

CUPID IS MAKING INROADS.

TWO TEACHERS HAVE SENT IN THEIR RESIGNATIONS.

Misses Inglis and Tufts and Mrs. Havens Were Elected Substitutes.

The regular monthly meeting of the City Board of Education was held last night, all the members present.

Miss Lou B. McCormack, teacher of the second grade at Fourth and G streets, and Miss Bertha Ebert, teacher of the fifth grade at Thirteenth and G streets, handed in their resignations, which were, on motion of Director Atkinson, accepted.

A motion to proceed to the election of teachers to fill the vacancies made by the resignations was carried, and on recommendation of Superintendent Erlwine, promotions were made as follows:

Miss Ryan, teacher of the third grade at Fourth and G streets, assigned to the second grade of the same school, vice Miss McCormack, resigned.

Mrs. Fountain (substitute) assigned to the third grade at Fourth and G streets, vice Miss Ryan, assigned to the second grade.

Miss Jennie Crofton, teacher of the third grade at Thirteenth and G streets, was assigned to the fifth grade at Seventh and G streets, vice Miss Ebert, resigned.

Miss Emma Woods assigned to the third grade at Thirteenth and G streets, vice Miss Crofton, promoted.

Superintendent Erlwine announced that he had received notice from one of the teachers that she would hand in her resignation on the first of January, and for that reason had provided for the election of three substitutes, raising the number to five, instead of four, as at present.

On motion, the board proceeded to the election of substitutes, the following named ladies being placed in nomination: Miss Inglis, Mrs. Havens, Misses Cronkite, Tufts, Purinton, Winn, Anderson, Ebert, Klotz, Tenbrook, Newburg, Heard, Chambers and Allen and Mrs. Coverdale.

For third substitute, Miss Inglis was elected on the second ballot, receiving five out of the nine votes cast.

Mrs. Havens was selected fourth substitute on the second ballot, receiving five votes.

Miss Tufts was elected fifth substitute on the first ballot, also receiving five votes.

An invitation to the members of the board to be present at the exercises to be held at Sutter Grammar School today was received from the Principal, Professor Johnson.

Superintendent Erlwine extended a general invitation to the members of the board to attend the Teachers' Institute, which meets in this city next week.

Miss Mable Moore filed her application for a position of teacher in the city schools.

On recommendation of the Building and Repair Committee, it was decided to provide shutters for the basement windows of the Twenty-sixth and V-street schoolhouse.

The vault of the schoolhouse at Twenty-sixth and V streets was condemned by the Sanitary Inspector, the Building and Repair Committee were instructed to have the same cleaned out.

On recommendation of the Finance Committee, bills for teachers' salaries aggregating \$9,800.55 were allowed, and were also High School teachers' salaries aggregating \$1,212.20. Bills for sundries amounting to \$750.35 were also allowed.

The Building and Supply Committee was authorized to purchase a piano for use in the kindergarten school, at Fourth and G streets, at a cost not to exceed \$135.

SPAIN'S MISRULE.

Rev. A. C. Herrick's Lectures on the Late War.

Rev. A. C. Herrick lectured at the Sixth-street Methodist Church last night. Subject: "Spain in Cuba and the Philippines," with particular references to Dewey's great victory at Manila.

There was a large attendance, and the address was extensively illustrated with photo-opticon slides, many of which were true to life, others fanciful portrayals of justice, Spanish types, avenging agents of the law, etc. The photographs of scenes and people in and around Havana were particularly interesting.

The speaker emphasized the fact that Spain had always been cruel, unjust and treacherous with her subjects, as well as with her enemies. He went over the events that led up to the late war, justifying Americans and seeing in it the footprints of retributive justice.

THANKSGIVING EXERCISES.

They Will Be Held To-Day in the Grammar Schools.

Thanksgiving exercises will be held at the Sutter Grammar School, Julian W. Johnson, Principal, at 1:45 p. m. to-day, and many parents and friends of the pupils will probably be present.

Following is the program: "Song," "Thanksgiving," school; "Thanksgiving," Day, Ada Burns; "Flight at Concord," Charles Carriere; song, "Columbia, My Country," school; "Thanksgiving," Ida Nuttall; "The Old House Clock," C. Herndon; song, "Freedom Forever," school; "A Boy's

EDUCATORS WILL CONVE.

SACRAMENTO CITY AND COUNTY TEACHERS' INSTITUTE.

It Will Hold Its Session in This City Next Monday, Tuesday and Wednesday.

The Sacramento City and County Teachers' Institute will begin next Monday morning at 10 o'clock, at the Sixth-street Methodist Church, between K and L, and continue for three days, County Superintendent of Schools Howard presiding.

The Monday evening session will be held in Liberty Hall, Foresters' Building, on Liberty street, between Seventh and Eighth, and will consist of an excellent musical and literary programme, followed by a teachers' reunion and a social time. Admission will be printed invitation only, as heretofore many teachers have been crowded out by the number of outsiders that attended, many teachers being unable to gain admission to the hall last year, and going away disappointed. Each teacher will have two tickets, which will be sufficient to pack the hall. At all other sessions of the Institute the attendance of the general public is cordially invited, but it is necessary to limit the attendance at the teachers' reunion.

