ACROSS THE BAY. Remarkable feat performed in moving a house.

A remarkable feat in the way of house-moving was lately accomplished at Eureka, Cal., reports the San Francisco Herald. Attorney Ernest Sevier, through the workings of the law, found himself in possession of one of the finest residences in Arcata. As Mr. Sevier lives in Eureka and has no use for a home in Arcata, he decided to move the building across the bay to Eureka. The contractor set to work. The house was moved to the marsh land near Arcata by the usual process of house-moving. Then a temporary staging and wharf were built. Over this the house was slowly transported to the water's edge, where two derrick barges, lashed together, were in waiting to receive the structure. It was, after considerable labor, placed upon the barges, and then a tugboat took them in tow, and in a few hours had covered a distance of seven miles and landed at the foot of J street, in Eureka. So well was the contract carried out that the only damage noted was a slight breaking of the plaster. All the house is a fine two-story one, and is elaborately finished. When set up on Mr. Sevier's lot in Eureka it will be one of the finest residences in the city.

When the house was being moved down the bay it presented a very novel sight, and hundreds of people went to the water front to watch its progress.

Sunday morning John J. Quinn, manager for Peter Burns, came down from Los Angeles to sign articles of agreement for a fight between Peter Burns, of the Maher combination, and Billy Smith of El Paso. At noon Sunday Mr. Quinn accompanied by Si Ryan and Jimmy Carroll, Lon Houseman, W. H. Wheelock and a Times reporter drove over to Tucson and articles of agreement for the fight were signed by Quinn for Burns and Carroll for Billy Smith. The articles of agreement provide that the fight shall take place February 18th, 1896, within easy reach of El Paso. After the match had been made Don Albers offered to post \$1,000 that in case Billy Smith won he would defeat Jack Stelzer, and Mr. Quinn for Burns stated that in case his man won he would meet Stelzer for \$500 a side and that the stake holder was authorized to hold back the money from the Burns-Smith fight. Last night a Times reporter asked Dan Stuart if he would offer a purse for the Burns-Smith fight and he said:

"Yes, I will give \$1000 for the go between Burns and Smith and I will use it to take place on the 17th of February. We will have a double bill on that day, with the bantams and the Smith Burns go."

Not a few who read what Mr. Robert Rowles, of Hollands, Va., has to say below, will remember their own experience under like circumstances: "Last winter I had a gripe, which left me in a low state of health. I tried numerous remedies, none of which did me any good, until I was induced to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first bottle of it so far relieved me that I was enabled to attend to my work, and the second bottle effected a cure." For sale at 50 cents per bottle by Fred Fleishman, druggist.
