

COAST AND EASTERN RACES.

A Big Crowd and Good Sport at the Stockton Track.

McFarlane Easily Wins the Mile Handicap for Three-Year-Olds and Upward.

Searchlight Paces a Fast Mile at the Indianapolis Track, Covering the Distance in 2:02, in the Face of a Stiff Breeze, at Times Almost a Gale.

STOCKTON, Sept. 22.—The immense crowd which journeyed to Agricultural Park to-day saw the best racing of the week, and a new record hung out. The crash came in the final event, the mile, and McFarlane, who was left at the post yesterday, was the animal to turn the circle in the fast time of 1:41 on a trotting track. He was created two sensations up to date. The big bay was left at the post yesterday, as Tullet pulled him up as the barrier flew up, and would not let him follow the bunch. An investigation brought out the fact that Ah Chuck, the local "Little Pete," and all-around plunger, paid the boy to anchor at the post. Sullivan outdrew the other boys by several lengths, and rated his mount splendidly, as McFarlane came home with something up his sleeve.

Three second choices and a favorite took the running events, which were heavily played. Summaries:

SEARCHLIGHT PACES A FAST MILE. INDIANAPOLIS, Sept. 22.—Searchlight, the great son of Dark Night and Furor, did a remarkable mile here to-day. The time was 2:02. J. H. Bronson of New Haven, Conn., sent him against the world's record of 1:59 1/2. Owing to a stiff breeze, at times almost a gale, the big horse failed on the record. However, he equaled the record of the year. The mile by quarters was 0:30 1/2, 1:31, 1:31, 2:02.

RESULTS AT READVILLE. READVILLE (Mass.), Sept. 22.—The feature event of the meeting of the New England Trotting Horse Breeders' Association to-day was the 2:34 pace, in which Roan Wilkes, Rubenstein and Frank Bogash were entered. The horses looked well, but in no heat excepting the first half of the second mile, paced in 1:02, was anything like good time made. Roan Wilkes was steady, but did not have to go, Frank Bogash meeting with a mishap and being distanced in the first heat, while Rubenstein never went his gait for more than a half. Roan Wilkes won the race in straight heats. Rubenstein second. Best time 2:05 1/2. Roan Wilkes received first and third money.

AT HARLEM. CHICAGO, Sept. 22.—Big fields of low-class horses raced through the mud and rain at Harlem to-day. Results: Six furlongs, The Rush won, Brown Anderson second, Yoloco third. Time—1:20. Seven furlongs, Fantasy won, Owyhe second, The Gezer third. Time—1:34 1/2. Mile and a sixteenth, Tappan won, Tulane second, Hittick third. Time—1:55 1/2. AT BOSTON. BOSTON, Sept. 22.—Wretched coaching and base-running lost the first game for Boston. Boston won the second by opportune hitting in the eighth. Chance fell and injured himself while catching a foul. Attendance 5,500. Score of first game: Boston 0, hits 13, errors 3; Chicago 3, hits 9, errors 9. INDUSTRIAL COMMISSION. Secretary of the Electric Workers on the Witness Stand.

WASHINGTON, Sept. 22.—R. W. Sherman of Rochester, N. Y., Secretary of the Electric Workers of America, was the first witness before the Industrial Commission to-day. Most of the members are linemen. He said the dues of his organization were 60 cents per month. There was \$100 death benefit. There had been thirteen strikes of the organization in eighteen months. Of these the organization had won eleven, had compromised one, and one was still on.

The organization did not include more than 2 per cent. of the electrical workers. As a rule the workers had steady employment. There was much extra work, for which extra pay was obtained. The average pay was about \$3 per day.

His organization believed in compulsory arbitration. In the strike at Cleveland the union had offered to appeal the issue to the State Board of Arbitration, but the telephone company refused. Compulsory arbitration, in his opinion, should carry with it power of enforcing acceptance of the decree of both parties.

HORRIBLE CRIME. Three People Murdered by Robbers in Maryland.

