PAY OF SOLDIERS. Was Withheld at the Request of Colonels of Regiments.

WASHINGTON, Sept. 6.—Considerable complaint has reached the War Department from different parts of the country because the volunteer troops in Cuba did not receive their pay. In most instances the pay of the volunteers was three months in arrears, and the Government has been criticised for not paying the men promptly. Now that the troops have returned to the United States, it develops that the men were not paid because the Colonels of fifteen regiments requested the Paymaster General to withhold the money due the troops until they should return to the United States. Paymaster General Stanton says the Government had an efficient corps of paymasters and plenty of money in Cuba and could have paid the men promptly but for the request made by the officers commanding the regiments.

Women's \$2.50 Shoes.

Not one style, but many, and some of them exceedingly pretty. Here is one with plain kid toe instead of patent leather, and with fancy black vesting running up the instep. Then, too, the leather on the lower part of the shoe is curved and scalloped in various pleasing ways.

A similar shoe, and same price (\$2.50), has patent leather tips and uppers of dark fancy vesting. A splendid walking shoe with a "manish" air is of box calf, with square kid tops and heavy soles. It, too, is \$2.50.

But why not come in, if interested, and see the shoes for themselves? You'll find them better than the descriptions indicate.

CLAIMS AGAINST THE STATE.

The board held that while the State could assume no debt arising from exhibits at the fair, Mr. Hatch had never been released from duty by the California World's Fair Commissioners, and that as he had acted by good faith his claim was equitable and ought to be paid. The claim is for \$1,050, and a bill appropriating that amount was passed by the last Legislature and vetoed by Governor Budd on the ground that the Midwinter Fair was not under control of the State.

SEVERAL RECOMMENDED TO THE LEGISLATURE.

Others That the State Board of Examiners Decline to Approve.

The State Board of Examiners met in the Governor's office yesterday, all the members being present. The meeting was held for the purpose of passing on claims which will be presented before the next Legislature. Ordinary routine business and monthly bills were not considered. The following bills were approved, and will be favorably recommended to the Legislature:

Louis Shuckman, \$300, for the arrest of George Sharpe.

George H. Stewart, \$300, for the arrest of W. H. Harral.

John Burr, Sheriff of Los Angeles County, \$71.25, for conveying a patient to the Home for Feeble-Minded.

C. B. White, \$13.55, for conveying a patient to Eldridge.

John Burr, \$125.80, for conveying patients to Eldridge.

J. C. Nichols, \$70.00, for similar service.

Theodore A. Bell, District Attorney of Napa County, \$150.24, for costs of suits foreclosing interests of delinquent purchasers of State school land.

John E. Raker, District Attorney of Modoc County, \$220.40, for fees.

Board of Railroad Commissioners, \$93.35, for carpets, etc.

State Board of Prison Directors, \$15,000, for changing the sewerage system at Folsom Prison.

George H. Clark, \$644, for funeral expenses of Levi Rackliffe, and several minor accounts for the same.

A. W. Barrett, \$5,000, for expenses of National Guard under call of Governor.

Yoman & Erbe Manufacturing Company, \$2,500, for furnishing office of Clerk of the Supreme Court.

The claim of \$600 put in by J. W. Bird for furnishing information which led to the arrest and conviction of his brother-in-law, Frank Bellew, for poisoning his brother and sister, Louis and Susie Bellew, at Dixon, came up, and the probability is that it will never be paid. Both Governor Budd and Attorney General Fitzgerald held that the reward was offered for the arrest and conviction of the poisoner, and not for information leading to such arrest and conviction. They held that only the arresting officer could lay valid claim to the reward.

The claim of W. T. Hamilton for the arrest and conviction of Ivan Kovalev was also referred to the Attorney General. Hamilton found Kovalev's clothing after the Weber murder in this city. The claim of G. J. Hatch for exhibiting California wood at the Midwinter Fair at San Francisco, under the direction of the World's Fair Commission, created quite a discussion, which ended in its approval as an equitable claim. Mr. Hatch was appointed to take charge of the California wood exhibit at the World's Fair, and after the event closed he still acting under the direction of the Commission, brought the exhibit to the Midwinter Fair and gave it his time and attention.

AMUSEMENTS.

At the Orpheum last night there was another delighted audience. The vaudeville company now occupying the boards at that temple of amusement is a particularly strong one, and every number of the program has struck with usual merit. Charles Case is irresistibly funny, and so are Hines and Remington. Charles and Mae Stanley are a very pleasing pair, while it is worth the price of admission to hear Jacklin and Grodzens sing their war songs. The same bill to-night.

Died at Virginia City.

The death is announced of Mrs. R. R. Patton at Virginia City, Nev. Mrs. Patton has many friends in this city, where she resided for many years. She was one of the early Presidents of St. Paul's Guild, and for many years was prominently identified with the work of that society.

Mrs. Patton leaves a son, Fred, Patton, who resides in Virginia City. The remains will be interred in the family plot in this city, and funeral services will be held at St. Paul's Church.

The State Board of Equalization met yesterday morning, had a love feast and formally fixed the rate of taxation for the ensuing year at the figures decided on last week—48.8 cents per \$100, including 2 cents for the State University.

W. C. T. U. Election.

Osborn; Corresponding Secretary, Mrs. E. V. Hunter; Treasurer, Mrs. G. A. Stoddard; First Vice President, Mrs. Jessie Vev; Second Vice President, Mrs. Etta Whitney.

A Sudden Attack of Illness.

C. H. Breum, for many years the trusted book-keeper for Locke & Co. and conviction of the poisoner, and not for information leading to such arrest and conviction. They held that only the arresting officer could lay valid claim to the reward.
