**ROGERS'**

CELEBRATED

LINIMENT.

The most remarkable curative discovery ever made in any country. A Liniment that penetrates the Muscle, Membrane and Tissue to the very bone itself; curing Disease; banishing Pain with a power that is astonishing in the extreme.

The Proprietor of ROGERS' LINIMENT has been using it for the last twenty-five years, and the numerous certificates attached thereto will testify to its Curative Powers. It was just being started at the breaking out of the late war, and the Proprietor being entirely broken up then, is just now getting it revived, and it only needs a trial to insure success.

No Farmer or owner of Stock should be without a supply of this truly valuable Medicine. It is the only Medicine now in use that will permanently cure that fatal disease among cattle, called "hollow horn." ROGERS' LINIMENT has never failed to accomplish a speedy and permanent cure; it also prevents Flies and Gnats from troubling Animals. It is the greatest destroyer of Bed Bugs ever offered to the public, and will not injure Furniture; on the contrary, it cleanses and put a gloss on it equal to a coat of varnish.

The Proprietor of ROGERS' LINIMENT does not claim that it is a cure all, but does claim that it will cure any and all of the diseases mentioned; also do just what it is represented. It is the best article in the world for cleaning Guns, Pistols, Knives, etc.; for taking Rust off anything, and preventing anything from rusting on which it is used.

HEAR WHAT PEOPLE SAY WHO HAVE TRIED THE MERITS OF ROGERS' LINIMENT.

Yours, etc., PHILIP MAGEE, St. Tammany Parish.