CUMBERLAND (Md.), Sept. 22.—The residence of Absalom Kesler, a miserly farmer, aged 80, living on the West Virginia side of the river near Pawpaw, was discovered on fire at 1 o'clock this morning. Neighbors hurried to the scene, and were horrified to find Kesler and Albert Gross, the hired man, lifeless in the yard. The housekeeper, Mrs. Emma Gross, was also murdered, but her body was consumed in the flames. The object of the crime evidently was robbery.

Kesler was known to keep a large sum of money about the house, but a few weeks ago was persuaded to put most of his money in the bank here. The robbers secured about \$200, it is thought.

After beating the two to death with a blunt instrument, as they supposed, they set the building on fire to cover up their crime, but the men had life enough left to crawl out in the yard. The robbers claim to have a clew which they are working on.

DEWEY RECEPTION. IN AMATEUR CIRCLES. Ball Games to be Played To-Day and To-Morrow.

THE SQUABBLE OVER RIGHT OF LINE IN PARADE NOT YET SETTLED. NEW YORK, Sept. 22.—Major General Roe, who will command the National Guard of New York State in the Dewey land parade, received a telegram from Governor Roosevelt to-day directing him to give the G. A. R. the choice of any place in the parade.

Immediately on receiving the telegram, General Roe had a conference with Mayor Van Wyck, and then Chairman Guggenheimer of the Plan and Scope Committee, which has charge of the parade, was notified of the Governor's dispatch. After pointing out that his committee alone had the right to assign places in the line of march, Mr. Guggenheimer said of the Governor's action:

"It is peculiarly Rooseveltian. It is a most impudent, unjustified and unwarranted interference in a matter that is without his province. I do not believe, however, that our committee will take any notice of it."

General Roe declined to discuss the action of Governor Roosevelt in advance of the action of the Plan and Scope Committee.

It is said that Governor Roosevelt sent his telegram under a misapprehension. General Roe is not acting in his capacity as Major General commanding the State militia, but as Chairman of the Sub-committee on Land Parade of the Dewey Celebration Committee of this city.

Mayors Ashbridge of Philadelphia and Harrison of Chicago have accepted invitations to be present at the Dewey celebration. Governor C. S. Thomas of Colorado and Patrick A. Collins of Boston sent regrets.

All the arrangements for the sailors' smoker at the Waldorf-Astoria are now completed. The guests will include 1,000 men of the Olympic and other warships in the harbor. Admiral Dewey, Rear Admirals Sampson and Schley, the other commanding officers of the ships and the guests of the city have been invited to occupy the boxes around the ballroom where the smoker is to be held.

The Committee on the Distribution of Tickets has announced that no more applications for tickets can be received. The applications already exceed the supply tenfold.

ROOSEVELT EXPLAINS. UTICA (N. Y.), Sept. 22.—Regarding the dispute as to the position to be accorded the G. A. R. in the Dewey day parade at New York Governor Roosevelt said to-day:

"I have telegraphed General Roe that if the matter is one purely for the city authorities and one for which I have no power, then, of course, I withdraw my former telegram. I had understood that General Roe was acting as Major General of the National Guard in the management of the parade, and in that event I, of course, had the power to direct that the veterans be given the right of the line, and accordingly did it. If, however, as appears to be the case, it is a matter purely for the city officials, I, of course, have nothing to say and no advice to give."

Death of a Colorado Citizen. DENVER, Sept. 22.—William Campbell, a resident of Colorado since 1858, died to-day at his home eight miles east of Denver after a lingering illness. Mr. Campbell was appointed Surveyor General of Colorado by President Grant in 1877, and held the office a number of years.

Still More Counterfeiting. The Secret Service has unearthed another band of counterfeiters and secured a large quantity of bogus bills, which are so cleverly executed that the average person would never suspect them of being spurious. Things of great value are always selected by counterfeiters for imitation, notably the celebrated Hostetter's Stomach Bitters, which has many imitators, but no equals for indigestion, dyspepsia, constipation, nervousness and general debility. The Bitters sets things right in the stomach, and when the stomach is in good order it makes good blood and healthy life. In this manner the tenses get at the seat of strength and vitality and restore vigor to the weak and debilitated. Beware of counterfeiters when buying.
