

THE TOURNAMENT.

IT COMES OFF THIS AFTER-NOON—THE PROGRAM. Sixteen Champions and Twenty-One Amateurs Are Listed—A Notable Gathering.

The C. C. W. colors—old gold, garnet and black—will be much in evidence at Agricultural Park to-day, but the San Francisco colors, and not a few of Eastern cities, will be represented also. But local pride should move Sacramento to sport the old gold, garnet and black.

The events are given under the auspices of the Capital City Wheelmen, and whatever they make will be devoted to immediate wheely improvement for public benefit. The champions are under the immediate direction of Messrs. Thompson and Dixon under immediate direction of the C. C. W. Over all the referee is supreme, and he is bound by the rules of the California Associated Cycling Clubs.

The G-street gates, the only ones to be opened, will be ready to swing wide at 1 p. m., and the races will begin at 2 sharp, and when Manager Dixon says 2 o'clock he means 1 o'clock and sixty minutes to the second. Neale's Band will discourse concert music during the afternoon, and J. E. Little, with that notable megaphone of his, will post all the people as to who the

riders are as they appear, but in addition there will be a neat program on hand.

Ladies are to be given seats free in the grand stand, which has been cleaned for their accommodation. Sterner humanity will be charged a quarter for these favored seats, but the general admission is 25 cents, and for children 10 cents, with no charge for driving a team into the hitching pad-dock.

The events will be as follows: First event (champions), one-mile tandem handicap, professional. The figures represent the yards handicapped, and "scratch" means that the rider starts from the score.

Downing and Cotter, San Jose and Tacoma.....Scratch

Baby Gibson, Little Middle Distance Champion.

Julius and Lawson, Sweden.....15 Leonard and Weing, Buffalo.....25 Lawson and Turville, Chicago and Philadelphia.....30 Barnaby and Chapman, Boston and Georgia.....40 Zeigler and Gibson ("Baby"), California and New York.....50 Wells and Krafts, California.....60 Second event, one mile, handicap, amateur:

FIRST HEAT. Robinson, B. C. W.....20 Eldred, C. C. W.....60 Noyes, C. C. W.....70 Valentine, C. C. W.....85 Wilson, C. C. W.....90 Hubert, C. C. W.....100 Turner, C. C. W.....105 SECOND HEAT. Davidson, B. C. W.....Scratch McNiss, S. F. R. C.....35 Egeberg, C. C. W.....70 Pearson, C. C. W.....85 Payne, C. C. W.....110 Wells, S. F.....110 THIRD HEAT. J. E. Wing, San Jose.....Scratch Hirsch, C. C. W.....25 Tantau, O. C.....30

Fourth event—Exhibition by Otto Zeigler of San Jose (the "Little Demon") on a tandem by tandem.

Fifth event—Final of the one-mile open, professional.

Sixth event—Five-mile handicap, professional. Lawson, Chicago.....Scratch Downing, San Jose.....25 Cotter, Tacoma.....50 Barnaby, Boston.....70 Wells, San Francisco.....80 C. Krafts, California.....115 Weing, Buffalo.....125 Chapman, Georgia.....150 Julius, Sweden.....200 Turville, Philadelphia.....300 Ashinger, Manila.....450 Seventh event—Final one-mile handicap, amateur.

Eighth event—Exhibition by "Baby" Gibson (known as Michael No. 2), paced by tandem.

Ninth event—Ten-mile invitation race (for six-day riders only): John Lawson.....The "Terrible Swede" Oscar Julius.....Champion of Sweden T. A. Barnaby, known as "The Actor".....of Boston John Chapman.....Atlanta, Ga. Charles Ashinger, Ex-champion long-distance rider of the world.

If Krafts does not qualify for the final heat, then in the final of the mile professional, paced, Dixon and Krafts will ride a tandem to pace. They are the holders of the five-mile world's record, standing start, competition, on the road. Time—10:22.

