ROUGH RIDERS. A Number of Roosevelt's Regiment Received by the President. WASHINGTON, Sept. 21.—President McKinley to-day informally received a delegation of about a dozen members of the Roosevelt Rough Rider regiment. A majority of the delegation are from New Mexico, and are en route home. They were all presented by Delegate Ferguson of that Territory, who stated that New Mexico had furnished four of the Cavalry and 440 of the men constituting the regiment. Each of the callers was presented individually to the President, who, after greeting them personally, talked with them and to them as a body in an informal manner. He spoke with earnest enthusiasm of the work of the regiment in the San Juan campaign, saying that he was pleased to have the opportunity on his own behalf and in behalf of the country at large to thank the regiment, through the present delegation, for the work it had done. "Your record is one," he said, "of which the nation is proud. I tell the people who left the boats in squads of twenty or thirty inquiring the way to Santiago, and that you hardly stopped until you arrived there. You have not only done well," he said, "but have no doubt you would all be willing to again serve your country in an emergency."

The response that they would to a man. The President also congratulated the soldiers upon their good fortune in receiving competent officers to lead them, and met with a hearty response to all that he said about Colonel Roosevelt and General Wood and General Young. The delegation comprised the following names: Capt. W. H. Llewellyn, Capt. R. C. Day and M. L. Llewellyn, Lieutenants W. F. Daniel, J. H. Carr, Thomas H. Rhinling, F. S. Keys, — Coleman; Corporals Llewellyn, Fries, Denny, Caldwell and Keithley and Troopers Knox, Coulter and Wood.

BRIDGEPORT MYSTERY. The Disembodied Corpse Now Believed to Be That of Miss Gill. BRIDGEPORT (Conn.), Sept. 21.—Another development in the Yellow Pond mystery was made known to-day with the announcement of the arrest of Hartford of Walter C. Foster. The police have reached the conclusion that the young woman whose disembodied corpse was found in the pond last week was Emma Gill, daughter of Harry Gill of Southington. Young Foster is accused of having been an accomplice in the murder of Miss Gill. Miss Gill was 24 years of age, and had been employed as a domestic in the family of James H. Pratt of Southington. Her brother described a mole upon her neck and a similar mark was found on the corpse. The brother told how his sister started on a vacation. At the end of the two weeks she returned home, but announced to Mr. Pratt that she was engaged to be married. Her parents she stated that her suitor, Walter Foster of Hartford, had a sister living in Stratford, and she had invited her there. Two letters sent by the parents to the daughter were answered, but by the postmaster to return outside to the postmaster to return within three days if not called for was received to-day unopened.

CHAPLAIN McINTYRE. Court Martial Will be Postponed Owing to Sickness of Accused. DENVER, Sept. 21.—Chaplain J. P. McIntyre of the battleship Oregon has been stricken with nervous prostration, and the physician who is attending him says that he may be confined to his bed for some time. It is probable that the court-martial which has been ordered to convene in Denver next week for the trial of Chaplain McIntyre, on the charge of having unlawfully criticized the actions of Admiral Sampson and Captain Evans in the Santiago naval battle, will be obliged to postpone proceedings for several weeks on account of the Chaplain's illness. Mr. McIntyre says he has not been officially notified of the charges against him or of the date of his trial, and this has seemed to worry him considerably. He is staying at the house of Attorney Thomas J. Dunn, a friend, in this city.

thews, Walter Bulmore and Al Paster-nak, Matthew's injuries are fatal, and the others are in a precarious condition.

POLITICS IN MONTANA. Not Yet Settled Whether There Will be a Fusion Ticket. ANACONDA, Sept. 21.—The Democratic, Populist and Silver Republican State Conventions met at noon to-day. In each the chief issue is fusion or no fusion. Only two Judges and a Clerk of the Supreme Court and one Congressman are to be nominated, but the coming session of the Legislature will elect a United States Senator to succeed Lee Manille, and the strife for this office complicated the situation. A. J. Seligman of Helena was made Chairman of the Silver Republicans, and A. J. Campbell permanent Chairman of the Democratic convention. In the Populist convention Secretary of the Logan of Anaconda was made permanent Chairman. Each of the three conventions appointed the usual committees, and in addition a Conference Committee on Fusion. All three then recessed until 5 o'clock this evening. The conference on fusion was unable to agree, and apparently all hope of fusion has gone. The proposition of the Democrats was first that the two retiring Judges of the Supreme Court be renominated. One of them, Chief Judge Pemberton, is elected six years by a fusion of Democrats and Populists, and is generally regarded as a Democrat. The other Associate Justice, Pigott, is a straight-out Democrat. The Democrats further proposed that the nomination for Clerk of the Supreme Court should go to the Populists, and that the Populists take the Congressman, Charles S. Hartman, and lastly, that the Populist and Silver Republicans pass a resolution agreeing to the election of a Democrat as United States Senator by the legislature. This proposition was not discussed.
