Weather Reports.

The Weather Bureau reports show the highest and lowest temperatures yesterday to have been 67 and 54 degrees, with fresh to brisk southerly winds and cloudy weather prevailing.

The barometrical readings at 5 a. m. and 5 p. m. yesterday were 29.82 and 29.88 inches, respectively.

The highest and lowest temperatures one year ago yesterday were 56 and 44 degrees with a trace of rain, one year ago to-day 56 and 49 degrees with 1.18 inches of rain.

The highest temperature yesterday, 67, was 17 degrees less than the highest temperature (84) of the preceding twenty-four hours.

The average temperature was 60 degrees and the normal 62 degrees, showing yesterday to have been 2 degrees cooler than usual for the 22d day of October.

A SERIOUS CHARGE.

P. Espinoza Arrested and Charged With Criminal Assault.

Chief of Police Dwyer yesterday arrested Philip Espinoza, a Mexican boot-black 56 years old, who has a stand on J street, between Ninth and Tenth, on complaint of a 12-year-old girl named Lizzie Ranze, on a charge of criminal assault.

The girl stated to Chief Dwyer and a physician that she was sent by her mother, who lives in the alley between M and N, Fourth and Fifth, to get some clothes in room 20 of the Belvidere Hotel, over the Chinese restaurant on Sixth street, which has been made so prominent in police circles lately, and that Espinoza assaulted her while there.

Officer Dan Healy, of the Society for the Prevention of Cruelty to Children, states that the girl has been working in Yolo County and that Espinoza pursued her while there so persistently, buying her presents, that she lost her place.

Espinoza admitted to Chief Dwyer last night that a number of years ago a charge of criminal assault was made against him.

HAD A COWBELL.

Noyes Was Also Riding on the Wrong Side of the Street.

Officers Douglas and Fisher last night arrested H. Noyes at Ninth and K streets for violating the bicycle ordinance.

The officers state that Noyes rode up and down the street, ringing a cowbell, to show his contempt of the ordinance, and that when they stepped out and asked him to desist he changed it in their faces and around their ears, and said that it suited him and that he had no money to buy another. As he was riding on the wrong side of the street, they arrested him and took him down in the patrol wagon and they claim that he was very impudent during the ride.

It is stated by the officers that Noyes is a member of the Capital City Wheelmen and that, while some of the members said that they were sorry for the arrest, but the law must be obeyed, some others, who claimed to be members, threatened to have the officers "fired" off the force for making the arrest. Chief Dwyer asserts that he proposes to enforce the ordinance and also that against fast driving and that those who wish to avoid trouble will do well to keep inside of the law.

THEY PLEADED GUILTY.

Sentence on the Three Boy Thieves Suspended Until Monday.

Chester Sweet, Johnny Stone and Dave Brannish, the three boys arrested for petty thieving, pleaded guilty yesterday in the City Justice's Court, and judgment was suspended till Monday in order to decide what to do with them.

The parents of Chester Sweet are trying to avoid his being sent to a reform school and wish to place him on a farm fifteen miles away from the railroad, thinking that it will do him more good than the associations at a reformatory institution.

1/5 THE COST OF MEAT OF RICH CREAM WITH Grape Nuts

A charming dish.

As Compared With Meat.

One of the most valuable items in one's dietary is good, rich cream. The remark is frequently made that "cream is too expensive to use freely." Some people think they must have meat every day at 10 and 25 cents per pound and do not realize that 5 cents' worth of pure cream for breakfast will do more to put on flesh than 25 or 30 cents' worth of meat.

An ideal portion of breakfast is that obtained from say, four teaspoons of Grape-Nuts and a little pure, thick cream, either cold or hot.

This is one of the most delicious dishes imaginable, and is served without cooking or trouble of any kind, and cannot be equaled in point of food value for the human body.

Made by the Postum Co., at Battle Creek, Mich.

The Grape-Nuts, consisting largely of grape sugar, have passed through processes similar to the first act of digestion, and are, therefore, most easily digested, and in combination with cream, they render the cream itself easy of digestion.

Grocers sell Grape-Nuts.

EVERYBODY'S COLUMN.

Under this heading the "Record-Union" will publish short letters from correspondents on topics of interest to the general public. The matter in these communications will be understood to represent only the views of the writer. All communications must be accompanied by the name of the writer, not for publication unless so stated, but as a guarantee of good faith.—Eds.

The Single Tax Again.

