

THIRD WARD REPUBLICANS.

THEIR CLUB HOLDS A LIVELY MEETING.

Addresses by Many of the City Candidates—Also Refreshments, Music, Etc.

The intense interest which is being taken in the municipal campaign this year and the popularity of the vigorous and aggressive fight which the Republicans are making for an honest and progressive administration of affairs were indicated by the crowd which attended the meeting of the Third Ward Republican Club last night.

After the business of the club had been disposed of President Wm. R. Hall announced that everything was in readiness for the "German tea," which had been arranged for amusement and instruction, and that a fair proved to be one of the most successful ever given under the auspices of the organization.

Great enthusiasm greeted each Republican candidate as they were presented by the President, and in each instance a plain and practical talk on the issues of the campaign was given. C. C. Robertson, candidate for City Collector, made a speech in which he stated that it behooves every citizen and voter who is in accord with the great principles of Republicanism, and who believes in holding this city in the rank of Republican cities, to vote the straight ticket.

A. De Ligne, candidate for City Attorney, delivered an address which made a most favorable impression on his hearers. He said he had done his duty to the best of his ability, and had always endeavored to see that all received justice at his hands in the discharge of the duties of his office.

J. W. Johnson delivered a stirring address on the national issues of the past and present. He said that no Republican was ashamed that he had voted for McKinley, and called attention to the present prosperous condition of the country as a result of the rule of a few years ago under Democratic rule. He urged the Republicans to stand by their principles, as in a year hence a great political battle would be fought. He was heartily applauded.

J. A. Green, candidate for School Director in the Third Ward, made a very practical speech in regard to the public schools of the city. He said that if elected he would give thorough attention thereto, and the community could trust him to make a clean, honest and industrious official. There are, he said, about 6,000 school children in the city, and 140 teachers, and the monthly expenses amount to \$10,000 to \$14,000. Therefore competent men should be elected to discharge the duties of such a public trust.

Mr. Green was given a thundering applause at the conclusion of his remarks. George H. Clark, nominee for Mayor, was given a most cordial reception when he entered the hall, and again as he arose to address the audience in response to persistent calls. It was several minutes before the applause subsided and he could make himself heard. He drew a bright picture of the future, and asked his hearers to assist him in bringing about its realization. He spoke of the needs of this growing and prosperous community and promised that, if elected, he would do his best to have the sewer system improved. He would see that all the thoroughfares were put in proper condition and that they would be well kept in every particular. He would appoint no one to office that was not competent to fill such office.

Mr. Clark eulogized his fellow-candidates and spoke enthusiastically of the prospect for the success of the party which had honored him by putting his name at the head of the ticket. He stated that although he was a young man he had thorough knowledge of municipal affairs and would exert himself in giving the city a clean, honest and upright administration.

He was given three hearty cheers as he retired. William Fetherstone made brief remarks, and then Emmet Phillips was called on and addressed the club. He said that no man made a good citizen that did not take an interest in the municipal elections. Men who associate themselves together and discuss political affairs are the ones who are on the eve of a new and prosperous era, and it remained for the voters to grasp the opportunity which now presents itself and elect George H. Clark and the entire Republican ticket, and thus secure the advancement of the city's affairs.

The first musical number was by George Fry and Percy Douglas, whose performance on the mandolin and guitar was highly appreciated and several encores were given.

Donovan, the Irish comedian, amused the crowd by his comical songs.

Charles Oliver of the San Francisco Vaudeville Company sang several songs in a way that convulsed the audience. He also gave a recitation in a very original style.

Jack Hanlon, the ever-popular singer, was also on hand and delivered a recitation and sang some of his songs in Irish dialect, greatly to the amusement of all.

Refreshments were served, and at a late hour the club adjourned with three cheers for George H. Clark and the entire Republican ticket and the Third Ward Republican Club. It was announced that the Ninth Ward Republican Club would hold a high jinks this evening at Twenty-first and M streets.

It is announced that Miss Mattie Beaumont, one of Sacramento's fairest daughters, will be married to S. I. Hopkins, President of the A. S. Hopkins Company, the 11th of November. The wedding will take place at the residence of the young lady's father, Colonel Duncan Beaumont. Only relatives and a few intimate friends will be present.

The Misses Mamie and Mabel Hosking and Miss Lucie Bombaugh entertained a number of their young friends last evening at a Halloween party at the residence of Mrs. Hosking. The parlors of the home were decorated in orange and yellow, while the dining-room, where a delightful repast was spread, was decorated in cardinal. The lights were also shaded with tinted paper, and the whole presented a delicate and pretty effect.

