Pears'

What is wanted of soap for the skin is to wash it clean and not hurt it. Pure soap does that. This is why we want pure soap; and when we say pure, we mean without alkali.

Pears' is pure; no free alkali. There are a thousand virtues of soap; this one is enough. You can trust a soap that has no biting alkali in it.

All sorts of stores sell it, especially druggists; all sorts of people use it.

PROTEST AGAINST KAHN.

Republicans Who Say He Was Not Regularly Nominated.

The certificate of nomination of Julius Kahn, Republican nominee for Congress in the Fourth Congressional District (San Francisco), was received for filing in the Secretary of State's office yesterday, but it was not filed.

By the same mail which brought the certificate of nomination came a protest lodged by the Citizens-Republican Committee of San Francisco, and signed by Chairman and Secretary, couched in the following words:

"Understanding that a certificate of nomination of one Julius Kahn for Congress from the Fourth Congressional District of the State of California, signed by the Chairman and Secretary of a convention claiming to be the Republican convention of the said district, and was organized by her in New York."

FOR PURITY.

Series of Meetings to be Held by Mrs. Mary E. Teats.

Mrs. Mary E. Teats, the talented W. C. T. U. Superintendent of the "Purity" branch of that organization's work, will deliver a series of lectures in Sacramento, beginning on Sunday and ending the last of the month.

The opening lecture will be at the Congregational Church at 2:30 p. m. to-morrow, and will be for men only. All the meetings will be free.

Mrs. Teats enjoys a wide reputation as an interesting and instructive lecturer, and the good cause in which she is engaged—the elevation and betterment of mankind—should insure a large attendance at her meetings.

"Mrs. Teats will stir up the city on purity and good citizenship, if we can only get the people to go and hear her," said one of the local workers yesterday. Wherever Mrs. Teats has spoken good results have followed.

PRESBYTERIAN RALLY.

To Take Place at Davisville on Sunday.

Rev. John W. Dorrance, pastor of the Presbyterian Church at Davisville, writing to the "Record-Union," says: "Next Sunday, September 25th, is Rallying Day, endorsed by the General Assembly of the Presbyterian Church in the United States of America, in the interests of the Twentieth Century Movement," which aims to increase the present Sabbath-school membership from a million to a million and a half on or before April 1, 1901.

"In keeping with the above, interesting programs have been prepared for both morning and evening. A good time is anticipated. No charge for admission. A free-will offering will be received. All are invited."

Mammoth Peaches.

Some peaches were brought to the city yesterday from Cutter Brothers' American River orchard at Brighton of the "Salway" variety, that were enormous. Two layers of fifteen each filled an ordinary peach box, and the peaches measured all the way from ten to thirteen inches in circumference.

THE ROSE OF HILO.

Recipient of Much Social Attention Yesterday.

Miss Annie Rose of Hilo, Hawaii, an admired belle of our new territory, a very modest and unpretentious woman, who goes to Topeka, Kas., to-night to be its carnival Queen, was yesterday

the recipient in Sacramento of much social attention. This was not given more for the renown of her personal charms and accomplishments, than for the fact that she is the first Hawaiian woman since the annexation of her country to the United States to enjoy the distinction of selection by the people of a State Capital to preside over American festivities; the first of our new citizens, indeed, to be visited in this country with noteworthy social honors.

The lady is the guest of Mr. and Mrs. E. R. Hamilton, as already stated, and will leave to-night under the guidance of Mrs. C. K. Holliday for Topeka. Yesterday she was escorted to points of interest in the city, the Art Gallery, Capitol, Sutter's Fort, etc., was introduced to many women of Sacramento, and at night was a guest at the Orpheum, where a box was decorated in her honor. She will receive informal social attention to-day, and be sent on her way eastward with good wishes this evening.