The officers of the day will be: Referee, L. S. Tyson; Judges, M. S. Lavenson, J. A. Woodson, C. M. Goethe; timers, Dr. Clifford Todd, H. T. Goethe, Vincent Loose of San Francisco, Gus Pommer; scorer, J. T. Sheehan; clerk of the course, George E. Dixon; starter, Ammon Clay; umpires, William Harrison, George Stroner, M. J. Hubbard; starter, Wilbur Knapp, San Francisco.

Wheelmen strictly prohibit betting, pool-making, etc. They limit prize values and are exceedingly rigid concerning any unsportsmanlike or ungentlemanly conduct or infraction of the rules of the California Associated Cycling Clubs, under whose official sanction the tournament is given.

For general information it may be stated that the exact 5,280 feet, or one mile, is along a line three feet from the pole, or the inner line of the track. A rider who is forced by conditions outside that distance really rides more than a mile, though he gets no credit for it. If one can ride within that distance he will win a little less than a mile and enjoys the advantage.

Jack Wing is well known in this city and rode here last July. His entry at a late hour caused some surprise, and will add much to the interest of the meet. He is very popular and made the most points in the amateur class in 1898.

Mr. Wing has been doing much brilliant riding on this coast this winter, and is easily the foremost man in this amateur championship race. For this reason much is expected of him to-day.

"Kid" Robinson, the amateur champion for '99, will give an exhibition, paced by a tandem, for the amateur mile.

Otto Zeigler will leave for the East for the Louisville and Nashville circuit on the 15th, to compete with the Eastern cranks.

TEN YEARS FOR MOSHER.

JUDGE HUGHES SENTENCED HIM TO FOLSOM.

Said the Evidence Was Clear That He Had Participated in Drugging Posten.

J. H. Mosher appeared before Judge Hughes yesterday for sentence, having been convicted of complicity in the robbery of a man named Posten in the Real Thing saloon, of which he was one of the proprietors. He was sentenced to Folsom State Prison for ten years. His partner, Holmes, who was convicted of robbing Posten after he was drugged, was also sentenced a short time ago to ten years at San Quentin. He has appealed his case, and it was stated yesterday that Mosher would also appeal.

In sentencing him, Judge Hughes spoke as follows: "There is no more unpleasant duty than that which I am called upon at this moment to perform; yet in the performance of that duty I feel that it is proper at this time to say to you that you have had, in the opinion of the court, a perfectly fair trial. You certainly have had an able defense. At the first trial of your case it seemed to the court impossible that anything other than a verdict of guilty could be rendered, and by what power of logic your counsel succeeded in convincing six jurors that you were not guilty, I must say I am unable to understand. Your counsel has able defended you, but the facts in your case, as they were presented to the jury, seemed to the court to be so clear and so convincing that no verdict, other than the one which was rendered, could be properly reached.

"I have, so far as possible, endeavored to ascertain your record in the past, and my efforts in that direction have convinced me that your life in the past has been cast along the same lines that it has been cast in Sacramento. This is not your first trouble of this kind; you had trouble of the same sort in Los Angeles. The testimony in this case convinces me that you aided and abetted Holmes in the commission of this offense. Under the evidence, it was impossible for the drugged drink to have been prepared and placed in the hands of the prosecuting witness by any one other than yourself. You must have done it. Holmes was not out of the room during the time which intervened between the exhibition of the money by the prosecuting witness and the delivery to him of the drugged drink, and you must have prepared it. The testimony shows that signs were made to you which you evidently understood and acted upon, and, therefore, while under the exhibition of the money by the prosecuting witness and the delivery to him of the drugged drink, and you must have prepared it. The testimony shows that signs were made to you which you evidently understood and acted upon, and, therefore, while under the exhibition of the money by the prosecuting witness and the delivery to him of the drugged drink, and you must have prepared it.

"It is therefore the judgment and sentence of the court that you be confined in the State Prison at Folsom for the term of ten years."

Always Full of News. (From the Santa Cruz Sentinel.) The Sacramento "Record-Union" is becoming a great newspaper. Its reports of all legislative proceedings during the session of the late unlamented Legislature, and its smoking out the many bugs in the large number of bills, entitled the paper to State recognition. It is never sensational, but always full of news, and it ranks with the most reliable journals in the land. San Francisco would be blessed had it such a morning issue.