At midnight the usual Halloween festivities broke loose, and the young people enjoyed the occasion as only the young can. At a late hour, and after a lunch, the party disbanded. Those present were the Misses Frances Connelly, Clara Phipps, Maud Phillips, Winnie Rogers, Edna Harlow, Jessie Gorham, Ethel Bathrap, Vera Burgett, Annie Musselman, Orie Musselman, Ethel Luce, Virginia Prindle, Lucie Bombaugh, Mamie and Mabel Hosking, Messrs. Arthur Taylor, Eddie Clegg, Walter Penry, Walter Billion, Ailie Nathan, Grove Finka, Albert Silcox, Ross Silcox, Clarence Ellis, Guy Campbell, Joe Flahive, Ailie Hill, Tom Scott, Joe O'Connell, Eldridge Turner, Ross Johnson, Clarence Hopkins, Nera Hosking, Mr. and Mrs. Burgett, Mrs. Hosking and Mr. and Mrs. O. G. Hopkins.

The "Breach of Promise" Company opened at the Clunie Opera-house last night to a fair audience below and a packed gallery. The play and company are precisely what is claimed for them by the management. The piece is a nonsensical farce, with so thin a thread of plot, that it would be easier to find a needle in a hay stack than to discover its beginning or its end—but it serves. It is a company playing for prices from 15 to 50 cents, and giving for the money a vaudeville performance, for the like of which many people have paid a dollar in days gone by. There is nothing in it to criticize, for it defies criticism; nothing to point out as possible of betterment, for everything done is upon so extravagant and ridiculous a scale that it could not be made more absurd, while to make any part of it more natural would be to reduce it to tameness. Mr. Harrington is the burlesque Irishman of the extremist stage type, and as such he could scarcely have a rival as ludicrous. Burt Haverly, the old-time minstrel, has full opportunity to prove his humor, and he misses it never once. His burlesque of Philip Sousa, the great bandmaster, is the cleverest thing of it all, and it is very clever and very laughable. Rosa Crouch is a remarkable contortionist dancer, and apparently as full of fun as she is of the spirit of the dance. One young man made a fine exhibition of wing and rag time dancing, and introduced many steps wholly new, and besides he makes his dancing a laughing measure. There is a strong-voiced soprano, a vocal quartet, a clever harp player, and minstrel oddity drawing music out of bottles, bells, the banjo and the violin, and playing a comedy part all the while. Nellie Sennett, who has been seen here before, is as lively as a cricket and does some laughable and clever acts, one in flirtation with Haverly that is especially funny. And there are others; one being Fred Saville, who as a juvenile New York tough boy, is original. So, all in all, the piece and the company keep the people in constant laughter, and all the time every one is saying to himself, "What utter nonsense to laugh over"—but the audience laughs all the same, and never more heartily than when Harrington and Haverly have the stage for their duet, something to dream of with never expectation of witnessing and hearing such a thing in reality. The same entertainment to-night and every night this week.

Hotel Arrivals. Arrivals at the Golden Eagle Hotel yesterday: Dr. George C. Farnes, G. Dretton, N. Kaufman, Mrs. W. S. Leake, Clyde H. Cross, Miss Mabel Hoyt, San Francisco; W. L. Emory and family, Massachusetts; George L. McCandless, Sacramento.

Veteran Odd Fellows. The annual reunion and banquet of the Veteran Odd Fellows will take place in Odd Fellows' Temple this evening.

Why Rother Suicided. Statement Made by His Alleged Widow. Max Rother, who is supposed to have drowned himself here last week, had to friends referred to some trouble he was in about a woman. San Francisco paper yesterday says: "Mrs. Rother, widow of Max Rother, who was drowned Thursday night in the Sacramento River, is of the opinion that her husband committed suicide deliberately because of the fact that in order to procure a position in Sacramento after an exceedingly hard run of luck, he had to swear that he was an unmarried man. Mrs. Rother insists that she is on the best of terms with the family of the dead man."

Cricket at Loomis. The Citrus Colony Men Easily Out-class Sacramentans. The members of the Sacramento Cricket Club went to Loomis on Saturday evening to play a game on Sunday with the Citrus Colony Club. They were met by the Citrus Colony Cricket Club members, who escorted them to their clubhouse, where they were treated in royal style. After a fine breakfast next morning the game was started at 10:30 o'clock. The Sacramento eleven won the toss and chose the field. The Placer men made on the first innings 113 runs. The batting of H. Macartney, H. F. Elliot, W. Petherick and P. Pakenham was especially fine. The Sacramentans were then all disposed of for 34 runs. Lunch was served, after which the second was played, with the result that when H. R. Elliot and H. Macartney had gotten together 45 runs, with the loss of one wicket, Captain Marsh-Brown declared their innings closed. The visiting team put up 29 runs for their second innings, against the magnificent bowling of H. R. Elliot and W. Petherick. Enjoyable Affair by Sacramento Lodge, Knights of Pythias. Sacramento Lodge, Knights of Pythias, gave their first "night" last evening at their hall. The occasion was a pleasant one, and quite a concourse of ladies and their company was present. They represented the families of members of all the lodges in the city. The program was an exceptionally good one, and was rendered in a most creditable manner. The following numbers were given: Address, Grove L. Johnson; trombone and piano duet, Mr. and Mrs. Grey; vocal solo, J. Dell; piano solo, Miss Rosa Wolf; vocal solo, Miss May Rowley; cake walk, A. W. Seaman and Mrs. M. A. Fitzgerald; vocal solo, Mrs. Stone; vocal solo, W. Diessen. Herbert Wolf entertained the audience with an exhibition of sleight-of-hand tricks and an amusing dialect song in Chinese, and J. Bell rendered a pleasing solo. After the program ice cream and cake was partaken of, and the balance of the evening was spent in social intercourse. The first ladies' night of the lodge was a decided success, and those present hope to have it repeated.

