ROGERS' CELEBRATED LINIMENT.

The most remarkable curative discovery ever made in any country. A Liniment
that penetrates the Muscle, Membrane and Tissue to the very bone itself; curing
Disease; banishing Pain with a power that is astonishing in the extreme.
The Proprietor of ROGERS' LINIMENT has been using it for the last twenty-five
years, and the numerous certificates attached thereto will testify to its Curative
Powers. It was just being started at the breaking out of the late war, and the
Proprietor being entirely broken up then, is just now getting it revived, and it
only needs a trial to insure success.
No Farmer or owner of Stock should be without a supply of this truly valuable
Medicine. It is the only Medicine now in use that will permanently cure that fatal
disease among cattle, called "hollow horn." ROGERS' LINIMENT has never failed
to accomplish a speedy and permanent cure; it also prevents Flies and Gnats from
troubling Animals. It is the greatest destroyer of Bed Bugs ever offered to the
public, and will not injure Furniture; on the contrary, it cleanses and puts a
gloss on it equal to a coat of varnish.
The Proprietor of ROGERS' LINIMENT does not claim that it is a cure all, but does
claim that it will cure any and all of the diseases mentioned; also do just what it
is represented. It is the best article in the world for cleaning Guns, Pistols,
Knives, etc.; for taking Rust off anything, and preventing anything from rusting
on which it is used.

before one bottle was used she was able to get up without help, and was cured
sound and well, and is now as fat and fine as any cow in his stock.