The Tuesday evening session will be held in the Sixth-street Methodist Church, when Rev. J. B. Silcox will lecture on "Apprehension and Retention," one of his most interesting lectures.

Following is the program for the Institute:

AMUSEMENTS.

At the Orpheum this evening the Sam T. Shaw Dramatic Company in Milton Noble's comedy and drama, "Love and Law," with scenic effects specially prepared for this play. The company is so well known and popular here that it is referred to it is called for. It has always played to full houses in Sacramento and will unquestionably do so in this engagement. Popular prices will prevail during the engagement.

The management of the Capital Concert series announces the second concert for December 2d with a reduction upon the price of season tickets, one concert of the series having been given. Among the engagements made for that date are Miss Mary Linck, prima donna, contralto and mezzo soprano. She is a young and famous singer, who achieved a high reputation as an artist in her native land, America, and then went to Europe and won fame there, being at the very first appearance in Milan by Signor Sonzogno, who at once offered her a leading part in grand opera in that city of critics, but she was already under engagement to make her debut in London, which she did with the Royal Carl Rosa Opera Company, singing Seibel in "Faust," winning instant success, which continued as long as she was abroad. So well was she esteemed in London that on the first production of "Hansel and Gretel" there, she was chosen to create the part of Hensel. In the East she is a great favorite, especially in Philadelphia, where she is exceedingly popular with critics and the populace alike. She is in California for a season of rest, after conclusion of a grand opera season in San Francisco, and comes here only as the result of the most urgent requests of the management. Others to appear are: Rokker, lyric tenor, late instructor in the Schwarnska Conservatory, New York; Landsberger, the Austrian violinist; Dorothy Goodsell of Oakland, leading soprano, Olivia Edmunds, pianist. The management of the series has incurred extraordinary expense in engaging artists, and only completely full houses can recompense it for the outlay.

The wrestling match at the Orpheum last night did not draw a very large audience. But it was an excellent match and much enjoyed by those who witnessed it. H. H. Hildebrand of Sacramento weighed in at 153 pounds and Young Frenchie of San Francisco at 155 pounds. The men are splendidly built and muscled. Probably all Hildebrand lacks is experience in wrestling with professionals, an advantage Frenchie enjoys. Ralph Donahue was referee. The men met at exactly 10 o'clock, catch as catch can, and the referee went down, giving Frenchie the work of turning him. The set-to lasted exactly a half hour, and was a splendid contest of skill and strength. Hildebrand was four times turned, twice lighting on his hands and knees in a flash. Twice going to his feet, he was thrown down on his back all-four positions. Twice he secured a neck hold on Frenchie and turned him, but the latter, while slower than Hildebrand, kept his shoulders clear of the canvas. A good many lookers on claimed that Hildebrand won a fall in the first round, but the referee announced by the referee until Hildebrand's shoulders were forced down by his powerful opponent. The referee was better situated to see than others and his judgment that Hildebrand did not win the first fall out of Frenchie was assumed to be correct. It was a noble contest, a long bout and hot one, between very evenly matched men and showed good generalship on both sides. The men met the second time at 10:44 and Hildebrand again went to the canvas with Frenchie at his waist and shoulder being held down. This time Hildebrand repeated his tactics in the first bout of securing a neck hold and forcing his opponent end over. He had fallen in each case until this last, when he won a hold that he maintained until it seemed that Frenchie was over. But at the last, the latter slipped out, went down, flashed over and got to his knees in time to secure his old waist and shoulder hold on Hildebrand. In another moment he had his blonde opponent on his side with both arms employed in preventing his shoulders going down. Frenchie kept a firm pressure upon Hildebrand's neck until he had forced one shoulder down and then stretching himself across his opponent's body he slowly and steadily pressed down the other shoulder in just seven minutes. The referee's hand went up and the match ended, Frenchie having won the necessary two out of three falls. The last bout, while very short, was even more sensational than the first, and was full of fine play and excellent management. Preceding the wrestling there were three three-round boxing matches, which were simply farcical.

Do Not Be Alarmed, But Look For the Cause.

Heart troubles, at least among Americans, are certainly increasing, and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, of poor digestion.

Real, organic heart disease is incurable; but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by branches of the same great nerves, the sympathetic and pneumogastric.

In another way also the heart is affected by the form of poor digestion, which causes gas and fermentation from half-digested food; there is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action; hence arises palpitation and short breath.

Poor digestion also poisons the blood, makes it thin and watery, which irritates and weakens the heart.

The most sensible treatment for heart trouble is to improve the digestion and to insure the prompt assimilation of food.

This can best be done by the regular use after meals of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores, and which contain valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular, persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Full-sized package of the tablets sold by druggists at 50 cents.

Little book on stomach troubles mailed free. Address Stutz Company, Marshall, Mich.