SOME APPLES. An Old Orchard That Yields \$20,000 a Year. Colonel Henry Starr left his home in Nova Scotia over sixty years ago. He recalls with delight the noble orchard of the old homestead, which was set out by his grandfather and enlarged by his father, who grafted most of the trees with imported varieties. Starr, an orchard, Colonel Starr says, is in part, at least, over 100 years old, has in the neighborhood of twenty acres, to the best of his recollection. Yesterday he received a letter from his brother, Judge Starr of Illinois, in which it is related that the Judge has a letter from the old home, saying that the orchard of their boyhood days this season yielded 8,000 barrels of apples. These sell at \$2.50 a barrel. This product is almost always shipped to England. That would make the total yield of the small apple orchard worth \$20,000 to its present owners, cousins of Colonel Starr. This fact the Colonel considers sufficiently interesting, concerning so old an orchard making such a yield, as to be worthy to be passed down as a note in horticultural news.

Continued Without Date. Suit of Receiver O'Neil Against Alsp's Bondsmen. The case of Thomas O'Neil, receiver of the Union Building and Loan Association, against Peter Newman and George W. Locke, as bondsmen of E. K. Alsp, came up yesterday morning before Judge Hughes. Plaintiffs' attorneys stated that they were not certain as to what was the receiver's status under the recent decision of the Supreme Court, and that the case was a novel one in the jurisdiction of California. They wanted time to consider the matter, and the case was therefore continued generally, and may be taken up at any time in the future.

COMPANY G'S BALL.

It Was Largely Attended and Proved a Pleasant Success.

The twenty-ninth annual ball of Company G, Second Regiment of Infantry, Third Brigade, N. G. C., at Army Hall last night was a very successful entertainment. There was a large attendance, and the order of dances was extensive and varied. It ranged from polkas to waltz quadrilles, and from schottisches to lancers, and the enjoyment was general and spirited.

One of the striking features at the Army was the beautiful decorations. There were many flags, banners and strings of bunting, and the brigade's new banner was greatly admired by all. The ball was under the direction of the following committees: Committee of Arrangements—Sergeant J. L. Guth, Sergeant J. A. Klein, Sergeant G. A. Klees, Corporal P. A. Brown and Corporal C. J. Larabee.

Floor Director—Captain J. Zittinger; Floor Managers—Lieutenant H. R. DeFennes, Lieutenant P. J. Rubstaller, Corporal J. A. Plummer, Private C. Hauser, Private J. Thomas and Private F. T. Clippa. EVERYTHING FOR THE HOUSE. Rare news for seekers after high grade presents. 'Bout a month ago a drummer for a Chicago firm (dealers in high grade art goods) drifted into Sacramento and quite naturally dropped into the Breuner China Store. Said he had been told that if he sold ANY goods in Sacramento in his line, it would be to us. Among other samples he displayed was a small, hand painted vase, one of the most exquisite bits of Ceramic work we have ever seen—as different from the usual hand painted china as day from night, as superior as genuine cut glass is to the imitation. Inquiry brought forth the fact that this piece was representative of others which are being produced by the students of one of the finest Ceramic art schools in Chicago, and that the entire production of the school (that is, the pieces which are considered perfect, or nearly so) are purchased by this firm. Believing that these superb art goods would meet with the instant appreciation of the people of Sacramento, we placed a trial order immediately for nearly a hundred pieces. These pieces have now arrived and, really, they excel in artistic beauty our greatest anticipations. Each and every piece is different, is signed by the artist and represents a real art value. The assortment of pieces is as follows: Placques, cake trays, creamers, sugars, bon bons, nut bowls, brush and comb trays, pudding sets, rose bowls, vases, salads, handkerchief boxes, jardinières, cups and saucers, candlesticks, hair receivers and fern dishes. We desire to call special attention to the fact that these goods cannot be shown by any other firm in Sacramento, and to the further more important fact that NO FIRM IN SAN FRANCISCO has yet even placed an order for them. Our display NOW in the beautiful cut cut glass gifts. Seekers after wedding, birthday or holiday gifts should lose no time in seeing these goods.

CONTINUED WITHOUT DATE. Suit of Receiver O'Neil Against Alsp's Bondsmen. The case of Thomas O'Neil, receiver of the Union Building and Loan Association, against Peter Newman and George W. Locke, as bondsmen of E. K. Alsp, came up yesterday morning before Judge Hughes. Plaintiffs' attorneys stated that they were not certain as to what was the receiver's status under the recent decision of the Supreme Court, and that the case was a novel one in the jurisdiction of California. They wanted time to consider the matter, and the case was therefore continued generally, and may be taken up at any time in the future.