Eds. "Record-Union": As I was a going to work this morning I read the paper whilst I was waiting for the car and I see that their article about the man what owned a fine big house on a 50 by 100 foot lot was the landlord got his \$100 every month and the man next door what paid \$15 for a five-roomed house on the same sized lot and when you come to figure that when we get single tax with Maguire then the man with the small \$15 rented house has to pay as much taxes as the man what gets a hundred dollars a month rent for his big house at that rate it would pay an old Missouri Democrat like me to vote for the other fellow. Now that was a pretty good illustration but I can go you one better, you know what a nice piece of property old Phil Sheld is got out there on 28 and M street, a fine saloon, big brewerie and all them other fixins what cost thousands of dollars and without all them things old Phil net could have got so rich, he is got a nice piece of ground there to be sure but them buildings and mashinerie and brewerie fixins are worth more than the bare ground, now just 2 1/2 blocks from old Phils place there is were old Phils place lives, he peddles the vegetables and home dist. He is got to pump the water to make his stuff grow and is got to pay a city and a county license to sell it, he works hard all day a peddling his stuff and gets up early in the morning and works late at night to get things in shape for morning, he has all them fine fixins, and his horse and he is got just about as much ground as old Phil Sheld and according to the single tax his land would be taxed with a few heds of cabages and beats and tomatoes the same as old Phil with that fine brewerie and them costly fixins what he has to pump into beer and beer into cash, the beer business can be done upstairs and way upstairs, and ground up in the air is cheap, but you see its this way with old man Poole his goods will grow on ground only and not on top of bricks and sticks and on the ground you cant double up. Phil Sheld can make as much profit when his brewerie runs in one day as old man Poole can in 6 months and under Maguire and single tax Poole would have to pay as much taxes for a piece of ground with a little cabin and a shed barn and a few heds of cabages on it as Phil Sheld with a big brewerie and all them fine fixins. I reckon I wont vote for Maguire.

AN OLD MISSOURIA DEMOCRAT.

[The writer of the above has not paid much attention to spelling and grammar, but he seems to have taken at least his kindergarten course in the single tax school. He evidently knows that the single tax would do for the

poor man. We have not corrected the errors in spelling or grammar, because it would be difficult to do so and yet preserve the peculiar style of argument used by the author.—Eds.]

The Governor's Residence.

Eds. "Record-Union": I have had a dispute with a Democrat relative to the law governing the residence of State officials. Will you settle the matter by printing a reply to this question: Must the Governor live at Sacramento, and how can Governor Budd be forced to live here?

[Section 832 of the Political Code provides that the Governor "must reside" and "keep his office" in the city of Sacramento. Section 52 of the same code says a man's residence is "where one remains when not called elsewhere for labor or other special or temporary purpose, and to which he returns in seasons of repose. Governor Budd has ignored the law entirely, but what proceeding is proper to compel him to obey its mandate is a question for lawyers rather than newspapers.—Eds.]

Concert and Entertainment.

Next Tuesday evening, October 25th a concert and entertainment will be given at the German Lutheran Church for the benefit of the church fund. A number of favorites among our local talent have kindly consented to participate and the evening promises to be a musical treat to all who attend. The entertainments given by the young people of the church during the past have always been greatly enjoyed and this one will undoubtedly be well patronized, as the admission is small, including beautiful refreshments after the concert.

TO CURE NERVOUS DYSPEPSIA.

To Gain Flesh, to Sleep Well, to Know What Appetite and Good Digestion Mean, Make a Test of Stuart's Dyspepsia Tablets.

Interesting Experience of an Indianapolis Gentleman.

No trouble is more common or more misunderstood than nervous dyspepsia. People having it think that their nerves are to blame, are surprised that they are not cured by nerve medicines and spring remedies; the real seat of mischief is lost sight of; the stomach is the origin to be looked after.

Nervous dyspepsia often do not have any pain whatever in the stomach, nor perhaps any of the usual symptoms of stomach weakness. Nervous dyspepsia shows itself not in the stomach so much as in nearly every other organ; in some cases the heart palpitates and is irregular; in others, the kidneys are affected; in others the bowels are constipated; with headaches; still others are troubled with loss of flesh and appetite, with the accumulation of gas, sour risings and heartburn.

Mr. A. W. Sharper of No. 61 Prospect street, Indianapolis, Ind., writes as follows: "A motive of pure gratitude prompts me to write these few lines regarding the new and valuable medicine, Stuart's Dyspepsia Tablets. I have been a sufferer from nervous dyspepsia for the last four years; have used various patent medicines and other remedies without any favorable result. They sometimes gave temporary relief until the effects of the medicine wore off. I attributed this to my sedentary habits, being a bookkeeper with little physical exercise, but I am glad to state that the tablets have overcome all these obstacles, for I have gained in flesh, sleep better, and am better in every way. The above is written not for notoriety, but is based on actual facts. Respectfully yours, "A. W. SHARPER."

"61 Prospect St., Indianapolis, Ind." It is safe to say that Stuart's Dyspepsia Tablets will cure any stomach weakness or disease except cancer of the stomach. They cure sour stomach, gas, loss of flesh and appetite, sleeplessness, palpitation, heartburn, constipation and headaches.
