hours of 5 and 8 a. m. and 5 and 8:30 p. m. were before Justice Davis yesterday. All the parties entered pleas of guilty. Judgment in each case was suspended.

Joseph Brazil, recently arrested for complicity in burglarizing the warehouse of the Capital Gas and Electric Company, was arraigned on a charge of vagrancy. He was found guilty, and was sentenced to serve three months in the County Jail.

ON HABEAS CORPUS.

Goey Hop to Have a Hearing This Morning.

A few days since, Justice Henry comp to jail a Chinaman named Goey Hop to jail for contempt of court growing out of the proceedings in the case of Wah Hop against Ah Foon.

Yesterday Goey Hop appeared before Judge Hart, and his attorney, W. A. Anderson, presented a petition for a writ of habeas corpus, which was granted, the writ being returnable at 10 o'clock this morning.

The petitioner denies that he held any money or property subject to execution in the case of Wah Hop against Ah Foon, or belonging to the judgment debtor in said action. He was released on \$200 bail.

Weather Reports.

The Weather Bureau reports show the highest and lowest temperatures yesterday to have been 101 and 69 degrees, with gentle to fresh southwesterly winds and clear or hazy weather prevailing.

The barometrical readings at 5 a. m. and 5 p. m. yesterday were 29.78 inches and 29.77 inches, respectively.

The highest and lowest temperatures one year ago yesterday were 95 and 55 degrees, one year ago to-day 90 and 52 degrees.

The average temperature was 85 degrees, and the normal 72 degrees, showing yesterday to have been 13 degrees warmer than usual for the 27th day of July.

Last evening a brisk south breeze came up that cooled the atmosphere, the buildings and the pavements, and the people were able to enjoy a cool night's rest.
